Instant Messaging Abbreviations, Texting and Emoticons Speedy Publishing,2014-05-03 Instant Messaging Abbreviations, Texting and Emoticons are all used much more in today's communication. This allows for quick contact with shortened words with meanings longer than the word is portrayed. Texting allows easy communication and is not time dependent. This allows for one to respond whenever available to do so. Whereas on the telephone, you must find a time when both are available to talk at the same time. Emoticons allow to show emotions through text messaging. This benefits a majority of people today as this allows for easier communication to get a hold of someone as time persists.

Shadows from Boot Hill L. Ron Hubbard, 2011-10-24 Every man walks with a shadow . . . but what happens when he acquires a second one? Just ask Brazos—a dead ringer for Jack Palance who's a cold-blooded killer for hire with blood on his hands and a posse on his tail. Desperate for cash, Brazos accepts \$200 to gun down a local man named Brant. He'll earn every penny . . . but in the end there'll be the devil to pay. Because to put a bullet in Brant means putting one in his partner as well—an eerie stranger schooled in the black art of witchcraft. This is one killing that brings with it a deadly curse—and a second shadow. As Brazos is about to discover, the Wild West doesn't get any wilder than when a man is damned to live—and die—in the *Shadows from Boot Hill*. A note from L. Ron Hubbard, written many years ago, that could as well be addressed to you, today's reader: "Dear Range Boss: Four million of my words have been published in fifty different magazines. . . . Just now I'm larruping fantasy fiction more than anything else, though I've been writing Westerns for some time, too. Hope your readers like *Shadows from Boot Hill*. The Old West was superstitious in the extreme and . . . reeks with more fantasy than *The Arabian Nights*." Also includes the Western adventures *The Gunner from Gehenna* *Gunman!*, the story of an aging gunfighter turned lawman who shows his town what a real man is made of. "A minor masterpiece." —author Will Murray

Hell's Legionnaire L. Ron Hubbard, 2012-03-21 American Ann Halliday is as sexy as Rita Hayworth and as fiery as the Sahara sun. And now she's feeling some real heat, as the prize captive of the Berber leader Abd el Malek . . . also known as "The Killer." But Abd el Malek wants Ann alive—and in chains—subject to his every whim and fantasy. Dusty Colton, however, an American deserter from the French Foreign Legion, has a different idea. With all the swagger of Robert Mitchum, he's determined to give "The Killer" a taste of his own bloody medicine. The only problem is . . . Dusty himself is wanted for murder. Can Ann and Dusty team up and turn evil on its head? One thing's for sure—between Ann and the Hell's Legionnaire, the temperature is about to get even hotter. On the subject of North Africa, Hubbard said that writers too often "forget a great deal of the languorous quality which made the Arabian Nights so pleasing. Jewels, beautiful women, towering cities filled with mysterious shadows, sultans equally handy with robes of honor and the beheading sword." Hubbard brings this unique insight to his stories of North Africa and the Legionnaires, investing them with an authenticity of time, place and character that will keep you asking for more. Also includes the adventure stories, The Barbarians, in which a Legionnaire

sets out to avenge a savage killing and makes a stunning discovery, and *The Squad That Never Came Back*, the story of a man who has uncovered the secret to a city of gold—a secret that could turn into a death sentence. “Action-packed . . . standout . . . hard-core graphic.” —Library Journal

The Bold Dare All L. Ron Hubbard, 2014-06-23 As brash and bold and daring as Steve McQueen, Lieutenant Lee Briscoe will never back away from a good cause or good fight. And when it comes to heroism, he and McQueen are in the same band of brothers. Briscoe’s gone undercover to infiltrate a slave-labor camp on an island in Southeast Asia, knowing full well that once he goes in, he may never get out. Posing as a man on the run for murder, he may soon wish he had run in the opposite direction. His adversary on the island is Schwenk—a man who is not only a connoisseur of cruelty, but an expert at delivering it. And for Briscoe, the stakes have just shot up. An innocent young woman has landed on the island and fallen into Schwenk’s clutches, sold to him to do with her as he pleases. Escape is the only option . . . or both Briscoe and the girl are sure to face a fate worse than death. L. Ron Hubbard once wrote in his journal: “There must be wide spaces in which to think, strange music to hear, odd costumes to see and the elements to battle against. Money, nice cars, good food and a ‘good job’ mean nothing to me when compared to being able to possess the thought that there is a surprise over the horizon.” Venturing toward that horizon, at age seventeen Ron set sail for the South Pacific in July 1927, and after spending time getting to know the local natives, he signed aboard a working schooner bound for China’s coast. Along the way, Ron encountered many dangers lurking in the thick jungle mists—firsthand experience that contributed to stories like *The Bold Dare All*.
