The Quizmaster: Picture Round Quiz Book Dave Orritt, 2020-03-17 This book, new for 2020, contains 24 high quality, professionally formatted and printed picture rounds. These are intended to be used as photocopiable handouts, for teams to complete, to get them settled as they arrive at your quiz. Each picture round has 10-12 images to identify in a wide range of genres with some creative ideas that should raise a smile. Most teams should be able to identify half of the images reasonably easily, although there are always a few tougher ones for players to puzzle over.

1. Name the Gameshow
2. Name the Caricature
3. Celebrities in Drag
4. Lego Movie Scenes
5. Name the Girl Group
6. Name the Boyband
7. Name the Puppet

20. Famous Bears
21. Beautiful Actresses
22. Handsome Men
23. Simpson Cameos

I have also included a blank general quiz answer sheet you may like to use for your teams to write their answers on. I have purposely not left space on the picture round sheet itself for two reasons; firstly you may like to reuse your copies to save money and secondly when marking a quiz it is much more convenient to have your oral quiz answers written on the same sheet as your picture round answers. Trust me, with a busy pub of quizzers there is nothing worse than unnecessary pieces of paper getting in the way of the marking process. I hope my knowledge and expertise can revitalise your quizzes, whether they be for a one off event, or regular use. You can then focus on delivering an entertaining and professional quiz that you can be proud of.

The Four Tendencies Gretchen Rubin, 2017-09-12 NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life” (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative.
