Are You Dumb Enough to Be Rich? G. William BARNETT, 2008-01-31 No investment strategy has created more millionaires than real estate . . . even in less-than-stellar markets. This new edition of the bestselling Are You Dumb Enough to be Rich? empowers readers to take their first steps toward real estate investing. The book walks readers through a special 120-day plan for starting down the road to real estate wealth. Barnett gives readers the information and resources they need to find the neighborhoods with the most potential, avoid the common pitfalls of real estate investment, and build personal and professional credibility. The new edition includes exciting trends and opportunities to take advantage of, changes in specific state laws . . . even ways to actually profit from a downturn! In addition, the book now includes Barnett's new Hot Mapping system for figuring out where to invest. Too many real estate books focus on stories and unrealistic examples of how other people became rich. Are You Dumb Enough to be Rich? offers real strategies for people wishing to make smart, low-risk investments. Straightforward and easy-to-follow, this book demonstrates that anyone can make money – lots of it! – in real estate.

The Teen With A Millionaire Mindset Laura Lyseight, 2010-03-01 As a teen, I bet you have been told many times or, in your subconscious mind, you have the idea that having too much money is evil or bad. Then again, you might have heard people talk about how only the mean and bad guys have all the money or that money is not easy to come by. Have you, however, wondered why most of the grown-ups you know have become given-ups? Have you noticed the frustrations that most adults are going through living average lives? Truth is, your own mindset can make or break you. The society and the environment in which we find ourselves have succeeded in making the majority of people think there is barely enough and have programmed people to live in mediocrity. As a young person, are you prepared to tow this line or are you prepared to change your mindset, to shift your consciousness and awareness to abundance? This book throws light on how most minds are untapped and exposes the hidden capabilities of the young millionaire's mind. Do you want to set your mental frequency to abundance? It is your rightful position in life. "Millionaires are made, not born" (Laura Lyseight). Once you start thinking right at this stage in your life, the rest will be history because you will surely make your millions and even billions. "You are only young once and if you work it right, once is enough" (Joe E. Lewis).

"Where are You Going to ...?" Elizabeth Robins, 1913
