**We Live in a Jungle** Phil Heubach,2014-07-15 There is a land called the Jungle Kingdom. It was once a paradise where the strong and the weak could live together without fear. Then suddenly, and without warning, a few of the strongest Creatures became predators. With each passing year, their numbers increased, now dominating the land. Today, they are known as the Meat Eaters. A young and precocious Rabbit, named "Rapid" Roberta, is determined to save the kingdom from the increasing numbers of the Meat Eaters. To do so, Roberta will need to overcome her own inner "demons" and the forces of Nature. With her courageous effort to save the kingdom from the Meat Eaters, Roberta must find Cyrus the Great Horned Owl, who is considered the wisest and most compassionate Creature who has ever lived. To find Cyrus, Roberta must journey through the Dark Forest, which is under the shroud of a deadly curse. Also challenging Roberta's hopes of regaining their lost paradise, is the vicious, outlawed Tiger and the enraged Cheetah, the fastest Creature in the kingdom, who has threatened to have Roberta's fury hide. Then, too, there are the giant-sized Gorillas, the majestic King Lion and his Golden Horde, and Queen Cobra, known as the Mean Queen. With a zealous desire to fulfill her quest, Roberta will meet Tiny, a shy and cautious Turtle, who would rather stay in his shell than enter the Dark Forest. When they discover that there is some one "above" and "beyond" their Cyrus the Great, they are devastated. This story seems to have a dark side. However, it is subdued by the love, compassion, and humor found on almost every page. Throughout the story, there are twists and turns, and a mystery that will keep the readers guessing: (With the qualities of love, compassion, and awareness,) who is The Elder that is above all living Creatures? And the primary question is: What actions are taken by The Elder in an effort to overcome the threat of the Meat Eaters?

**My Bunny Rabbit Adventures** Robert Smith,2017-05-30 Hello. My name is Robert, and I live with my mummy and daddy in a nice house with a lovely garden in the countryside. Next to our house are woods that have all kinds of trees and bushes in them. Some are very big, and some are very small. There are also lots of animals that live in the woods. Most of them are very shy and only come out to eat and play when it is quiet and when we have gone to bed. However, there are lots of little bunny rabbits who also live there, and they are all my friends. This storybook is about the adventures of some of those bunnies and the things they learned from their adventures. Their names are Hector, Florence, Harry, Tyler, William, Bertie, Gertie, and Brian. I hope you enjoy reading this book as much as I did writing it!

Where All Good Rabbits Go Karina Cochran,2019-08-06 Synopsis: During the Age of the Rabbit, no one died. That is

to say no one died in the typical way we now view death (the mystical removal of life from the body). Instead people became rabbits. This could happen very suddenly, or gradually over a long period of time. But sooner or later everyone became a rabbit. When hard working young farmer Walter suddenly sprouts a fluffy tail, his journey to where all good rabbits go begins, and there is no turning back. Cast Size: 1 Female, 2 Males, 5 Chorus “The world of this play is strange and a little silly, but the issues at its heart are life-and-death: terminal illness and grief.” –San Francisco Gate “Cochran’s writing is full of vivid imagery and almost poetic cadences.” –For All Events
