

Rabbitride Taxi Reservation

Lee Durkee

My Taxi Ride Paul DuBois Jacobs, Jennifer Swender, 2006 Illustrations and rhythmic text describe the sights and sounds of a taxi ride in New York City.

The Good Brother Chris Offutt, 2016-02-16 From the critically acclaimed author of the collection Kentucky Straight and memoir My Father the Pornographer, *The Good Brother* is the finely crafted debut novel from a talent the New York Times calls "a fierce writer". Virgil Caudill has never gone looking for trouble, but this time he's got no choice—his hell-raising brother Boyd has been murdered. Everyone knows who did it, and in the hills of Kentucky, tradition won't let a murder go unavenged. No matter which way he chooses, Virgil will lose. *The Good Brother* is the story of a man's struggle to find his real self in the wake of an impossible choice. Traversing the American landscape from the hollows of Eastern Kentucky to the plains of Montana, Offutt explores the hunger for belonging that drives our most passionate beliefs, and in the process shows himself to be one of our most powerful storytellers.

Big Yellow Taxi Ken Wilson-Max, 1996-01 Step inside the Big Yellow Taxi and take the ride of your life! Sturdy cardstock parts let children lift the taxi's hood and check the oil, fill the tank with gas, open the car door and pull down the window, check the fare on the meter--even go through a car wash! Big, bold illustrations are accompanied by simple text so young children can follow along. Full-color.

Rabbit Ears Maggie De Vries, 2014-03-18 Kaya is adopted, multiracial, grieving the death of her father—and carrying a painful secret. Feeling ill at ease with her family and in her own skin, she runs away repeatedly, gradually disappearing into a life of addiction and sex work. Meanwhile, her sister, Beth, escapes her own troubles with food and a rediscovered talent for magic tricks. Though both girls struggle through darkness and pain, they eventually find their way to a moment of illumination and healing. This powerful YA novel is rooted in the tragic life of the author's sister, Sarah, a victim of serial killer Robert Pickton and the subject of Maggie de Vries's Governor General's Literary Award-nominated memoir for adults, *Missing Sarah*. Sarah's tragic experiences inspired the character Kaya, as well as an adult sex worker she meets on the streets. Vancouver's missing women form a chilling backdrop for the story.

The Unofficial Joke Book of Ludhiana Kuldeep Saluja, 2015-01-24 Welcome to the world of Billoo Badshah, the Badshah of Laughter. Billoo Badshah, a series compilation of best jokes of the world, is for laughter moments, for love moments, for high moments, for lonely moments, for funny moments, for friendly moments, for happy moments and for all the moments. Be happy and cheerful with this book full of abundant joy, laughter and satire.

Mass Transit , 2001

The Ultimate Dyke Handbook Asker Furst, 2023-02-28 Welcome to The Ultimate Dyke Handbook: 10 Humorous Tips to Survive a Relationship with a Femme! Are

you a Dyke in a relationship with a fabulous Femme? If so, this handbook is for you! I've compiled 10 humorous tips to help you navigate the complicated and wonderful world of Femmes! With a bit of wit and much heart, The Ultimate Dyke Handbook will help guide you through all the highs and lows of being with your Femme! With funny and insightful advice, you'll soon be able to tackle any challenges that come your way and anticipate those unseen. This book isn't politically correct nor is it a statement of stereotypical lesbian relationships. It is for Lesbians who can laugh out loud and find beautiful humor within the spectrum of our remarkably diverse and ever-expanding culture. It's a humorous way to learn how to navigate relationships and handle any potential drama with your Femme. You will learn about UFOs, IF0s, Suitcase Stuffers, and the TWINS. Those Twins are your Femme's nose and her invisible eye and are your Femme's most dangerous asset. You will learn to satisfy the Twins at any cost within these rules. NEVER cross the Twins! This short book is pure humor. Nothing more. Nothing less. The intention is to make you laugh. These are not the rules of any household, nor do they define any queer relationship or give validity to the stereotyping of lesbians. This book is merely an opportunity to laugh. The ability to laugh at ourselves is a tremendous asset and a gift that keeps giving. Every culture has its humor, and within these pages, you'll undoubtedly find plenty of opportunity for a humorous howl. To my knowledge, there isn't a course that prepares a Butch, Dyke, or Stud on surviving within the Femme world. Your survival with a Femme

depends on your awareness of and understanding of the game's rules. Rules? Yes, rules! The rules are for understanding the game, not winning the game. However pessimistic this may appear, you will never, ever win. Get over it NOW! Your goal is to survive, period. Again, the goal is to remain with your Femme, and ignorance of this fact isn't bliss; it's stupidity! Your ethnicity, religion, financial status, or educational level doesn't matter. You'll need to understand the rules. This Handbook is why you need to READ and apply the tips you are about to learn. The book was written to prepare you for the World of Femmes. These tips will only cover some of what you need to know. Only life, living, and experience will do that. However, a safer bet is to commit these hacks to memory. If you have committed a grievous error that was covered, know that hell hath no fury like a mad Femme. Your life and sanity depend on it when dwelling in a Femme world! For those who wish to have a happy, healthy, and enduring relationship, learn the ten life tips that will allow you to prosper and, if you choose, multiply! Laugh, learn, and enjoy as you read *The Ultimate Dyke Handbook: 10 Humorous Tips to Survive a Relationship with a Femme*, and I hope you never utter the words, "Oh No...Not the Twins." Asker Furst

To a Brighter Future Ursula Delfs, 2006 *To A Brighter Future* is the story of one family's dream and prayer to make a better life for their children. It tells of the growing-up years in a relatively affluent Germany, which quickly changed during the great inflation of the early twenties, then fell into ruin

after World War ll This book chronicles the immigration of two young people to Canada in 1928 and follows their struggles to create a brighter future for their children in a new homeland. For the young man who came first, there was job searching, jumping the freights, and finding the right piece of land. Together, they experienced the trials and adventures of homesteading in the Peace River Country of northern Alberta. There are vivid personal descriptions of education in a one-room country school; the poverty and hardships of the depression years, but also the rich social life and community spirit of that difficult era. Also portrayed is the fear and anxiety when illness, accident and tragedy struck an isolated wilderness home. The far-reaching effects of World War ll are portrayed in a very personal manner by way of a journal written by a German-Canadian civilian prisoner of war, while interned in Kananaskis, Petawawa and Fredricton. The story includes interesting characters, adventure, romance and tragedy, all portrayed in a candid, thoughtful style. The story is greatly enhanced by authentic photographs of the settling years in Western Canada. Also included are numerous excerpts from journals and letters written at the homestead table, to family in the old homeland, creating a truly authentic story. To a Brighter Future is much more than a story of one family. It's a powerful legacy for every community that felt the settling pains of a new homeland.

Fodor's Argentina Laura M. Kidder, Carissa Bluestone, Michael Nalepa, 2006
Detailed and timely information on accommodations, restaurants, and local

attractions highlight these updated travel guides, which feature all-new covers, a two-color interior design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation, guidelines for shopping excursions, and other valuable features. Original.

Leocha's Ski Snowboard America (2009) Charles Leocha, 2008-10-15 Evaluates ski resorts in North America, and gives information on conditions, lodging, and non-skiing activities, including snowboarding facilities.

Snow Country , 1994-09 In the 87 issues of Snow Country published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski area development, and people moving to the mountains to work and live.

The Last Taxi Driver Lee Durkee, 2022-09-13 A Kirkus Best Book of 2020 “A wild, funny, poetic fever dream that will change the way you think about America.” –George Saunders Hailed by George Saunders as “a true original—a wise and wildly talented writer,” Lee Durkee takes readers on a high-stakes cab ride through an unforgettable shift. Meet Lou—a lapsed novelist, struggling Buddhist, and UFO fan—who drives for a ramshackle taxi company that operates on the outskirts of a north Mississippi college town. With Uber moving into town and his way of life vanishing, his girlfriend moving out,

and his archenemy dispatcher suddenly returning to town on the lam, Lou must finish his bedlam shift by aiding and abetting the host of criminal misfits haunting the back seat of his disintegrating Town Car. Lou is forced to decide how much he can take as a driver, and whether keeping his job is worth madness and heartbreak. Shedding nuts and bolts, *The Last Taxi Driver* careens through highways and back roads, from Mississippi to Memphis, as Lou becomes increasingly somnambulant and his fares increasingly eccentric. Equal parts Bukowski and Portis, Durkee's darkly comic novel is a feverish, hilarious, and gritty look at a forgotten America and a man at life's crossroads.

Ski ,1980-11

Ski ,1980-12

Ski America and Canada Charles Leocha,2002 Evaluates ski resorts in North America, and gives information on conditions, lodging, and non-skiing activities, including snowboarding facilities.

Technically Together Taylor Dotson,2024-02-06 Why we should not accept "networked individualism" as the inevitable future of community. If social interaction by social media has become "the modern front porch" (as one sociologist argues), offering richer and more various contexts for community and personal connection, why do we often feel lonelier after checking Facebook? For one thing, as Taylor Dotson writes in *Technically Together*, "Try getting a Facebook status update to help move a couch or stay for dinner." Dotson argues that the experts who assure us that "networked

individualism" will only bring us closer together seem to be urging citizens to adapt their social expectations to the current limits of technology and discouraging them from considering how technologies could be refashioned to enable other ways of relating and belonging. Dotson characterizes different instantiations of community as "thick" or "thin," depending on the facets and manifestations of togetherness that they encompass. Individuating social networks are a form of community, he explains, but relatively thin in regard to several dimensions of communality. Dotson points out that current technological practices are not foreordained but supported by policies, economic arrangements, and entrenched patterns of thought. He examines a range of systems, organizations, and infrastructures—from suburban sprawl and smartphones to energy grids and "cry-it-out" sleep training for infants—and considers whether they contribute to the atomization of social life or to togetherness and community vibrancy. Dotson argues that technology could support multifaceted communities if citizens stopped accepting the technological status quo and instead demanded more from their ever-present devices.

Snow Country ,1993-10 In the 87 issues of Snow Country published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski

area development, and people moving to the mountains to work and live.

Florencewalks Anne Holler, 2014-03-11 Much of Florence's art is not in her world-famous museums but in her streets, and those treasures can only be seen by those who explore this lovely, medieval city on foot. The four intimate walking tours in Florencewalks lead you through centuries of Italian history and architecture--around corners that hide marble gods and goddesses, down hushed alleys pervaded by the aroma of spices and pastas, out onto sun-washed piazzas flanked by churches and palazzos and open-air markets. Easily completed in a morning or afternoon, each walk includes plenty of spots along the way to sit and read, rest, or browse. In addition to maps of each walk, and more than thirty photographs, Florencewalks also contains a detailed section of visitor information and advice, a concise chronology of the city's history, an index, and a list of particularly special trattorias, wine bars, and shops.

Snow Country , 1992-09 In the 87 issues of Snow Country published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski area development, and people moving to the mountains to work and live.

Ski , 1981-01

Eventually, you will no question discover a other experience and success by spending more cash. still when? complete you receive that you require to acquire those every needs later having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more approaching the globe, experience, some places, following history, amusement, and a lot more?
