My Brothers' Keeper Gloria Reuben, 2019-11-19 The death of a sibling is unlike any other. Gloria Reuben's little brother died just before his twenty-second birthday. Two decades later, her oldest brother Denis died two weeks short of his sixtieth birthday. Just as Gloria felt like she was finally healing from David's death, the shock of Denis' unexpected death was almost too much to take. In *My Brothers' Keeper*, Gloria bares her soul as she reveals the intimate details of her life at home as a young girl. How the death of her father when she was twelve shaped her view of love and life. How David's death was the impetus for her move from Canada to the United States. And how her brother Denis was her heart's twin in a multitude of ways. Gloria, most well known as an actress, debuts her talent as a writer in *My Brothers' Keeper*, an intimate and honest tribute to David and Denis. Their lives. Their deaths. And the hope that awaits. "Gloria has written a truly wonderful and inspirational tribute to her brothers and to life. Helpful to all of us who have suffered losses."—Pete Earley

Wine, Women & Wealth Denise Arand, 2019-10-25 Imagine how great life would be if you knew the money rules ahead of time and the tools you could use to create great financial success. This book breaks the long-standing taboo that it's "not polite" to talk about money... right up there with politics, sex and religion. Which means that money is not talked about at cocktail parties, it's not talked about around the dinner table, it's not talked about in the classroom - or anywhere else for that matter! ...Until now. Years ago, working as a financial professional I realized that many women had little-to-no education about personal finance. That, coupled with the fact that almost all women will have total control over their money at some point in their lives, yet most feel completely unprepared for that, set me on a mission to educate and empower women regarding their finances. This book creates a place of inspiration and reference for all women who want more success in their relationship with money.

She of the Mountains Vivek Shraya, 2014-09-22 Finalist, Lambda Literary Award In the beginning, there is no he. There is no she. Two cells make up one cell. This is the mathematics behind creation. One plus one makes one. Life begets life. We are the period to a sentence, the effect to a cause, always belonging to someone. We are never our own. This is why we are so lonely. *She of the Mountains* is a beautifully rendered illustrated novel by Vivek Shraya, the author of the Lambda Literary Award finalist *God Loves Hair*. Shraya weaves a passionate, contemporary love story between a man and his body, with a re-imagining of Hindu mythology. Both narratives explore the complexities of embodiment and the damaging effects that policing gender and sexuality can have on the human heart. Illustrations are by Raymond Biesinger, whose work has appeared in such publications as *The New Yorker* and the *New York Times*. Vivek Shraya is a multimedia artist, working in the mediums of music, performance, literature, and film. His most recent film, *What I LOVE about Being QUEER*, has been expanded to include an online project and book with contributions from around the world. He is also author of *God Loves Hair*.

Conspirator RV Raman, 2018-03-24 A YOUNG REPORTER dies a dramatic death. A VETERAN JOURNALIST investigating paid news is murdered in his hotel room. A BUSINESS TYCOON tries to seize control of a large media group. In the midst of a private party hosted by a media mogul in Coorg, murder strikes, sending shockwaves through its influential guests. When Inspector Dhruvi Kishore arrives at the scene, she finds, to her consternation, that some of her suspects ? prominent politicians, businessmen, a blackmailer and a purveyor of fake news ? have fled. Fighting against forces trying to shut down her investigation, Dhruvi struggles to weed out the truth from a web of well-constructed lies before time runs out. Revealing a world where ethics are scarce and lucre is abundant, *Conspirator* weaves a thrilling tale about how the people who uncover others' secrets often have the most to hide.

she wanted him bad. On the heels of college graduation and the unexpected death of her mother, Emily Cooper moves to New York City to join her boyfriend for a fresh start. Dillon Parker has been sweet, thoughtful, and generous through Emily's loss, and she can't imagine her life without him—even as her inner voice tells her to go slow. Then she meets Gavin Blake. A rich and notorious playboy, Gavin is dangerously sexy and charming as hell. Their first encounter is brief, but it's enough to inflame Emily's senses. When their paths cross again through an unexpected mutual acquaintance, she tries to deny the connection she feels, but Mr. Tall, Dark, and Handsome won't let go so easily. As she discovers Gavin's pain-filled past and Dillon's true nature begins to surface, Emily knows she must take action or risk destroying everyone—including herself. But how can she choose when she can't trust her own heart?

Game Show Confidential Boze Hadleigh, 2023-05-01 Game and quiz shows first started appearing on radio broadcasts in the 1930s, led by the CBS network's Professor Quiz, hosted by a man who was neither a professor nor even a college graduate, the first of several frauds that seemed to be endemic to the genre. Professor Quiz was followed by other such game shows as Uncle Jim's Question Bee and Ask It Basket, which in turn spawned successful box games for at-home play. The show Truth or Consequences made the transition from radio to television in the late 1940s and was so popular that a town in New Mexico was named for the show. Television proved to be the perfect platform for game shows since they were very popular and cheap to produce. Even in reruns today, the older shows still draw huge audiences. This book describes the evolution of the game show, its larger-than-life producers and hosts, as well as the scandals that have rocked it from time to time, including bloopers from such "adult" oriented shows as The Dating Game, The Newlywed Game, and Hollywood Squares. This is an entertaining and lively look at an American phenomenon whose popularity doesn't seem to be going away.
