*Project Management for the Unofficial Project Manager* Kory Kogon, 2015 No project management training? No problem! In today's workplace, employees are routinely expected to coordinate and manage projects. Yet, chances are, you aren't formally trained in managing projects—you're an unofficial project manager. FranklinCovey experts Kory Kogon, Suzette Blakemore, and James Wood understand the importance of leadership in project completion and explain that people are crucial in the formula for success. *Project Management for the Unofficial Project Manager* offers practical, real-world insights for effective project management and guides you through the essentials of the people and project management process: Initiate Plan Execute Monitor/Control Close Unofficial project managers in any arena will benefit from the accessible, engaging real-life anecdotes, memorable Project Management Proverbs, and quick reviews at the end of each chapter. If you're struggling to keep your projects organized, this book is for you. If you manage projects without the benefit of a team, this book is also for you. Change the way you think about project management—project manager may not be your official title or necessarily your dream job, but with the right strategies, you can excel.

*Project Management For Dummies* Stanley E. Portny, 2017-09-25 The bestselling 'bible' of project management In today's time-crunched, cost-conscious global business environment, tight project deadlines and stringent expectations are the norm. So how can you juggle all the skills and responsibilities it takes to shine as a project management maven? Updated in a brand-new edition, *Project Management For Dummies* offers everything you need to successfully manage projects from start to finish—without ever dropping the ball. Written by a well-known project management expert, this hands-on guide takes the perplexity out of being a successful PM, laying out all the steps to take your organizational, planning, and execution skills to new heights. Whether it's managing distressed projects, embracing the use of social media to drive efficiency and improve socialization, or resolving conflicts that occur during a project, the soup-to-nuts guidance inside will help you wear your project management hat more prominently—and proudly. Get the latest in industry best practices reflecting PMBOK 6 Motivate any team to gain maximum productivity Execute projects on time and with

maximum efficiency Prepare for the Project Management Professional (PMP) certification exam It's never been easier to execute projects on time, on budget, and with maximum efficiency.

Mastering Project Management Strategy and Processes Randal Wilson,2015 Mastering Project Management Strategy and Processes gives managers powerful insights and tools for structuring and managing any project based on business strategy and how that project will be used. Starting with project objectives, it demonstrates how to establish processes that optimally group actions at each stage of the project lifecycle - thereby maximizing the likelihood of success. This book is part of a new series of six cutting-edge project management guides for both working practitioners and students. Like all books in this series, it offers deep practical insight into the successful design, management, and control of complex modern projects. Using real case studies and proven applications, expert authors show how multiple functions and disciplines can and must be integrated to achieve a successful outcome. Individually, these books focus on realistic, actionable solutions, not theory. Together, they provide comprehensive guidance for working project managers at all levels, as well as indispensable knowledge for anyone pursuing professional certification or other accreditation in the field.

*Project Management for the Unofficial Project Manager (Updated and Revised Edition)* Kory Kogon,Suzette Blakemore,2024-01-16 No project management training? No problem! In today's workplace, employees are routinely expected to coordinate and manage projects. Yet, chances are, you aren't formally trained in managing projects—you're an unofficial project manager. FranklinCovey experts Kory Kogon and Suzette Blakemore understand the importance of leadership in project completion and explain that people are crucial in the formula for success. This updated and revised edition of Project Management for the Unofficial Project Manager offers practical, real-world insights for effective project management and guides you through the essentials of the value, people, and project management process: Scope Plan Engage Track and Adapt Close If you're struggling to ensure multiple projects are finished with high value and on time, this book is for you. If you manage projects without the benefit of a team, this book is also for you. Change the way you think about project management—project manager may not be your official title, but with the right strategies, you can excel in this project economy.

The Little Black Book of Project Management Michael Thomsett,2009-10-01 The revised and updated third edition of this book reflects the newest techniques, the latest project management software, as well as the most recent changes to the Project Management Body of Knowledge (PMBOK™). For nearly twenty years, The Little Black Book of Project Management has provided businesspeople everywhere with a quick and effective introduction to project management tools and methodology. You will find invaluable strategies for: organizing any project; implementing the Six Sigma approach; choosing the project team; preparing a budget and sticking to it; scheduling, flowcharting, and controlling a project; preparing project documentation; managing communications; and much more. Project management has increasingly become about getting more and better results with fewer resources. In this fast-read solution for both seasoned and first-time project managers, author Michael C. Thomsett shares his not-so-little secrets to achieving the results professionals want, increasing their organizational ability, generating consistent profit, and gaining a reputation for both quality and dependability.

**Getting It Done** Project Management Institute,2016-05-01 If you work hard to "Get It Done," this book is for you. In this collection of articles from the Project Management Institute's award-winning PM Network® magazine, practitioners from around the world share how they get things done—and how they take their careers to where they want to go. Their advice does not just center on the technical aspects of project management. The articles also cover leadership issues as well as strategic and business management—all three legs of the PMI Talent Triangle™, a symbol for what employers are looking for when hiring project management talent. Within this book you will find inspiring stories that vividly demonstrate the value of your profession. If you are considering project management as a career, the close-up looks at the types of challenges project managers face every day will

give you new perspectives.

*Building Project-Management Centers of Excellence* Dennis Bolles, 2002-09-06 It's been shown again and again that business components from R & D to systems, engineering to manufacturing can benefit from a project-centered management approach. Now, organizations that have had success at the departmental or divisional level are taking the project management approach to new levels, adopting PM standards into across-the-board management philosophies and business strategies. This new model is known as the Project Management Center of Excellence. PMCoEs need every group within the organization to work under the PM model, but more important, they need the proper tools to implement PM standards in new areas. A crucial tool in developing project management objectives across the company, this book covers: \* Positioning project management as a business strategy \* Creating and managing an organizational PM portfolio \* Education, training, and internal PM certification programs \* Classifying projects, benchmarking, and mapping a methodology

**Project Management Essentials** Kathryn N. Wells, Timothy Kloppenborg, 2015-08-25 Project management is seen as a critical skill across a broad range of disciplines. Yet most people, regardless of educational background, have never received training in how to plan, manage, and execute projects. Project Management Essentials contains tried and true project management skills in a concise, up to date, user-friendly format. It follows the project lifecycle and provides several ready-to-use templates. A person can use this book to plan and manage a project from start to finish or as a reference for help with one particular component of project management. Alongside each template, is a brief description of what each template is, why it is useful, and an example to illustrate it.

## **Project Management By Wagmob Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Project Management By Wagmob has revolutionized the way we consume written

content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Project Management By Wagmob has opened up a world of possibilities. Downloading Project Management By Wagmob provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Project Management By Wagmob has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Project Management By Wagmob. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any

charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Project Management By Wagmob. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Project Management By Wagmob, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Project Management By Wagmob has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
