Paisley: I never thought I needed a bodyguard, But when Tyler snuck into my bedroom in the middle of the night, he sure as hell changed my mind. Six foot three of endless muscle and a burning case of writer's block, I just found my favorite new distraction. Tyler: Paisley Abbott, country singer and international star, She's sweet like sugar and pure as untouched snow. I gained her trust, conned my way into her home, And now her bed. She doesn't know I made a sordid tape of us together, And yes—I made sure to get us from every. single. angle. She doesn't know I plan to sell her out and expose her to millions. I sure as hell didn't plan to fall for her for real. Now there's no way we're getting out of this without one of us getting hurt.

Protect Me Melissa Townsend,2016-07-17 On the off chance that you're lucky enough to meet one of the few extraordinary people on this Earth, be prepared, so you can take full advantage of the opportunity. Nat was lucky enough to meet one of those people. It was a complete accident that he happened to find her, or so she thought. It didn't take her long to realize that Shiloh was different than most. Not different in the kind of way high school girls say their current bad-boy crush is, Shiloh really was different. He could do things and feel things. Things that only a handful of people were capable of. He was a Protector. Shiloh knew Nat was special from the first time he saw her, but getting involved with someone in his line of work wasn't practical. Besides, he already had his hands full with his younger sister, Macie. But, what's a guy supposed to do when the first girl that's managed to get his attention sleeps on a park bench every night? Even if she wasn't beautiful and innocent, even if he didn't want to look out for her, it was ingrained in his body and mind since birth. He had to protect her.

*Protect Me, Cowboy* Shelli Stevens, 2016-09-15 With his competing days behind him, Wyatt Marshall has settled into ranching life in Marietta, Montana. But with the Copper Mountain Rodeo, his only exception, just around the corner, the last thing he needs is a distraction – especially one in the form of a pretty, yet vaguely familiar country singer. For Claire Miller, it's been almost a year since she fled Las Vegas with only her purse and the clothes on her back, and she's been laying low in Montana with a new image. When she and her country band travel to perform in the small town of Marietta, she doesn't plan on getting stranded there for several days. Or for an innocent offer to stay at a nearby ranch to turn out to be more than she bargained for: she recognizes its owner to be the same sexy cowboy she got hot and heavy with – then stood up – in Vegas. With the passion flaring between them and Wyatt getting closer to putting the pieces together, Claire is ready to run again, not knowing the danger that sent her fleeing in the first place is close on her heels.

**Protect Me** Danai Janelle, 2020-03-13 Danielle Baker is hanging off the edge of a mountain, completely losing control of her life. Or at least that's how she feels. God Made All of Me Justin S. Holcomb, Lindsey A. Holcomb, 2015-08-21 This simply told, beautifully illustrated story from the authors of *Rid of My Disgrace* and *Is It My Fault?* helps two- to eight-year-olds understand why their bodies matter and distinguish between appropriate and inappropriate touch. *God Made All of Me* gently opens a conversation that every family needs to have.

*Protect Me* Katie Cross, 2022-07-18 Katelyn There are three rules I implemented five years ago that govern my safety around men. 1. Never alone. 2. Never stranded. 3. Never unaware. In those five years, I've never broken those rules. Not once. Because I will not be a fool again. Then I do break those rules—willingly—to help the older brother of my best friend, Vikram. Vikram is trouble. Has always been trouble. Charming, a little arrogant, and flighty as a bird when it comes to women. I spent half my childhood adoring him, half crying over him. Yet he's always had my heart. Six years after last seeing him is no exception. Vikram My parents say I'm a mess. I agree. When a knee surgery goes wrong, things get ugly. What kind of woman would ever want to stay by my side when I can barely cope with the day-to-day of recovery? None of them. Which is why I've never tried. There's only one person at my side when I need her the most: Katelyn Saucony. The last woman I ever expected to see there. Maybe the one that I've always wanted there. She has secrets to hide, and when those secrets come back to life and threaten her safety, I'm forced to reckon with my own ghosts. For her, I finally find someone worth fighting for. *Protect Me* is a clean, contemporary romance (but not religious) with a little sizzle and spice and a guaranteed happily-ever-after. It's the eighth book in the *Coffee Shop Series*. This book can be read as a standalone, but maximum enjoyment comes from reading the series from the beginning.

God's Protection Covers Me Amy Houts, 2022-06-07 This lively picture book follows a young boy around a farm as he observes different animals and compares their protective shelters to God's protection. The rhyming text is accompanied by bold, playful illustrations that tell their own story of God's protection as a rain storm causes the boy to seek shelter of his own. A charming book for young children that demonstrates God's constant care.
