Only Ever Yours Louise O'Neill, 2015-05-12 Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of Only Every Yours women are no longer born naturally, girls (called eves) are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks

six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Power Shahida Arabi, 2017-01-11 Pathological mind games. Covert and overt put-downs. Triangulation. Gaslighting. Projection. These are the manipulative tactics survivors of malignant narcissists are unfortunately all too familiar with. As victims of silent crimes where the perpetrators are rarely held accountable, survivors of narcissistic abuse have lived in a war zone of epic proportions, enduring an abuse cycle of love-bombing and devaluation-psychological violence on steroids. From how to heal our addiction to the narcissist to how to recognize a covert narcissist, Shahida Arabi's articles

on narcissistic abuse have gained renown as some of the most accurate and in-depth depictions of this terrifying trauma, resonating with millions of survivors all over the world and receiving endorsements from numerous mental health professionals. In this essay compilation, readers can enjoy some of her most popular articles as well as new thought pieces on narcissistic abuse: what therapists have to say about malignant narcissists and how children of narcissistic parents can become trapped in the trauma repetition cycle. Survivors are offered new insights on what it means to be both a survivor and a thriver of covert manipulation and trauma. POWER teaches us that it is important to not only understand the tactics of toxic personalities but also to recognize and combat the effects of narcissistic abuse; it guides the survivor to learning, growing, healing and most importantly of all-owning their agency to rebuild their lives and transform their powerlessness into victory.

Hans Christian Andersen's dark original fairy tale is reimagined through a searing feminist lens, with the stunning, scalpel-sharp writing and world building that has won Louise her legions of devoted fans.

Happy Mum, Happy Baby Giovanna Fletcher, 2017-02-23 CONTAINS A BRAND NEW CHAPTER Sunday Times Number One Bestseller Happy Mum Happy Baby is now a Number One podcast. A positive and uplifting book about what it is to be a mother and all things mum and baby by Celebrity Mum of the Year and phenomenally popular vlogger, author, TV presenter and actress Giovanna Fletcher. Being a mum is an incredible journey, a remarkable experience that changes how we look, how we feel, who we are. As mothers we are strong, protective, proud. We feel a love like no other. But being a parent can be hard too. It challenges us physically, mentally, emotionally. There are the days where just managing to fit a shower in amidst the endless feeding, entertaining young children and surviving on a lack of sleep feels like an achievement. With so many people ready to offer 'advice' on the best way to parent, it can feel like you are getting it all wrong. Since Giovanna and her husband Tom Fletcher have had their sons Buzz and Buddy, they have been sharing glimpses of their family life. With an infectious positive outlook and happy take on all things mum-related, Giovanna has developed a following of fellow parents and mums-to-be. This is not a book about how to have the perfect family experience - Gi would be the first to admit she is winging it just as much as the rest of us - instead it is an honest, upbeat and

incredibly personal account of her own experience of having a family. In Happy Mum, Happy Baby Giovanna shares her own journey through parenthood and in doing so, she looks at what it is to be a mother today, encourages you to be confident in yourself as a parent and celebrates how putting a focus on being a happy and confident mum can really make for a happy baby.

Eight Dates John Gottman, Julie Schwartz Gottman, Doug Abrams, Rachel Carlton Abrams, 2019-02-05 Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, *Eight Dates* offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice— the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to

master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

The Guyde Howie Reith, 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the law of attraction. You won't be reading anecdotes telling you about my successes or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn

how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and ghosting. You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Curse of the Good Girl Rachel Simmons, 2009-08-25 Bestselling author of

Odd Girl Out, Rachel Simmons exposes the myth of the Good Girl, freeing girls from its impossible standards and encouraging them to embrace their real selves. In *The Curse of the Good Girl*, bestselling author Rachel Simmons argues that in lionizing the Good Girl we are teaching girls to embrace a version of selfhood that sharply curtails their power and potential. Unerringly nice, polite, modest, and selfless, the Good Girl is a paradigm so narrowly defined that it's unachievable. When girls inevitably fail to live up-experiencing conflicts with peers, making mistakes in the classroom or on the playing field-they are paralyzed by self-criticism, stunting the growth of vital skills and habits. Simmons traces the poisonous impact of Good Girl pressure on development and provides a strategy to reverse the tide. At once expository and prescriptive, *The Curse of the Good Girl* is a call to arms from a new front in female empowerment. Looking to the stories shared by the women and girls who attend her workshops, Simmons shows that Good Girl pressure from parents, teachers, coaches, media, and peers erects a psychological glass ceiling that begins to enforce its confines in girlhood and extends across the female lifespan. The curse of the Good Girl erodes girls' ability to know, express, and manage a complete range of feelings. It expects girls to be selfless, limiting the expression of their needs. It requires modesty, depriving the permission to articulate their strengths and goals. It diminishes assertive body language, quieting voices and weakening handshakes. It touches all areas of girls' lives and follows many into

adulthood, limiting their personal and professional potential. Since the popularization of the Ophelia phenomenon, we have lamented the loss of self-esteem in adolescent girls, recognizing that while the doors of opportunity are open to twenty-first-century American girls, many lack the confidence to walk through them. In *The Curse of the Good Girl*, Simmons provides a catalog of tangible lessons in bolstering the self and silencing the curse of the Good Girl. At the core of Simmons's radical argument is her belief that the most critical freedom we can win for our daughters is the liberty not only to listen to their inner voice but also to act on it.
