Waves Of Hope Allan T. McGuirl, 2014-07-09 This is the compelling story of how God took a country boy, gave him a worldwide vision and then used him to impact the world through radio. Filled with remarkable events, this book will keep you riveted page after page.

Powerful Christian Radio Josh Reid, 2014 Have you ever asked what the point of your local Christian Radio station is? Have you often wondered about their plans and purpose? Are you confused by some of the songs they play on air? Do you wonder in today's Internet savvy world, is there even a need for your local Christian Radio station? If you have ever wondered about why your local Christian Radio station exists, then this is the book for you. In *Powerful Christian Radio*, author Josh Reid explains in easy-to-read language, the Strategy, Impact and Ministry of your local Christian Radio station. In other words - how does God touch people's lives through the ministry of Christian Radio. Using practical real life examples, this book will show you things you don't know about Christian Radio, and challenge your thinking in the way you view it. In a world that's gone Internet crazy it's easy to convince churches and ministries about the importance of using web strategies or social media as evangelism tools. After all, with more than one billion users, Facebook is now the third largest country in the world, which means it's time to start sending missionaries and planting churches in that country. Online evangelism is an easy sell to a new generation of pastors and leaders who have been posting their lives online since childhood. But lost in the Internet frenzy is the power of traditional media - particularly radio. It's required reading if your goal is to impact this culture with a message of hope. The Internet may be getting all the publicity these days, but radio is alive and well. Do yourself a favor and read this book. - Phil Cooke.

Amplify Your Message Marcus Brown, 2018-09-04 And (Jesus) said to them, 'Go into all the world and proclaim the Gospel to the whole creation.' Mark 16:15 (ESV) The need for proclaiming the Good News to the world has never been greater. Recent statistics reveal that 63% of Americans go to church less than once a month, and almost half of that group never set foot inside a church. That puts us in a dilemma. If those in need of the message of salvation through Jesus Christ aren't coming to our churches, how do we reach them? How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? Romans 10:14-15 (ESV) Salem Media Group has an answer: Radio. Nielsen Media Research—the world's leader in media data—has found “traditional AM/FM terrestrial radio still retains its undiminished appeal for listeners; 91% of Americans, aged 12 and older, listen to this form of radio.” When radio is amplified with new technology, its reach is powerful. When matched with biblical preaching and teaching, God's Kingdom expands. Not only are the lost led to salvation, they are drawn to your church, putting them where they need to be to become disciples. This book details how a local Salem Media radio platform can partner with your church to fulfill the Great Commission and grow your ministry. From the “why” to the “how,” we give you everything you need to prayerfully consider this opportunity to pierce the darkness in your community with the Light of the World.

The Gospel According to Rev. Walt 'Baby' Love Walt Baby Love,2007-02-01 For more than three decades, Walt Baby Love has touched the lives of more than ten million listeners across the world. Every week he shares his triumphs, challenges, and soul-stirring moments through his award-winning radio programs. He has built a following of millions of listeners and repeatedly shattered racial barriers as a black man in an industry long dominated by whites. Yet this former army paratrooper with the famed 82nd Airborne Division, who served in Southeast Asia, also broke ground as a man of disciplined, abiding faith who refused to bow to corrupt influences. His enormously popular syndicated rhythm-and-blues show lost its spot on a Chicago radio station because Walt would not refrain from counseling his listeners to look to Jesus. Though beloved by his devoted listeners, Walt was often treated as an outcast by other African-American broadcasters and industry executives because of his outspoken and steadfast devotion to the Christian way of life. Still, both earthly and heavenly rewards have come in great abundance to the man raised by his great-grandparents in rural Pennsylvania. In *The Gospel According to Rev. Walt Baby Love* he offers reflections and inspirational thoughts drawn from his life. He shares how his religious convictions helped him survive and thrive in an industry he believed to be rife with corruption and ungodly influences. And he recounts the story of his progression of faith from a player of gospel and R&B music to an ordained minister and preacher of God's Word. Each chapter focuses on a Bible verse, reflecting on its significance to him and guiding you on how to incorporate its teachings into your own daily life. An uplifting story of faith, family, and forgiveness in the face of God's plan, *The Gospel According to Rev. Walt Baby Love* is inspirational reading at its best.

Lies We Tell Ourselves Greg Laurie, 2006-10-06 We all know what it's like to justify something we're about to do with a clever excuse. Temptation knocks at every door. No one is immune. Christian Radio Bob Lochte, 2015-02-16 Religious programming has been on the airwaves since broadcasting began, but today it is one of the fastest growing categories in radio. This book examines the progression of Christian radio from its beginnings on tiny local stations (like WCAL from St. Olaf's College in Minnesota) to its presence on network and satellite radio of today. The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio. Also considered are the changing demographics that have contributed to the success of Christian broadcasting. Major Christian networks and their evangelical missions are discussed, along with such programs A Money Minute, Life on the Edge and Focus on the Family, which offer practical topical advice for today's Christian. The final chapter considers the future of Christian radio.
