The Stellar Professional Rita Berg,2016-11-15 Shiny new lawyer Rita Berg set sail into the stormy seas of criminal defense thrilled, terrified, and curious: What if the same Mr. Defender behavior that churned her stomach also disgusted people seeking help navigating a complicated and confusing system? What if she shattered the conventional model, infused joy and passion into her own practice, and offered a safe haven for clients who felt disempowered, disconnected, and discouraged by the dictatorial, smarmy, puffed-up way the other guys treated their clients? What if she went with her gut guidance, tuned in, and created a new paradigm for professional practice—centered on service, connection, and co-creation?The Stellar Professional is an intimate and deeply personal look at what it means to show up, standout, and serve—whatever happens. Even when faced with sexism and bullies, Rita focused on using her greatest strengths to empower her dream clients, and co-created extraordinary outcomes.

First Lensman E. E. Smith, 2015-11-03 As has been said, The Hill, which had been built to be the Tellurian headquarters of the Triplanetary Service and which was now the headquarters of the half-organized Solarian Patrol, was—and is—a truncated, alloy-sheathed, honey-combed mountain. But, since human beings do not like to live eternally underground, no matter how beautifully lighted or how carefully and comfortably air-conditioned the dungeon may be, the Reservation spread far beyond the foot of that gray, forbidding, mirror-smooth cone of metal. Well outside that farflung Reservation there was a small city; there were hundreds of highly productive farms; and, particularly upon this bright May afternoon, there was a Recreation Park, containing, among other things, dozens of tennis courts. One of these courts was three-quarters enclosed by stands, from which a couple of hundred people were watching a match which seemed to be of some little local importance. Two men sat in a box which had seats for twenty, and watched admiringly the pair who seemed in a fair way to win in straight sets the mixed-doubles championship

of the Hill. Fine-looking couple, Rod, if I do say so myself, as well as being smooth performers. Solarian Councillor Virgil Samms spoke to his companion as the opponents changed courts. I still think, though, the young hussy ought to wear some clothes—those white nylon shorts make her look naked even than usual. I told her so, too, the jade, but she keeps on wearing less and less....

In the 25th century, under the leadership of the League of Peoples, war and crime are a thing of the past and life is held sacred. That is, as long as you're healthy and beautiful. But those who are deformed, flawed or misfit in any way are destined - or is doomed a better word? - to become Explorers, crews assigned to probe worlds so hostile, the chances of returning are somewhere between slim and none. A qualified member of the expendable Explorer Corps due to her untreated facial blemish, Youn Suu sets out on a standard suicidal mission. Along with her partner, Tut, Youn is tasked with investigating a sudden infestation of the Balrog--a sentient red moss that can form parasitic, symbiotic relationship with its host--on the home world of the Cashlings. The mission takes a turn for the worse when Suu is infected with the Balrog. But just before all is lost, Suu and Tut are rescued from the planet by legendary Expendable Admiral Festina Ramos. Aboard an Outward Fleet starship, they find that the Balrog is far more intelligent and sinister than they ever could have imagined. It is only then that the scope and danger of this nightmare is truly revealed.
