The Passion of the Purple Plumeria Lauren Willig,2013-08-06 NEVER BEFORE PUBLISHED! Lauren Willig's Pink Carnation novels have been hailed as "sheer fun"* and "charming."** Now she takes readers on an adventure filled with hidden treasure and a devilishly handsome English colonel.... Colonel William Reid has returned home from India to retire near his children, who are safely stowed at an academy in Bath. Upon his return to the Isles, however, he finds that one of his daughters has vanished, along with one of her classmates. Because she served as second-in-command to the Pink Carnation, one of England's most intrepid spies, it would be impossible for Gwendolyn Meadows to give up the intrigue of Paris for a quiet life in the English countryside—especially when she's just overheard news of an alliance forming between Napoleon and an Ottoman Sultan. But, when the Pink Carnation's little sister goes missing from her English boarding school, Gwen reluctantly returns home to investigate the girl's disappearance. Thrown together by circumstance, Gwen and William must cooperate to track down the young ladies before others with nefarious intent get their hands on them. But Gwen's partnership with quick-tongued, roguish William may prove to be even more of an adventure for her than finding the lost girls... My Cowboy Heart Z.A. Maxfield,2013-08-20 Even the coldest cowboy's heart can be ignited... J-Bar ranch foreman Malloy pretty much keeps to himself—slinking around the edges of everybody else like an old coyote, doing his job and staying private. That is until Crispin Carrasco shows up. Lean, muscular, and with a motor mouth that won't quit, Crispin sparks something in Malloy—something the foreman didn't know was there. But how does a lone coyote approach the warmth of a fire? And more important, what would happen if that fire burned? "Z.A. Maxfield has a lyrical way of writing that makes it easy to escape into the world that she creates for her characters."—Night Owl Reviews

Other Voices, Darker Rooms Harold Covington,2001-08-27 Arnold Toynbee once wrote of what he called the overwhelming sense of sin that pervades human history. In this anthology of short fiction, underground cult novelist H. A. Covington explores the darkest realms of the supernatural and of the human heart. Cold Earth is a laconically unamazed tale of murder and ghostly retribution from beyond the grave, told in the powerful yet simple words of a Norse saga. Old Asgrim tells of a brutal soldier of Oliver Cromwell who made a bargain with the Devil. In Mick The Cutler, a young man tries to save the woman he loves from a terrible evil that only he can see. A genteel private school is haunted by a century-old crime in The Wheelbarrow. In Whisper Her Name On The Wind a young woman risks all to save the people of her village from massacre, and learns that no good deed ever goes unpunished. In Bringing Mary Home, a murderer finds not only the law but a vengeance-seeking I.R.A. gunman on his trail. The Stranger is an ancient immortal wizard who battles a cult and the demon they summon for the life and soul of a young girl. In The Madman and Marina, a 1930s secret policeman in the Soviet Union finds forgiveness and redemption for a terrible betrayal. Other Voices, Darker Rooms is a must-read for everyone who reads before bedtime and doesn't care whether or not they sleep when they turn out the light.

Bloodwork Nathan Redman,2007-11 A Jesuit poet once wrote, If my God is a God of Light ? it is a Dark Light. Blood Work consists of unconventional and highly personal poems in the spirit of William Blake and Charles Williams. Their unitive theme is the Metaphysical Poets' unique conceptualization of the human soul as having blood. Subjects range from transcendent beauty and apotheosis to intense personal agony and frustrated creativity. Though varied, these heavily allusive and strangely imagist pieces attempt to convey ? as Donne did masterfully in his Holy Sonnet XIV ? that Love can suffer the worst violence, and be, itself, the most violent force of transformation. Blood Work is the humble first offering of Nathan Redman, a young person whose primary pursuit in life is to be a man of Christian integrity. His secondary pursuit is to write poetry that might in some way open a door of speech to speak the Mystery of Christ (Col. 4:3).

Court of the Dead: Rise of the Reaper General Beatrice van Slee,Tom Gilliland,2021-08-03 Embark on a journey through the darkly bizarre and magical Underworld in this gorgeously illustrated origin story. In the dark fantasy universe of Court of the Dead, the savage war between Heaven and Hell is a futile stalemate fueled by the souls of mortals, whose purpose of existence has been twisted into nothing more than raw material for the harvest. Yet in seeking to transcend his grim duty in order to return meaning and inspiration to the cosmos, Death and his Court are cast as humanity's unlikely saviors. Into this dramatic setting are born Demithyle and his fellow reapers, whose first task is to confront the ever-advancing scourge of the vicious bael reiver hordes, ravenous and destructive wraiths who threaten to destroy the Underworld and end the Court's struggle before it begins. Join Demithyle as he evolves from humble foot soldier to reluctant captain, encountering many strange and wondrous characters and places, and finally accepts the mantle of the exalted Reaper General in order to lead to victory the Underworld's last, best hope for salvation.

Blood Cursed Erica Hayes,2011-08-02 To a vampire, nothing is sweeter than bloodfairy essence—and Ember is the most sought-after fairy on the underworld circuit. Selling her blood to the highest bidder—and robbing her clients in the process—Ember has unwittingly become a target of dark and dangerous forces. Her enemies are everywhere. And if she hopes to survive, she needs protection... Diamond is a glassfairy who, for better or worse, knows his way around the vampire underworld. Smooth as silk and tougher than trolls, Diamond is Ember's only chance to keep her magical blood inside her body, where it belongs. Blood Cursed is the fourth book in Erica Hayes' thrilling paranormal fantasy series the Shadowfae Chronicles.

The Heart is Deceitful Above All Things J.T. LeRoy,2009-08-17 A series of loosely connected autobiographical stories, they describe the disturbing relationship between a mother and her adolescent son as she moves from lover to lover, dressing him as a girl and forcing him to shoplift. These are shocking stories of abusive love and dysfunctional sexuality, of heartbreak and of innocence lost. Once again, LeRoy's fantastical imagination and lyricism twists his haunted past into something utterly strange and magical.

Thrasher,2022-08-02 **LONGLISTED FOR THE 2023 PEN/JOHN KENNETH GALBRAITH AWARD FOR NONFICTION** **LONGLISTED FOR THE 2023 ANDREW CARNEGIE MEDALS FOR EXCELLENCE** **WINNER OF THE 2022 POZ AWARD FOR BEST IN LITERATURE** An irresistibly readable and humane exploration of the barbarities of class...readers are gifted that most precious of things in these muddled times: a clear lens through which to see the world. —Naomi Klein, New York Times bestselling author of This Changes Everything and The Shock Doctrine From preeminent LGBTQ scholar, social critic, and journalist Steven W. Thrasher comes a powerful and crucial exploration of one of the

most pressing issues of our times: how viruses expose the fault lines of society. Having spent a ground-breaking career studying the racialization, policing, and criminalization of HIV, Dr. Thrasher has come to understand a deeper truth at the heart of our society: that there are vast inequalities in who is able to survive viruses and that the ways in which viruses spread, kill, and take their toll are much more dependent on social structures than they are on biology alone. Told through the heart-rending stories of friends, activists, and teachers navigating the novel coronavirus, HIV, and other viruses, Dr. Thrasher brings the reader with him as he delves into the viral underclass and lays bare its inner workings. In the tradition of Isabel Wilkerson's *Caste* and Michelle Alexander's *The New Jim Crow*, *The Viral Underclass* helps us understand the world more deeply by showing the fraught relationship between privilege and survival.

Garghoul Jeff Medeiros,2023-03-31 About the Book Ever get the midnight creeps? Ever find yourself in the thorny grip of mortal terror? Ever hear the tale of a woman who said when she was a child, a strange tree tried to eat her? Scarred for life and plagued by nightmares, she returns to her abandoned village to face her childhood fears. Meet Morty the Sly and he'll introduce you to his "little lovelies" and the curse of Newport. Or sail far and deep to a lonely island inhabited only by an eccentric seafarer and his unique nautical exhibits, just don't get too close to the tanks. Read the story of the odd Silver Baden and the woodchipper. Sometimes, you must nip evil in the bud. Ever hear the legend of the terrifying Frogman of New Hampshire? Do you dare join the expedition up the mountain in the night? Don't forget your camera and follow Claudius the cryptozoologist, but don't be too rattled, for who fears a beast with no mouth to speak of? Hear the story of Gretta Garrabrandts, a brave young girl who took on a devastating and malevolent alien entity on her own. Meet a man with a dark and twisted mind, tortured by devilish dreams, cryptic whispers in the night, and the scratching within the walls. Just heed one warning: the content of this book is not for everyone. If you start to feel strange as you read, as if you're going through some sort of transformation, quickly close the book and distance yourself from it, for there is a strong possibility the reader just might end up like one of the characters in the stories, just as the author has. About the Author Jeff Medeiros was born in Newport, RI in 1971. He has enjoyed reading ghost stories since he was a child, and even claims to have lived in several haunted locations. He spent part of his youth writing poetry, action adventure, science fiction, even lyrics to songs he would hear in his head until he found his true niche in the horror genre. Three of these stories in the first book are songs he wrote years before: "Night Things," "Shark on the Shore," and "The Eye of Cy." An amazingly talented artist, Sasha Kouznetsov, also of Newport, was inspired to illustrate each story. Medeiros is also passionate at woodworking, taking much pride in making picture frames for the many illustrations, as well as several baby sized coffins, copper inlay and all, in which he carries his books about. His main inspirations are the great Edgar Allan Poe and H.P. Lovecraft. His stories are dark and weird, but remember, without weirdness there is no originality. Medeiros resides in Tiverton with his wife, Stephanie Bennett, and his cat Samwise, and is proud to have most of Maurice Sendak's monsters tattooed on his back.

Chains Laurie Halse Anderson,2010-01-05 If an entire nation could seek its freedom, why not a girl? As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom. From acclaimed author Laurie Halse Anderson comes this compelling, impeccably researched novel that shows the lengths we can go to cast off our chains, both physical and spiritual.
