Christian Psalms for Worship and Prayer Christopher L. Webber,2019-05-16 The familiar biblical psalms are a basic and irreplaceable part of Christian worship but they come from an age so distant from ours that a few are no longer usable and none reflect the experience of Christians over the centuries. Christians have, of course, written hymns, but most of the ones we use come from the last two hundred years and few have the meditative quality of the biblical psalms. In Christian Psalms, Christopher L. Webber has constructed psalms from the writings of the greatest teachers and witnesses in Christian history: Saint Augustine, Julian of Norwich, Dorothy Day, Oscar Romero, and many more. Recommended for private prayer and meditation as well as congregational use in worship.

Psalms for All Seasons Martin Tel,Joyce Borger,John D. Witvliet,2012-06 This indispensable volume is the most comprehensive resource on the Psalms for use in Christian worship ever published. It offers a single-volume anthology of psalm use, covering the history, reception, and practice of the Psalms in Christian worship. The book contains all 150 psalms, most in multiple formats, and utilizes a wide variety of musical and spoken settings. It also provides complete musical settings for morning and evening prayer. Each psalm appears in its actual biblical text, including as responsive readings. This invaluable resource for churches of all traditions is well suited to congregational use, helping pastors, worship leaders and planners, and choirs bring the Psalms back into the heart of congregational worship.

And I Will Praise Him Ronald Barclay Allen,1999-02-01 Examines the origin of the Psalms, the language they use, the comfort they bring, and the faith they inspire. Includes interactive study questions for each chapter.
