Prison Puzzle Pieces 3 Dave Basham,2017-01-11 PRISON PUZZLE PIECES 3 (the third of a three volume series) is a non-fiction account of a corrections officer working in Stillwater Prison in Minnesota after he stopped traveling the country performing standup comedy and improv. Through examples, explanations and experiences, he explains how the entire system works, piece by piece, by presenting hundreds of events that occurred in that dysfunctional little city contained within those walls and razor ribbon. His unique perspectives earned him the respect of inmates and officers; on the other hand his life was in constant danger from other inmates and officers for him doing his job ethically. PRISON PUZZLE PIECES 3 presents the more humorous side of what goes on in prisons along with some of the more disgusting things that must be dealt with. How the education department, canteen, gangs, Native Americans, towers, unions, liars, smuggling, tattooing, violations, religion, industry, health care, recreation and more all play a role in this dysfunctional society. As in all of these volumes, infamous criminals in the system are presented, inmate grievances & requests written to the author, good & bad inmates, good and bad officers, and many more puzzle pieces. Nothing is embellished. Nothing need be embellished.
