Rage Jackie Morse Kessler,2011-04-04 Jackie Morse Kessler's Riders of the Apocalypse series follows teens who are transformed into the Four Horsemen of the Apocalypse. In the second book of the series, Rage, a teenage cutter becomes War, one of the Riders of the Apocalypse. Missy didn't mean to cut so deep. But after the party where she was humiliated in front of practically everyone in school, who could blame her for wanting some comfort? Sure, most people don't find comfort in the touch of a razor blade, but Missy always was . . . different. That's why she was chosen to become one of the Four Horsemen of the Apocalypse: War. Now Missy wields a new kind of blade—a big, brutal sword that can cut down anyone and anything in her path. But it's with this weapon in her hand that Missy learns something that could help her triumph over her own pain: control. A unique approach to the topic of self-mutilation, Rage is the story of a young woman who discovers her own power and refuses to be defeated by the world. Rage includes a teaser chapter of the next book in the Riders of the Apocalypse series, Loss.

Rage Ronald Potter-Efron,Ronald T. Potter-Efron,2010-03 This new book from anger expert Potter-Efron offers powerful, emergency help to anyone whose extreme and volatile rages cause him or her to lose control of emotions, behaviors, and even conscious awareness--causing sometimes irreparable emotional and physical harm to themselves, their loved ones, and, occasionally, to innocent by-standers....

Rage Against the Minivan Kristen Howerton,2020-06-09 "Howerton writes unflinchingly about what it means to be raising children in today's world and how to liberate ourselves from the myth of perfect motherhood."—Glennon Doyle, author of Untamed and Love Warrior, founder of Together Rising In this smart and subversively funny memoir, Kristen Howerton navigates the emotional and sometimes messy waters of motherhood and challenges the idea that there's a "right" way to raise kids. Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for ● the parent who loves their kids like crazy but feels like parenting is making them crazy, too ● the parent who said "I will never . . ." and now they have ● the parent who looks like they have it all together but feels like a hot mess on the inside ● the parent who looks like a hot mess on the outside, too ● the parent who asks Am I good enough? Doing enough? Doing it right? What's wrong with me? What's wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people's kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. Rage Against the Minivan is a permission slip to let it go and allow yourself to be a "good enough" parent, focused on raising happy, kind, loving humans.

Gwendy's Magic Feather Richard Chizmar,2020-01-21 A USA TODAY BESTSELLER In this thrilling sequel to the New York Times bestselling novella by Stephen King and award-winning author Richard Chizmar, an adult Gwendy is summoned back to Castle Rock after the mysterious reappearance of the button box. Something evil has swept into the small Maine town of Castle Rock on the heels of the latest winter storm. Sheriff Norris Ridgwick and his team are desperately searching for two missing girls, but time is running out. In Washington, DC, thirty-seven-year-old Gwendy Peterson couldn't be more different from the self-conscious teenaged girl who once spent a summer running up Castle Rock's Suicide Stairs. That same summer, she had been entrusted—or some might say cursed—with the extraordinary button box by Richard Farris, the mysterious stranger in the black suit. The seductive and powerful box offered Gwendy small gifts in exchange for its care and feeding until Farris eventually returned, promising the young girl she'd never see the box again. One day, though, the button box suddenly reappears but this time, without Richard Farris to explain why, or what she's supposed to do with it. Between this and the troubling disappearances back in Castle Rock, Gwendy decides to return home. She just might be able to help rescue the missing girls and stop a dangerous madman before he does something ghastly. With breathtaking and lyrical prose, Gwendy's Magic Feather explores whether our lives are controlled by fate or the choices we make and what price we sometimes have to pay. Prepare to return again to Stephen King's Castle Rock, the sleepy little town built on a bedrock of deep, dark secrets, just as it's about to awaken from its quiet slumber once more.

Love and Rage Lama Rod Owens,2020-06-16 A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state-sanctioned violence, how can we metabolize our anger into a force for liberation? White supremacy in the United States has long necessitated that Black rage be suppressed, repressed, or denied, often as a means of survival, a literal matter of life and death. In Love and Rage, Lama Rod Owens, coauthor of Radical Dharma, shows how this unmetabolized anger--and the grief, hurt, and transhistorical trauma beneath it--needs to be explored, respected, and fully embodied to heal from heartbreak and walk the path of liberation. This is not a book about bypassing anger to focus on happiness, or a road map for using spirituality to transform the nature of rage into something else. Instead, it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation. Love and Rage weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy, practical meditation exercises, mindfulness, tantra, pranayama, ancestor practices,

energy work, and classical yoga. The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger--and yet who refuse to relent. It is a necessary text for these times.

Terminal Rage A.M. Khalifa, 2014-04-28 A ruthless terrorist with no past. A burned-out hostage negotiator with no future. And a clock ticking towards utter carnage unless a puzzle is solved: Who is he?

The Rage Julia Ebner, 2017-09-30 The early twenty-first century has been defined by a rise in Islamist radicalisation and a concurrent rise in far right extremism. This book explores the interaction between the 'new' far right and Islamist extremists and considers the consequences for the global terror threat. Julia Ebner argues that far right and Islamist extremist narratives - 'The West is at war with Islam' and 'Muslims are at war with the West' - complement each other perfectly, making the two extremes rhetorical allies and building a spiralling torrent of hatred - 'The Rage'. By looking at extremist movements both online and offline, she shows how far right and Islamist extremists have succeeded in penetrating each other's echo chambers as a result of their mutually useful messages. Based on first-hand interviews, this book introduces readers to the world of reciprocal radicalisation and the hotbeds of extremism that have developed - with potentially disastrous consequences - in the UK, Europe and the US.

Rage Wilbur Smith, 2018-01-01 BOOK 6 IN THE EPIC HISTORICAL SAGA OF THE COURTNEY FAMILY, FROM INTERNATIONAL SENSATION WILBUR SMITH 'Smith will take you on an exciting, taut and thrilling journey you will never forget' - Sun 'With Wilbur Smith the action is never further than the turn of a page' - Independent 'No one does adventure quite like Smith' - Daily Mirror THE FUTURE OF A COUNTRY. As Apartheid threatens to destroy everything he holds close, he allows his half-brother Manfred to persuade him to join South Africa's right-wing National Party, hoping to moderate from within their dangerous policies. But Manfred has deadly secrets he cannot afford to be revealed, secrets he is willing to kill to keep hidden. In the terrible struggle for the future of South Africa, the Courtney family will be torn apart - and many will pay a terrible price . . . Rage: A Love Story Julie Anne Peters, 2010-12-28 A National Book Award Finalist offers an intense portrait of an abusive relationship. Johanna is steadfast, patient, reliable; the go-to girl, the one everyone can count on. But always being there for others can't give Johanna everything she needs—it can't give her Reeve Hartt. Reeve is fierce, beautiful, wounded, elusive; a flame that draws Johanna's fluttering moth. Johanna is determined to get her, against all advice, and to help her, against all reason. But love isn't always reasonable, right? In the precarious place where attraction and need collide, a teenager experiences the dark side of a first love, and struggles to find her way into a new light.

Rage and Revenge Thomas Goodrich, 2017-11-15 *Rage & Revenge* is a terrifying, up-close and personal look at what war and its aftermath are really like. For too long, the true nature of combat and the peace that follows has been concealed from the general public. Most who have never witnessed war naively assume that there are rules and laws governing such contests. As the reader of *Rage & Revenge* will quickly discover, nothing could be further from the truth. The fact is, all war is wild, chaotic, brutal, and primitive. War is also the refuge where some of the most sick and sadistic among us may live out their darkest fantasies. In an fast-paced, no-nonsense writing style, author Thomas Goodrich offers the reader a riveting glimpse at the true face of war in all its ugly reality . . . and in all its ugly fascination.

Rage Primer Steven Rage, 2011-01-19 Five Very Wicked Shorts. Brought to you with love and blood from 'MorbidbookS' and The Grim Reverend Steven Rage, the 'Most Depraved Writer in Print'. Through the sheer shock of his presentation, Rage forces readers to consider the alternatives, to look at the garbage in the streets, to see what is swept into the gutters at night right before all decent people awake to see another cleaned up version of the day. Depravity at its finest, but really the stories are loads of fun ...

Raised to Rage Michael A. Milburn, Sheree D. Conrad, 2016-08-12 An argument that voter anger and authoritarian political attitudes can be traced to the displacement of anger, fear, and helplessness. Politicians routinely amplify and misdirect voters' anger and resentment to win their support. Opportunistic candidates encourage supporters to direct their anger toward Mexicans, Muslims, women, protestors, and others, rather than the true socioeconomic causes of their discontent. This book

offers a compelling and novel explanation for political anger and the roots of authoritarian political attitudes. In *Raised to Rage*, Michael Milburn and Sheree Conrad connect vociferous opposition to immigrants, welfare, and abortion to the displacement of anger, fear, and helplessness. These emotions may be triggered by real economic and social instability, but Milburn and Conrad's research shows that the original source is in childhood brutalization or some other emotional trauma. Their research also shows that frequent experiences of physical punishment in childhood increase support in adulthood for punitive public policies, distorting the political process. Originally published in 1996, reprinted now with a new introduction by the authors that updates the empirical evidence and connects it to the current political situation, this book offers a timely consideration of a paradox in American politics: why voters are convinced by campaign rhetoric, exaggeration, and scapegoating to vote against their own interests.

Obsessive Rage Ryan Stevenson, Richard Brandeis, 2016-04-10 Throughout human history, man has always been fascinated with the workings of the human mind. In *OBSESSIVE RAGE*, authors Ryan Stevenson and Richard Brandeis bring into focus one man's psychotic obsession, which ultimately leads the reader into a world of the clinically insane. Doctor David Morrissey, an eminent New York psychiatrist, uses past life regression sessions to understand why his patient, Laura, can't bring herself to sing. In the ensuing sessions with Dr. Morrissey, they unravel a mystery that brings both of them to the edge of insanity. The reader will travel through time, beginning with the depression era in Georgia, and then find himself transported into the present time to confront a murder mystery that took place eighty years prior, only to be confronted with a modern day psychopath. Medical science may never truly understand the human mind and how our emotions can take hold while turning the common man into an individual whose darker side should never have seen the light of day. *OBSESSIVE RAGE* no doubt will keep the reader on the edge of his seat until the very last page is turned.

Rage K. A Knight, 2019-06-17 My husband killed me. Then he screwed his way through the city, the only problem? I didn't stay dead. It seems killing me woke something deep inside, something so dark and buried so deep I never knew it was there. I don't know what I am, I don't really care. All I can think about is revenge, even as the monsters in the dark start to surround me. Their horns and black eyes, mouths filled with fangs claiming I am theirs. My monsters will have to wait, he will regret the day he crossed me. Are you scared of the dark? You should be. *18+ Reverse Harem Romance. Warning this book contains scenes and references of abuse/assault that some readers may find triggering. Along with graphic sex scenes and violence. This is a dark book*
