Thoroughbred Times,Thoroughbred Times Staff

The Ultimate History of Video Games, Volume 2 Steven L. Kent, 2021-08-24 The definitive behind-the-scenes history of video games' explosion into the twenty-first century and the war for industry power "A zippy read through a truly deep research job. You won't want to put this one down."—Eddie Adlum, publisher, RePlay Magazine As video games evolve, only the fittest companies survive. Making a blockbuster once cost millions of dollars; now it can cost hundreds of millions, but with a \$160 billion market worldwide, the biggest players are willing to bet the bank. Steven L. Kent has been playing video games since Pong and writing about the industry since the Nintendo Entertainment System. In volume 1 of *The Ultimate History of Video Games*, he chronicled the industry's first thirty years. In volume 2, he narrates gaming's entrance into the twenty-first century, as Nintendo, Sega, Sony, and Microsoft battle to capture the global market. The home console boom of the '90s turned hobby companies like Nintendo and Sega into Hollywood-studio-sized business titans. But by the end of the decade, they would face new, more powerful competitors. In boardrooms on both sides of the Pacific, engineers and executives began, with enormous budgets and total secrecy, to plan the next evolution of home consoles. The PlayStation 2, Nintendo GameCube, and Sega Dreamcast all made radically different bets on what gamers would want. And then, to the shock of the world, Bill Gates announced the development of the one console to beat them all—even if Microsoft had to burn a few billion dollars to do it. In this book, you will learn about • the cutthroat environment at Microsoft as rival teams created console systems • the day the head of Sega of America told the creator of Sonic the Hedgehog to "f**k off" • how "lateral thinking with withered technology" put Nintendo back on top • and much more! Gripping and comprehensive, *The Ultimate History of Video Games: Volume 2* explores the origins of modern consoles and of the franchises—from Grand Theft Auto and Halo to Call of Duty and Guitar Hero—that would define gaming in the new millennium.

Super Bitches and Action Babes Rikke Schubart, 2014-08-23 With actress Pam Grier's breakthrough in Coffy and Foxy Brown, women entered action, science fiction, war, westerns and martial arts films—genres that had previously been considered the domain of male protagonists. This ground-breaking cinema, however, was—and still is—viewed with ambivalence. While women were cast in new and exciting roles, they did not always arrive with their femininity intact, often functioning both as a sexualized spectacle and as a new female hero rather than female character. This volume contains an in-depth critical analysis and study of the female hero in popular film from 1970 to 2006. It examines five female archetypes: the dominatrix, the Amazon, the daughter, the mother and the rape-avenger. The entrance of the female hero into films written by, produced by and made for men is viewed through the lens of feminism and post-feminism arguments. Analyzed works include films with actors Michelle Yeoh and Meiko Kaji, the Alien films, the Lara Croft franchise, Charlie's Angels, and television productions such as Xena: Warrior Princess and Alias.

Out of the Dust (Scholastic Gold) Karen Hesse, 2012-09-01 Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Dust piles up like snow across the prairie. . . . A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

Guinness World Records 2008 , 2008 Presents video game records, interviews with champion gamers, tips on improving your gameplay and profiles the world's best selling titles.

5,000 Awesome Facts (about Everything!) 2 National Geographic Society (U.S.), National Geographic Kids, 2014 A collection of quirky, fun facts.

Guinness World Records 2017 Gamer's Edition Guinness World Records, 2016-11-15 It's time to celebrate the 10th anniversary of the Guinness World Records: Gamer's Edition! With over four million copies sold, this is the ultimate annual for every gaming fan. It's bursting with the latest facts and stats on your favorite games from the futuristic soccer action of Rocket League to the psychedelic paint battles of Splatoon. And as Star Wars mania explodes once again, we explore everything Jedi in a special feature section. Plus, you'll get a sneak peek at all-new games from the ever-evolving gaming universe! Get an inside look at the indie game scene, the big-money world of eSports, and a celebration of 25 years of Mario Kart. There's everything from space shooters such as Destiny, to RPGs such as Fallout 4, to the hit sport series FIFA and Madden. We've got sims, strategy games, and horror titles, and we also take a look at the toys-to-life phenomenon. From League of Legends to The Legend of Zelda, it's all here in the 2017 edition of Guinness World Records: Gamer's Edition!

Man, Play, and Games Roger Caillois, 2001 According to Roger Caillois, play is an occasion of pure waste. In spite of this – or because of it – play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

Refugee Alan Gratz, 2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&a's life inside out. For all the 10 years of her life, H&a has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&a and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&a discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

The Wednesday Wars Gary D. Schmidt, 2007 During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

The Virtual Ninja Manifesto Chris Goto-Jones, 2016-09-13 Draws on the traditions of the martial arts to ask whether playing violent videogames actually transform gamers into better people.

Hong Kong Action Cinema Bey Logan,1996 From the dazzling choreography of martial arts movies to the gore of the heroic bloodshed genre, Hong Kong action films are masterpieces of style and fury, and a prime source of inspiration for Hollywood. Tracing the background of this enticing film genre from the influences of Chinese opera to the mixture of fantasy and fast-paced action of the present day style, this is essential reading for both the intrigued layman and the die-hard Hong Kong fan. Photos, 95 in color.

Why We Play Roberte Hamayon,2016 Play is one of humanity's straightforward yet deceitful ideas: though the notion is unanimously agreed upon to be universal, used for man and animal alike, nothing defines what all its manifestations share, from childish playtime to on stage drama, from sporting events to market speculation. Within the author's anthropological field of work (Mongolia and Siberia), playing holds a core position: national holidays are called Games, echoing in that way the circus games in Ancient Rome and today's Olympics. These games convey ethical values and local identity. Roberte Hamayon bases her analysis of the playing spectrum on their scrutiny. Starting from fighting and dancing, encompassing learning, interaction, emotion and strategy, this study heads towards luck and belief as well as the ambiguity of the relation to fiction and reality. It closes by indicating two features of play: its margin and its metaphorical structure. Ultimately revealing its consistency and coherence, the author displays play as a modality of action of its own. Playing is no 'doing' in the ordinary sense once wrote Johan Huizinga. Isn't playing doing something else, elsewhere and otherwise ?

The Original Thoroughbred Times Racing Almanac 2003 Thoroughbred Times,Thoroughbred Times Staff,2002-09 This book is the definitive reference on the Sport of Kings.

Unveiling the Magic of Words: A Overview of "Raging Thunder 2 Play 109"
