COMING OF RAGE #1 Wes Craven,Steve Niles,2014-10-25

From Wes Craven (Director of *Scream* and *The Nightmare on Elm Street*) and Steve Niles (Writer of *30 Days of Night*). Two masters of horror unite for the first time! Featuring art by Francesco Biagini and Liquid Studios.

About a year ago I had the beginning of an unwritten joke come into my head: A Vampire, a Werewolf and a Zombie walk into a bar... Just that. What was the punch line? Who cares – I just liked the sound

of it. My imagination went crazy thinking about what could happen when three such impossibly different characters were thrown together. I'd never seen anything like it, and I wanted to know their story. So, it had to be written. I met with comic book legend Steve Niles, (30 Days of Night). We hit it off, and decided to beat out the story of a very special young man's coming of age, and the two unlikely friends who helped him to survive it. After a bit of hard, fun work, a five issue series of comic books was born, telling not only the story of how these three ended up on the run together, but how the central character, Ritchie, lost his innocence and became one of the most powerful vampires in the world. And the title would be COMING OF RAGE. - WES CRAVEN

Rage Comics F. U. Derpstein,Hooroo Jackson,2011-11-02 All comics in this book are author approved. Over 400 of the best Rage Comics are collected in this volume, which is bound with smooth paperback bound 6X9 with matching art for the whole series. A great gift or book to own for your collection.

Don Depresso, Volume II Ruji Chapnik,2013-04-30 Don Depresso is a depressed freelance writer

who does a lot of drugs and pines for his ex-girlfriend. This book contains a collection of all the Don Depresso comic strips created from October of 2012 through March of 2013, along with commentary. The Don Depresso comics series deals with depression as well as other recurring themes, such as drug use and abuse, technology (particularly Linux and open source software), dating and relationships, and what it's like to be an American in the present day.

13 & Counting: Rescue Me? Tammi Zentic, M.S., 2016-06-14 This book offers strategies and activities that inspire youth to develop better problem-solving skills, gain more autonomy in the decisions they make, and cultivate an optimistic outlook on life's problems, stresses, and difficult situations. Teaching students how to view problems as opportunities through multiple problem-solving strategies is critical in fostering healthier self-esteem and independence in our youth. Students sabotage their chances of academic success by allowing toxic, negative thinking to take place. Problems and difficulties seem insurmountable to many. Youth need problem-solving skills that will help propel them in the next phase of their lives. Keeping in mind the developmental level of 5th-12th

grade students, 13 & Counting: Rescue Me? provides easy to implement, effective strategies to foster effective problem-solving abilities in students. The lessons are time effective, relational and get to the heart of the issues. Executive function and flip classroom ideas are included throughout. As an added bonus, a CD with print-ready worksheets and skill posters is included.

Road Rage Stephen King, Joe Hill, Chris Ryall, Richard Matheson, 2012-08-22 Acclaimed novelist/Eisner-winning graphic novelist Joe Hill collaborated with his father, Stephen King, in Throttle, for the first time on a tale that paid tribute to Richard Matheson's classic tale, Duel. Now, IDW is proud to present comic-book tellings of both stories in Road Rage. Adapted by Chris Ryall with art by Nelson Daniel and Rafa Garres.

COMING OF RAGE #2 Wes Craven, Steve Niles, 2014-10-25

From Wes Craven (Director of *Scream* and *The Nightmare on Elm Street*) and Steve Niles (Writer of

30 Days of Night). Featuring art by Francesco Biagini and Liquid Studios.

In a deserted dive bar on the edge of nowhere, three strangers found their lives intertwined through fate and circumstance. Ritchie is the prodigal son of a rich industrialist who made his fortune off the blood of others. All Ritchie wants is to escape his overbearing and ruthless dead father's empire, but the deeper he digs into his family business the more he realizes his entire life has always been built on blood and death. Oscar is haunted by the screams of his parents being dragged away in the middle of the night, but those screams are nothing compared to the howls of rage that try and escape from within him. Lilly is every man's dream...smart and strikingly beautiful. Every man's dream...if only her left eye didn't keep popping out of her head and she didn't strangely smell like death.

Spaniel Rage Vanessa Davis,2017-02-21 “I love [Davis’s] free-form drawing . . . She just has a funny, truthful voice.” —Audrey Niffenegger Vanessa Davis’s autobiography, more observational than confessional, delighted readers ten years ago when she first began telling stories about her life in New York as a young single Jewish woman. Spaniel Rage is filled with frank and immediate pencil-drawn accounts of dating woes, misunderstandings between her and her mother, and conversations with friends. Her keen observation of careless words spoken casually is refreshingly honest, yet never

condemning. Unabashedly, Davis offers up gently self-deprecating anecdotes about her anxieties and wry truths about the contradictions of life in the big city. These comics are sexy, funny, lonely, beautiful, spare, and very smart—the finest work from a natural storyteller. “[Davis creates] structurally sound, stylistically individual images that also manage to seem totally casual and spur-of-the-moment. The cliché “she makes it look so easy” is acutely appropriate for Vanessa and her work.”—Rookie “The frank, personal specificity of [Spaniel Rage] keeps you gripped.”—Vulture, 8 Comics You Need To Read “...a warm, familiar voice ... Spaniel Rage holds an amazing freshness 12 years after it was published. It certainly deserves Drawn & Quarterly’s February reissue.”—Paste “[Spaniel Rage collects] snapshots of her life that feel both utterly familiar and totally weird ... a pleasant delve into young life in the city.”—Library Journal “Often funny, often tinged with loss, Davis chronicles a life page by page [and] touches on the anxieties of the internet age.”—The Comics Journal “This work [has] the strange power of making me feel like Davis broke into my apartment and scribbled her life into my personal notebook, just for me.”—Broken Pencil “An honest, unflinching set of loose

cartoons... at its core, the commonalities of the cartoons in Spaniel Rage reflect the quirks of daily life itself.”—Bookriot, 5 Graphic Novels To Watch In For February “If you dig slice-of-life graphic novels, then you’ll want to pick up Spaniel Rage from Vanessa Davis ... the graphic-novel equivalent of a Seinfeld episode about twentysomethings.”—London Free Press

Rage Comics - Le Sexytimes Charizard Fapton,2011-12-30 This book is artist approved with 10 % of total donated to reddit. Over 200 Rage Comics compiled in the third volume of the collection - Charizard Fapton invites you to enjoy them especially on the john or in the sack.

Rage Against the Minivan Kristen Howerton,2020-06-09 “Howerton writes unflinchingly about what it means to be raising children in today’s world and how to liberate ourselves from the myth of perfect motherhood.”—Glennon Doyle, author of Untamed and Love Warrior, founder of Together Rising In this smart and subversively funny memoir, Kristen Howerton navigates the emotional and sometimes messy waters of motherhood and challenges the idea that there’s a “right” way to raise kids. Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for

letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for □ the parent who loves their kids like crazy but feels like parenting is making them crazy, too □ the parent who said “I will never . . .” and now they have □ the parent who looks like they have it all together but feels like a hot mess on the inside □ the parent who looks like a hot mess on the outside, too □ the parent who asks Am I good enough? Doing enough? Doing it right? What’s wrong with me? What’s wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people’s kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. *Rage Against the Minivan* is a permission slip to let it go and allow yourself to be a “good enough” parent, focused on raising happy, kind, loving humans.

Liberator, Vol 1: Rage Ignition Matt Miner, 2014-04-22 Animal cruelty is the most pervasive form of torture in the modern world. The heroes who fight it don't wear capes, they wear ski-masks. Whether it's vicious dog-fighting clubs or senseless lab experiments force-feeding oven cleaners to monkeys, Jeanette Francis and Damon Guerrero have had enough. Using any and all means available to them, Jeanette and Damon not only rescue the animals but also avenge them - delivering harsh retribution to the animals' captors and tormentors. This book collects *Liberator* issues #1-4 into a single volume for the first time. It also includes 40-pages of brand-new, previously unreleased comics taking place in the *Liberator* world by a murderer's row of incredibly comic creators including Tim Seeley (*Hack/Slash*, *Revival*), Matthew Rosenberg (*Punisher*), Alex de Campi (*Grindhouse*), Ales Kot (*Iron Patriot*, *Zero*), Ed Brissan (*Uncanny X-Men*), Frank Barbiere (*Five Ghosts*), Megan Hutchison (*Rockstars*), Jonathan Brandon Sawyer (*Gwar Orgasmageddon*), and more. A really cool, progressive story about young outcast crusaders. -Scott Snyder (writer *Batman*)

Bending Steel Aldo J. Regalado, 2015-07-16 Faster than a speeding bullet. More powerful than a locomotive. Able to leap tall buildings in a single bound . . . It's Superman! *Bending Steel* examines the historical origins and cultural significance of Superman and his fellow American crusaders. Cultural historian Aldo J. Regalado asserts that the superhero seems a direct response to modernity, often fighting the interrelated processes of industrialization, urbanization, immigration, and capitalism that transformed the United States from the early nineteenth century to the present. Reeling from these exciting but rapid and destabilizing forces, Americans turned to heroic fiction as a means of explaining national and personal identities to themselves and to the world. In so doing, they created characters and stories that sometimes affirmed, but other times subverted conventional notions of race, class, gender, and nationalism. The cultural conversation articulated through the nation's early heroic fiction eventually led to a new heroic type--the brightly clad, super-powered, pro-social action heroes that first appeared in American comic books starting in the late 1930s. Although indelibly shaped by the Great

Depression and World War II sensibilities of the second-generation immigrants most responsible for their creation, comic book superheroes remain a mainstay of American popular culture. Tracing superhero fiction all the way back to the nineteenth century, Regalado firmly bases his analysis of dime novels, pulp fiction, and comics in historical, biographical, and reader response sources. He explores the roles played by creators, producers, and consumers in crafting superhero fiction, ultimately concluding that these narratives are essential for understanding vital trajectories in American culture.
