Cole's Funny Picture Book ,1976

I Shouldn't Even Be Doing This! Bob Newhart, 2006-09-19 The first book ever from an icon of American comedy--a hilarious combination of stories from his career and observations about life That stammer. Those basset-hound eyes. That bone-dry wit. There has never been another comedian like Bob Newhart. His comedy albums, movies, and two hit television series have made him a national treasure and placed him firmly in the pantheon of comedy legends. Who else has a drinking game named after him And now, at last, Newhart puts his brilliant and hysterical world view on paper. Never a punch-line comic, always more of a storyteller, he tells anecdotes from throughout his life and career, including his beginnings as an accountant and the groundbreaking success of his comedy albums and The Bob Newhart Show and Newhart, which gave him fifteen years on primetime

television. And he also gives his wry, comedic twist to a multitude of topics, including golf, drinking, and family holidays. Today, Newhart appears on *Desperate Housewives*, in hit movies such as *Elf*, and in theaters around the country. Reruns of his shows air constantly on Nick at Nite--have recently been released with great success for the first time ever on DVD. With this book, Bob Newhart gives his millions of fans a first ever opportunity to sample his unique brand of humor--including excerpts from some of his classic routines--on the printed page.

365 Funny Quotes Xabier K Fernao,2019-05-20 Shocking Statistics An Average American Reads 1 Book a Year and 50% of those are Romance Novels... Look! I do not know who you are but I am sure you are on this page right now because you are someone who wants more. You are someone who do not settle for average. You see, I totally understand the desire to want to learn and yet dread reading a long and thick book at the same time! That is why we created this book... More about this book: A joke doesn't have to be a story long. It doesn't even have to be paragraph. A quote itself is powerful enough to tickle you and brighten your day. As you progress in this book, remember that we are born naked (literally and figuratively) and we die naked too. Our job, as a human is to enjoy our limited being in a physical plain and to give and grow as much as we can. If this is the first time you're

reading my book and everything seems so esoteric and confusing, fret not. Simply smile, enjoy yourself and cheer up. This quote book is by far one of the most unique quote book I've ever created because of its innocent and fulfilling intention... to bring about more smiles to this world. Cole's Funny Picture Book No William Edward Cole,2011-04-01 This fully illustrated unabridged reprint contains almost a thousand pages rhymes, stories and pictures to amuse children and parents alike. This classic was first published on Christmas Eve 1875, when it sold thousands of copies. Subpar Parks Amber Share,2021-07-13 ****A New York Times Bestseller!**** Based on the wildly

popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

Dream/life ,1999 What impact does Sydney have on a first-time visitor? For photographer Trent Parke, head sports photographer for The Australian, coming from a country town to a big city, his immediate sense was one of isolation. His photographic journey during the five years of creating this book has resulted in an extraordinary street documentary.

The Book with No Pictures B. J. Novak, 2014-09-30 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)
