

# Public Radio Podcast

Hilma Wolitzer

**The Hidden Brain** Shankar Vedantam,2010-08-31 The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we’re never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

**NPR's Podcast Start Up Guide** Glen Weldon,2021-06-29 From NPR comes the definitive guide to podcasting—featuring step-by-step advice on how to find a unique topic, tell the best stories, and engage the most listeners, as well as the secrets that will take your pod to the next level. Whoever you are, whatever you love, there’s a podcast audience waiting for you, and in today’s booming audio storytelling landscape, it’s never been easier to share your voice with the world. But while the barrier to entry for podcast production is relatively low (just the cost of a mic and a laptop), the learning curve is steep—and quality matters. That’s where NPR comes in. In NPR’s Podcast Start Up Guide, Glen Weldon draws on NPR’s extensive educational materials and army of talent—from recognizable hosts, such as Guy Raz (How I Built This), Gene Demby (Code Switch), Linda Holmes (Pop Culture Happy Hour), and Yowei Shaw (Invisibilia), to indispensable behind-the-scenes players, such as producers, engineers, and editors—to guide aspiring podcasters through the conception, creation, and launch of a podcast. Part master class, part candid informational interview with the best in the business, this book is a must-read for anyone who wants to make their dream of starting a podcast a reality.

**Machete** Tomás Q. Morín,2021-10-12 This fresh voice in American poetry wields lyric pleasure and well-honed insight against a cruel century that would kill us with a thousand cuts. Morín's writing uses the mundane details of everyday life...as a jumping-off point for creating fascinating and philosophical worlds. —LitHub Dios aprieta, pero no ahorca (God squeezes, but He doesn't strangle)--the epigraph of Machete--sets the stage for a powerful poet who summons a variety of ways to endure life when there's an invisible hand at your throat. Tomás Morín hails from the coastal plains of Texas, and explores a world where identity and place shift like that ever-changing shore. In these poems, culture crashes like waves and leaves behind Billie Holiday and the CIA, disco balls and Dante, the Bible and Jerry Maguire. They are long, lean, and dazzle in their telling: Whiteface is a list of instructions for people stopped by the police; Duct Tape lauds our domestic life from the point of view of the tape itself. One part Groucho Marx, one part Job, Morín considers our obsession with suffering--the pain in which we trust--and finds that the best answer to our predicament is sometimes anger, sometimes laughter, but always via the keen line between them that may be the sharpest weapon we have.

**A Way to Garden** Margaret Roach,2019-04-30 “A Way to Garden prods us toward that ineffable place where we feel we belong; it’s a guide to living both in and out of the garden.” —The New York Times Book Review For Margaret Roach, gardening is more than a hobby, it’s a calling. Her unique approach, which she calls “horticultural how-to and woo-woo,” is a blend of vital information you need to memorize and intuitive steps you must simply feel and surrender to. In A Way to Garden, Roach imparts decades of garden wisdom on seasonal gardening, ornamental plants, vegetable gardening, design, gardening for wildlife, organic practices, and much more. She also challenges gardeners to think beyond their garden borders and to consider the ways gardening can enrich the world. Brimming with beautiful photographs of Roach’s own garden, A Way to Garden is practical, inspiring, and a must-have for every passionate gardener.

**Sound Reporting** Jonathan Kern,2012-07-09 From an NPR veteran, a “comprehensive and lucid” guide to “the values and practices that yield stellar audio journalism” (Booklist). Maybe you’re thinking about starting a podcast, and want some tips from the pros. Or perhaps storytelling has always been a passion of yours, and you want to learn to do it more effectively. Whatever the case—whether you’re an avid NPR listener or you aspire to create your own audio, or both—Sound Reporting: The NPR Guide to Audio Journalism and Production will give you a rare tour of the world of a professional broadcaster. Jonathan Kern, a former executive producer of All Things Considered who has trained NPR’s on-air staff for years, is a gifted guide, able to narrate a day in the life of a host and lay out the nuts and bolts of production with both wit and warmth. Along the way, he explains the importance of writing the way you speak, reveals how NPR books guests ranging from world leaders to neighborhood newsmakers, and gives sage advice on everything from proposing stories to editors to maintaining balance and objectivity. Best of all—because NPR wouldn’t be NPR without its array of distinctive voices—lively examples from popular shows and colorful anecdotes from favorite personalities animate each chapter. As public radio’s audience of millions can attest, NPR’s unique guiding principles and technical expertise combine to connect with listeners like no other medium can. With today’s technologies allowing more people to turn their home computers into broadcast studios, Sound Reporting is a valuable guide that reveals the secrets behind NPR’s success.

**The Everybody Ensemble** Amy Leach,2021-11-16 In short, gloriously inventive essays, Whiting Award-winning author Amy Leach's The Everybody Ensemble invites us to see and celebrate our oddball, interconnected world Humans, please turn your guns into kazoos. Are you feeling dismay, despair, disillusion? Need a break from the ho-hum, the hopeless, and the hurtful? Feel certain that there’s a version of our world that doesn’t break down into tiny categories of alliance but brings everybody together into one clattering, sometimes discordant but always welcoming chorus of glorious pandemonium? Amy Leach, the celebrated author of the transcendent Things That Are, invites you into The Everybody Ensemble, an effervescent tonic of a book. These short, wildly inventive essays are filled with praise songs, poetry, ingenious critique, soul-lifting philosophy, music theory, and whimsical but scientific trips into nature. Here, you will meet platypuses, Tycho Brahe and his moose, barnacle goslings, medieval mystics, photosynthetic bacteria, and a wholly fresh representation of the biblical Job. Equal parts call to reason and to joy, this book is an irrepressible celebration of our oddball, interconnected world. The Everybody Ensemble delivers unexpected wisdom and a wake-up call that sounds from within. For readers of Ross Gay, Eula Biss, Anne Lamott, Annie Dillard, Ralph Waldo Emerson, and even Lewis Carroll, these twenty-four essays will be a perfect match.

**A Prairie Home Companion** Garrison Keillor,2006-05-18 The screenplay of iconic radio host Garrison Keillor’s Robert Altman-directed major motion picture, A Prairie

Home Companion, starring Meryl Streep and Lily Tomlin. The day of reckoning has come to the Fitzgerald Theater in St. Paul, home of A Prairie Home Companion. The show is closing, the theater is going dark. Station WLT has been sold to a broadcast conglomerate in Texas. The wrecking ball is poised to swing as the regulars—the Johnson Girls, Yolanda and Rhonda, and the singing cowboys, Dusty and Lefty, crooner Chuck Akers, and announcer Garrison Keillor—arrive for the last broadcast in a state of disbelief. But when the Dangerous Woman appears with her Botticellian hair and dazzling white trench coat, the final curtain catches them all by surprise. • Features a foreword by director Robert Altman and an introduction by Garrison Keillor • Contains an eight-page insert of photos from the movie set

*The Undercover Economist* Tim Harford, 2012 Harford ranges from Africa, Asia, Europe, and of course the United States to reveal how supermarkets, airlines, health care providers, and coffee chains—to name just a few—are vacuuming money from our wallets.

**Under the Wide and Starry Sky** Nancy Horan, 2014-01-21 NEW YORK TIMES BESTSELLER • TODAY SHOW BOOK CLUB PICK • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST. LOUIS POST-DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much-anticipated second novel, which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife, Fanny. At the age of thirty-five, Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium—with her three children and nanny in tow—to study art. It is a chance for this adventurous woman to start over, to make a better life for all of them, and to pursue her own desires. Not long after her arrival, however, tragedy strikes, and Fanny and her children repair to a quiet artists' colony in France where she can recuperate. Emerging from a deep sorrow, she meets a lively Scot, Robert Louis Stevenson, ten years her junior, who falls instantly in love with the earthy, independent, and opinionated “belle Americaine.” Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing—and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr. Jekyll and Mr. Hyde*. In time, though, she succumbs to Stevenson's charms, and the two begin a fierce love affair—marked by intense joy and harrowing darkness—that spans the decades and the globe. The shared life of these two strong-willed individuals unfolds into an adventure as impassioned and unpredictable as any of Stevenson's own unforgettable tales. Praise for *Under the Wide and Starry Sky* “A richly imagined [novel] of love, laughter, pain and sacrifice . . . Under the Wide and Starry Sky is a dual portrait, with Louis and Fanny sharing the limelight in the best spirit of teamwork—a romantic partnership.”—USA Today “Powerful . . . flawless . . . a perfect example of what a man and a woman will do for love, and what they can accomplish when it's meant to be.”—Fort Worth Star-Telegram “Horan's prose is gorgeous enough to keep a reader transfixed, even if the story itself weren't so compelling. I kept re-reading passages just to savor the exquisite wordplay. . . . Few writers are as masterful as she is at blending carefully researched history with the novelist's art.”—The Dallas Morning News “A classic artistic bildungsroman and a retort to the genre, a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance.”—The New York Times Book Review

THE PEOPLE S PHARMACY Joe Graedon, 1980

**Susan, Linda, Nina & Cokie** Lisa Napoli, 2021-04-13 A group biography of four beloved women who fought sexism, covered decades of American news, and whose voices defined NPR In the years after the Civil Rights Act of 1964, women in the workplace still found themselves relegated to secretarial positions or locked out of jobs entirely. This was especially true in the news business, a backwater of male chauvinism where a woman might be lucky to get a foothold on the “women's pages.” But when a pioneering nonprofit called National Public Radio came along in the 1970s, and the door to serious journalism opened a crack, four remarkable women came along and blew it off the hinges. Susan, Linda, Nina, and Cokie is journalist Lisa Napoli's captivating account of these four women, their deep and enduring friendships, and the trail they blazed to becoming icons. They had radically different stories. Cokie Roberts was born into a political dynasty, roamed the halls of Congress as a child, and felt a tug toward public service. Susan Stamberg, who had lived in India with her husband who worked for the State Department, was the first woman to anchor a nightly news program and pressed for accommodations to balance work and home life. Linda Wertheimer, the daughter of shopkeepers in New Mexico, fought her way to a scholarship and a spot on-air. And Nina Totenberg, the network's legal affairs correspondent, invented a new way to cover the Supreme Court. Based on extensive interviews and calling on the author's deep connections in news and public radio, Susan, Linda, Nina, and Cokie will be as beguiling and sharp as its formidable subjects.

My Book of the Dead Ana Castillo, 2021-09-01 For more than thirty years, Ana Castillo has been mesmerizing and inspiring readers from all over the world with her passionate and fiery poetry and prose. Now the original Xicanista is back to her first literary love, poetry, and to interrogating the social and political upheaval the world has seen over the last decade. Angry and sad, playful and wise, Castillo delves into the bitter side of our world—the environmental crisis, COVID-19, ongoing systemic racism and violence, children in detention camps, and the Trump presidency—and emerges stronger from exploring these troubling affairs of today. Drawings by Castillo created over the past five years are featured throughout the collection and further showcase her connection to her work as both a writer and a visual artist. *My Book of the Dead* is a remarkable collection that features a poet at the height of her craft.

*Listen Wise* Monica Brady-Myerov, 2021-04-20 Discover how to engage your students effectively by strengthening their listening skills In *Listen Wise: Teach Students to Be Better Listeners*, journalist, entrepreneur, and author Monica Brady-Myerov delivers a concise and thoughtful treatment of how to build powerful listening skills in K-12 students. You'll discover real-world examples and modern, research-based advice about helping young people improve their listening abilities and their overall academic performance. With personal anecdotes from the accomplished author and accessible excerpts from the latest neuroscience of listening and auditory learning, the book is a critical resource that will explain why listening is the missing piece of the literacy puzzle. This important book will show you: Classroom stories and teacher viewpoints that highlight effective strategies to teach critical listening Why building listening skills in students is crucial to improving reading, especially for English learners. Why the Lexile Framework for Listening is contributing to a surging recognition of the importance of listening in the academic curriculum Perfect for K-12 teachers looking for new ways to understand their students and how they learn, *Listen Wise* will also earn a place in the libraries of college and master's level students in education.

*Speaking of Faith* Krista Tippett, 2008-01-29 A thought-provoking, original appraisal of the meaning of religion by the host of public radio's *On Being* Krista

Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life-and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

Wow in the World Guy Raz,Mindy Thomas,2021-03-02 HY in the world do I have a belly button? And WHAT in the world does it do? WHEN in the world will my nose stop growing? And HOW in the world does my pee keep flowing? The human body is a fascinating piece of machinery. It's full of mystery, wonder and WOW. And it turns out, every single human on the planet has one! Join Mindy Thomas and Guy Raz, hosts of the mega-popular Wow in the World podcast, as they take you on a fact-filled adventure from your toes and your tongue to your brain and your lungs. Featuring hilarious illustrations and filled with facts, jokes, photos, quizzes and experiments, The How and Wow of the Human Body has everything you need to better understand your own walking, talking, barfing, breathing, pooping body of WOW!

**Today a Woman Went Mad in the Supermarket** Hilma Wolitzer,2021-08-31 An NPR Best Book of the Year \* A New York Times Book Review Editors' Choice \* An Electric Literature Best Short Story Collection of the Year \* Finalist for the Chautauqua Prize The often hilarious and always compassionate (New York Times Book Review) collected stories of a critically acclaimed, award-winning "American literary treasure" (Boston Globe), now in paperback-with a foreword by Elizabeth Strout. From her many well-loved novels, Hilma Wolitzer-now ninety-one years old and at the top of her game-has gained a reputation as one of our best fiction writers, who "raises ordinary people and everyday occurrences to a new height." (Washington Post) These collected short stories-most of them originally published in magazines including Esquire and the Saturday Evening Post, in the 1960s and 1970s, along with a new story that brings her early characters into the present-are evocative of an era that still resonates deeply today. In the title story, a bystander tries to soothe a woman who seems to have cracked under the pressures of her life. And in several linked stories throughout, the relationship between the narrator and her husband unfolds in telling and often hilarious vignettes. Of their time and yet timeless, Wolitzer's stories zero in on the domestic sphere with wit, candor, grace, and an acutely observant eye. Brilliantly capturing the tensions and contradictions of daily life, Today a Woman Went Mad in the Supermarket is full of heart and insight, providing a lens into a world that was often unseen at the time, and often overlooked now-reintroducing a beloved writer to be embraced by a whole new generation of readers.

*You're Saying It Wrong* Ross Petras,Kathryn Petras,2016-09-13 For word nerds and grammar geeks, a witty guide to the most commonly mispronounced words, along with their correct pronunciations and pithy forays into their fascinating etymologies and histories of use and misuse. With wit and good humor, this handy little book not only saves us from sticky linguistic situations but also provides fascinating cocktail-party-ready anecdotes. Entries reveal how to pronounce boatswain like an old salt on the deck of a ship, trompe l'oeil like a bona fide art expert, and haricot vert like a foodie, while arming us with the knowledge of why certain words are correctly pronounced the slangy way (they came about before dictionaries), what stalks of grain have to do with pronunciation, and more. With bonus sidebars like How to Sound like a Seasoned Traveler and How to Sound Cultured, readers will be able to speak about foreign foods and places, fashion, philosophy, and literature with authority.

*New Sounds* John Schaefer,1987 All kinds of modern music from minimalism to electronic jazz are described and discographies of each are provided.

**The Blues of Heaven** Barbara Ras,2021-03-09 In The Blues of Heaven, Barbara Ras delivers her characteristic subjects with new daring that both rattles and beguiles. Here are poems of grief over her brother's death; doors to an idiosyncratic working-class childhood among Polish immigrants; laments for nature and politics out of kilter. Ras portrays the climate crisis, guns out of control, the reckless injustice and ignorance of the United States government. At the same time, her poems nimbly focus on particulars--these facts, these consequences--bringing the wreckage of unfathomable harm home with immediacy and integrity. Though her subjects may be dire, Ras also weaves her wise humor throughout, moving deftly from sardonic to whimsical to create an expansive, ardent, and memorable book.

A History of Modern Tourism Eric Zuelow,2015-10-26 Tourism is one of the largest industries in the world, yet leisure travel is more than just economically important. It plays a vital role in defining who we are by helping to place us in space and time. In so doing, it has aesthetic, medical, political, cultural, and social implications. However, it hasn't always been so. Tourism as we know it is a surprisingly modern thing, both a product of modernity and a force helping to shape it. A History of Modern Tourism is the first book to track the origins and evolution of this pursuit from earliest times to the present. From a new understanding of aesthetics to scientific change, from the invention of steam power to the creation of aircraft, from an elite form of education to family car trips to see national 'shrines,' this book offers a sweeping and engaging overview of a fascinating story not yet widely known.

## Public Radio Podcast Introduction

In the digital age, access to information has become easier than ever before. The ability to download Public Radio Podcast has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Public Radio Podcast has opened up a world of possibilities. Downloading Public Radio Podcast provides numerous advantages over

physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Public Radio Podcast has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Public Radio Podcast. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Public Radio Podcast. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Public Radio Podcast, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Public Radio Podcast has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Public Radio Podcast Books

**What is a Public Radio Podcast PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Public Radio Podcast PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Public Radio Podcast PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some

free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Public Radio Podcast PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Public Radio Podcast PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
