Messages from the Other Side Joseph Tittel,2007-07-30 This remarkable true story takes the reader on a journey through the psychic experiences of psychic medium Joseph Tittel. In a brief diary of his life, Joseph discusses his early experiences with seeing spirits as a young child. He explains how he first realized that he had a gift and how he learned to use it to heal many peoples' lives. Helping to bring closure and validation to hundreds of clients over the years, Joseph shares some of his most intense experiences and messages from those who have passed. He explains how these messages have helped bring healing in a time of grief and a more fulfilled sense of living for those left behind to deal with their loss of a loved one. Joseph helps to empower readers to develop their own psychic abilities so that they may understand the signs they receive from those who have passed—signs that you could be experiencing from the other side every day without even knowing it.

Messages from Thomas James F. Twyman,2003 In 2001, James Twyman travelled to Bulgaria to meet a group of psychic children living at a very special monastery. His book *Emissary of Love: The Psychic Children Speak to the World* recounts this adventure. In this follow-up volume, Thomas, one of the children he met, shares his insights on how to raise a child that exhibits psychic abilities. Over 40,000 people receive regular messages from Thomas through a special Web newsletter, but this is the first time he has provided such detailed information. Other well known authors and teachers have contributed to this special book, adding their insights on how to help our children change the world.

Messages from the Afterlife Mark Ireland,2013-12-10 A father watches his teenage son step out the door on a hiking trip, not knowing that this is the last time he would see him.... A journal of grief, despair, and ultimately, hope, this book tells the story of every parent's nightmare--the sudden death of a child--and a father's search for meaning in a seemingly random world of psychics and skeptics. Expanding on territory covered in his 2008 memoir of his son's death *Soul Shift*, *Messages from the Afterlife* is both an account of Ireland's journey from indifference to belief and an overview of the resources available to the bereaved to help them receive messages from the afterlife. Mark Ireland, son of celebrated psychic to the stars Dr. Richard Ireland, was a successful marketing executive in Arizona with little interest in his father's colorful history. While his father held readings for Mae West and traveled the U.S. demonstrating his parapsychological powers, Mark Ireland took a more conventional route through life. But when his own teenage son Brandon suddenly dies while hiking in the mountains with friends, Ireland is forced to confront his resistance to all things spiritual and begins to explore the possibility that communication with the dead is real. In his search for conclusive evidence of life after death, he plunges into his father's world and meets an array of respected psychic-mediums who deliver unexpected messages not only from his son in the afterlife but also from many other souls seeking to communicate with the living. Fighting to retain a sense of critical thinking, Ireland also contacts scientists conducting research into the survival of consciousness after death. The book features detailed accounts of tests and experiments that various people have conducted to obtain proof of consciousness survival, including Ireland's own, involving a secret message left behind by his sister, Robin, who died of pancreatic cancer. The contents of this message were unknown to any living person and remained sealed in an envelope--untouched--until responses had been received from a group of qualified mediums who sought to crack the code. *Messages from the Afterlife* shows how spirit communication can be both undeniably accurate and frustratingly ambiguous, and above all demonstrates the value of having an open, receptive mind while maintaining faith in the indestructibility of the human spirit.

Angels Are Talking Michelle Whitedove,2002-06 TV talk show host and popular psychic Michelle Whitedove offers rare insight on authentic spirit communication as she relays messages from the heavens.

Psychic Awareness Lynn A. Robinson,LaVonne Carlson-Finnerty,Katherine A. Gleason,2004 An updated and revised look at the ways in which readers can develop their psychic abilities, from turning to ESP and building telepathic powers to trusting their intuition and using creative visualisations to promote healing. Ethics of a Psychic Reading Suzanne Newnham, 2012-07-11 Based on her personal experiences and observations of energy and psychic phenomena and the manner in which they are delivered, psychic Suzanne Newnham offers this guide designed to help people expand their understanding of the world related to psychic and energetic phenomena. Organised into three easy-to-follow sections, Ethics of a Psychic Reading will help both amateur and professional messengers build their knowledge base. The first section clarifies terminology used when speaking about the psychic world, including terms used to describe the various types and styles of psychic connection, tools used for psychic readings and healing, and techniques utilising psychic communication. The second section looks at

style and the delivery of readings. The third section addresses other aspects that are important when looking at the complexities and the ethics of a psychic reading. This guide, presented from a psychic’s perspective, seeks to make the most of giving paranormal messages and understanding possible ways a client might receive those messages. A summary is included at the end of most chapters to offer concise points for study and to facilitate discussion. Ethics of a Psychic Reading is also designed to elicit questions that will encourage readers to develop their own awareness based on responses and to be mindful of some of the truths and inaccuracies that surround an esoteric subject.
