The Meaning of the Glorious Koran Mohammed Marmaduke Pickthall,1997-05-01 The classic translation of the Koran by a convert to Islam In 1930, Mohammed Marmaduke Pickthall, a Western Islamic scholar and convert to Islam, published this English translation of the Koran, the central religious text of Islam, which the Times Literary Supplement lauded as "a great literary achievement." The aim of this work is to present to American readers what Muslims the world over hold to be the meaning of the words of the Koran, and the nature of that Book, accurately and concisely, with a view to the requirements of English-speaking Muslims. The first English translation of the Koran by an Englishman who is a Muslim, the Book is here rendered almost

literally, and every effort has been made to choose befitting language. Regarded by Muslims as God's actual words revealed to the prophet Mohammed, the Koran remains the supreme authority of the Islamic tradition. Comprising laws, moral precepts, and narratives, its timeless texts are the inspiration and guide of millions of Muslims. With this remarkably readable and scholarly translation, Pickthall introduces the sacred scriptures of the Koran to Western readers—and provides invaluable and fascinating insight into one of the world's great religions.

Fiqh of Social Media Omar Usman, 2020-12-20 Social media and digital technologies have changed our lives and there is no indication that things will slow down. As Muslims, we believe that Islam contains the most perfect guidance for all of mankind to follow. How do we implement that timeless advice in our unprecedented times? That is the focus of the Fiqh of Social Media. I am grateful and appreciative of my friend, Omar Usman, for exhausting available resources; Islamic, psychological, secular, and business, to develop the work you see before you. We have had long discussions pertaining to many of the topics covered in this book. I am confident that you will find this book to be beneficial, and I pray that it inspires more contributions on this topic. -Shaykh AbdulNasir Jangda, Qalam Institute With the time we spend on social media, being mindful of how we use it is crucial. This is a wonderful resource based in prophetic guidance on how to practically use social media in wise and beneficial ways. -Dr. Omar

Suleiman, Yaqeen Institute Reading Fiqh of Social Media is like sitting with your best friend from Sunday school and having an intellectual & spiritual conversation about the impact of social media on your life. Omar distills years of research, experience, and thought leadership in an easily digestible book that you can enjoy with a good cup of coffee (and your phone off!) - Mohammed Faris, The Productive Muslim Company The Prophet (s) said, Whoever believes in Allah and the Last Day should say something good or keep silent. The ability to control our tongues, how we communicate with others, is an expression of our faith. Communication has evolved and changed so much that one of the primary ways many of us communicate with others is through social media; hashtags and 280 characters. This is a long-awaited work from my good friend and Hajj companion Omar Usman who has been writing, tweeting, speaking, and teaching about the Fiqh of Social Media for years. This is a valuable work providing guidance on how to use and benefit from social media in a way that conforms to our principles and values. -Shaykh Furhan Zubairi, Institute of Knowledge Ulama of the past have written on the adaab of speech and social interaction. Connecting those guidelines with the modern world of social media has been the need of our time. May Allah reward Omar for taking this task on! -Mufti Hussain Kamani, Qalam Institute This is a must-read for Muslims around the globe. I can't thank Omar enough for this work which forces Muslims to look in the mirror and answer tough questions about how social media has impacted our lives. It questions why we desire to share the

most intimate aspects of our lives with strangers from around the world and provides action items to implement. These discussions need to be had within the Muslim community. We have to question how our quality of life has been impacted by the age of hyper-connectivity. Due to the fact that Social Media is the tool for creating social capital, we need to realize that speaking about the harms of constant connectivity takes a lot of courage. Thank you, Omar, for this work. -Shaykh Mikaeel Smith, Qalam Institute
