Dog Lessons Hersch Wilson,2023-09-05 “The world is a very narrow bridge. Cross it with a dog.” “When in doubt, walk your dog” is the first of many valuable maxims in Dog Lessons, a heartfelt reflection on what dogs can teach us when we open ourselves to listen and learn. After sixty-plus years living and working with dogs, Hersch Wilson shares self-deprecating stories and lighthearted musings on a life filled with fur-covered furniture, unexplained messes, and destroyed property. The resulting compendium of dog wisdom – from universal values like loyalty and curiosity to practical lessons on napping, playing, and avoiding a serious fight – is not only poignant but eminently good advice.

Love Trauma Ruby Scott,2020-09-08 Prepare for some heart-stopping moments as my best-selling lesbian romance series continues. What happens when a connection comes along that makes you question who you are? A sexual awakening? Tara Hunter is a passionate, headstrong doctor, heading up the ER at the prestigious City General Hospital. She is also a divorcee, about to turn fifty and whose only passion in life comes from your work. And then Gabriella Ellis (Gabby) rides into her department. Gabby is a confident, outgoing, out and proud lesbian with a sharp wit, and a heavy amount of sarcasm. Playing by the rules isn’t Gabby’s forte; something which can land her in hot water, but she is talented, compassionate. When the charitable medical programme, offering emergency care for the most disadvantaged, comes under threat, will they be able to leave their differences behind them to fight for a common goal? What other passions might be released? Slow burn, lesbian romance age gap novel. Have you read my other sapphic novels Hot Response and Open Heart which are also in the City General: Medic 1 Series? Please be aware: There is a small amount of appropriate angst in this doctor romance book. Reviews Great romance awakening story. It’s never too late to discover the beauty and healing power of love. Love is timeless, not caring about age, profession, economic position or anything else we list on our minds as important, and this story weaves it beautifully. M. Luria Story flows well, characters are well developed, and the love scenes are tastefully done. It may take a while but it becomes a slow burn romance that blossoms over time. Well done, Ms. Scott! Look forward to reading any future books. Goofy22 The chemistry she is able to put into the story and the dialogues of her characters is just fantastic. She is definitely one of my favorite authors. Conny The only thing I DID NOT like about this book was that it ended! Classics
