I use to say, I don't want to quit smoking I asked myself, What if this was the addiction? I then thought, I want to, want to quit. What could make you want to quit? My biggest motivation came from not wanting to be controlled by this nicotine. I wanted to be in charge. This book is about how to transform one's thinking while simultaneously getting ready to quit. This book gives you a step-by-step plan that will show you how to get ready to quit. Quitting smoking is like going into battle. With this plan in place you will be ready to win! You will learn how to develop your willpower and tap into an incredible source of Self-Power. This plan shows you exactly what to do. How to Quit Smoking Even If You Don't Want To is in textbook format with ten brainstorming exercises you must do. People who smoke are often on auto-pilot-thinking. This plan interrupts the auto-pilot and shows you how to re-write the script. It is true that you do not have to want to quit smoking but you do have to want to change something about how you make decisions. It is not complicated. As a matter of fact it is all very easy. By doing the exercises and following through with the plan you will see exactly what is holding you on to cigarettes. When you see what is keeping you addicted it becomes a whole lot easier to let go. This book will show you how to eliminate 75% of the nicotine fits, if not more. When you are all done the brainstorming exercises you will have made a one-of-a-kind, custom-made tool that will tell you what to think, when to think it, what to do and when, and how to act and how not to act. You will use this tool when you open your last pack. I often hear people say, I have tried everything. My response is, Have you looked in the mirror? The answers lie inside you, not in the drugstore. This book is about transforming yourself from the inside. Some of the exercises can help you change other areas of your life that you are not completely satisfied with. My plan and method is about transforming your mind into one that can do what it could not do before. This is a serious subject with a twist of humor. I am sure you will enjoy it! **7-Day Quit Smoking Challenge** Self,2015-10-29 Take Your 7-Day Quit Smoking Challenge Ways to Quit Smoking In 7 Days Why are you reading this? Because: - You have an insatiable desire for smoking and want to quit the nasty habit. - You want to have better youthful appearances and unstained teeth and nails. - You want to save extra money in your pocket that is going towards cigarettes. - You want your families and friends to avoid the danger of secondhand smoke. - You want to improve your overall health and lower risk of cancers and diseases. Over 42 million people smoke cigarettes in the US alone, despite numerous pieces of irrefutable evidence indicating that the practice is one that leads to an empty wallet—and a shorter life. Contrary to the common belief that these individuals are unintelligent, oblivious, or both, most smokers understand how bad smoking is for one's long-term health and well-being—they just find it difficult to quit. You have most likely seen advertisements for medications and other chemical resources to help smokers quit. While good-hearted, these “solutions” fail to address the core problem at-hand; addiction is a mental sensation, and should be treated by resources that reflect that, as opposed to purely a chemical function. If you or someone that you know is interested in quitting smoking—not just taking a break—the 7-Day Quit Smoking Challenge is: - A well-organized collection of simple exercises that will help kick the habit - A reliable alternative to the commonly chosen chemical-quit plans - An ultra-affordable self-help resource By simply following a set of challenges, the 7-Day Quit Smoking Challenge can help any smoker looking to quit—in just one week, as the title suggests. Moreover, it won't overwhelm you; the aforementioned practices found in each day take only minutes to perform, and importantly will provide ample mental assistance and coping strategies that will be instrumental in assuring that you don't answer the call of a cigarette when the craving hits. Simply put, anyone who's serious about taking a step towards quitting smoking should take up on the 7-Day Quit Smoking Challenge. For minutes of daily effort you can enjoy life without smoking and experience the health (and mental) benefits associated with quitting—while boasting a truly impressive achievement.
