Direct Dial M.J. Scott USA,2022-12-05 Good morning to this assignment of cause and effect, which always surround our lives. We encountered the phrase in a classroom lesson and developed our own little interpretations. Now, dear Lord, here is this light, delicate duty to introduce Direct Dial. In this time between midnight and darkness and the coming of morning light, this has melted into the reason for an offering in warming understanding. This cause is the desire to search for a prayer for a closer walk with You, Lord. It has been a desire that matches cause and effect for author M. J. Scott to reach readers in sharing. This discovery means a companionship to be held tightly in love and effect. If just one reader finds this to be an inspiration, then it has been successful. May it draw the spirit of joy and peace offered for all to absorb. Thank You, Lord. Direct Dial is a collection of poetic prayers and essays that guide the author in a closer walk with the Lord, seeking the inspiration of the spirit of joy and peace, and allow her to help others in their own walks.

Dial M for Mud Cake Kaz Delaney,2023-08-03 This wrong number is turning out to be deadly... As summer settles over Airlie Falls, Texas, baker Rosie Hart is gearing up for the upcoming Fourth of July celebrations. Orders are coming in fast, but when someone calls in an order for a mud cake, Rosie feels uneasy. After a series of confusing phone calls, she comes to the chilling conclusion that the term ‘mud cake’ is in fact code for a ‘hit’—someone is ordering a murder! As the dough for her Apple Custard Brioche Bread rises, so does Rosie’s anxiety. This isn’t like any of the cases she’s solved before. This time she has to save someone, but first she has to discover exactly who she’s supposed to be saving—and more importantly, who wants that person dead. With her commitment to the town’s week-long festivities, trying to control her nonagenarian friends who’ve just discovered the home shopping network, determining if a long-lost child has indeed resurfaced, and not to mention an Elvis impersonator on every corner, Rosie’s wondering if she can

really unmask the person with murderous intent before they take matters into their own hands.

The Quick-Reference Handbook for School Leaders The National Association of Head Teachers,2007-01-24 'It's the type of useful self-help text that promises practical and easy-to-read guidance to help you manoeuvre round the enquiries and problems that litter your school's otherwise smooth journey to an A· judgement from Ofsted inspectors!' - Ldr 'This is a handbook to have available as a first source to consult when an issue first arises. It combines legal advice, information, suggested activities and a series of tips from headteachers who have dealt with such issues before. New headteachers in particular would be well-advised to read the section on media interviews before they are rushed into statements they later regret. 'Looking after Yourself' is a section that leaders would be well-advised to skim through periodically as a reminder as it is the kind of advice that gets forgotten in the hurly-burly of school life' - Brian Fidler Professor of Education Management, University of Reading Distilled from years of NAHT (National Association of Head Teachers) experience of providing advice and guidance for its members in the UK, The Quick-Reference Handbook for School Leaders is a practical guide that provides an answer to the questions Where do I start? and Where do I look for direction? Written in an easy-to-read, bulleted format, the handbook is organised around key sections, each part includes brief overviews, checklists and suggestions for further reading. o Organisation and Management - the role of the Headteacher, negligence and liability, media relations, managing conflict and difficult people, effective meetings, inspection, resource management, records and information. o Teaching and Learning - curriculum, learning communities, special education, evaluation, staff development, unions, celebrating success. o Behaviour and Discipline - safe schools, code of conduct, exclusion, search and seizure, police protocols. o Health and Safety - child protection issues, occupational health & safety, risk assessments, emergency preparation, medical needs, health & safety resources. o Looking After Yourself - continuing professional development, and work-life balance. This handbook is an excellent resource for all current and aspiring senior school leaders.
