Money From Mobiles By an Old Pro D. Rod Lloyd, 2023-01-21 The most comprehensive book on Mobile Homes. This is a nuts and bolts description of how to make money from mobile homes. I have no intention of talking you into this plan by giving brainwashing example after example of the deals. I am also not going to gloss over the pitfalls and problems of the system either. It is not a get-rich-quick scheme, and there is some risk involved. It takes some cash to run the system, and I do not recommend doing it on a shoestring. It takes some time but can be a lot of fun. However, it is possible to make an excellent return on your investment. Today interest rates have almost shriveled up and died. Those who have saved all their lives to secure retirement have a wake-up call from failed speculative investments or almost zero interest rates for safe investments.
