Don M. Wolfe

The Sheer Curtain Maria Elena Garza, 2016-06-17 This short novel is dedicated to my wonderful family: my children, Cathy, Fernando, Phillip; my grandchildren Jozette, Alaena, Phoenix; and my husband, Max. The novel is especially written for an audience of young readers or adults who choose to have a child's imagination. It was such fun for me to develop the characters and scenes of this mystery. It all starts with a woman's silhouette that appears on the third-floor window of this old Victorian mansion. No one in the town of Sneila has ever seen her except when she stands behind the sheer curtain. The children of the town look forward to Halloween every year. The children together walk down the dirt road to the mansion that sits at the edge of town behind enormously tall trees and a black iron fence. Every Halloween, the children know that, in front of the mansion outside the gate, there will be a mysterious white cauldron filled with magic candies for each child. The candies are in baggies with each child's name written on the front of the baggie. How does she know every child's name? Where does this candy come from? The children agree that the candy is very different, like it's out of this world. These are only two of the mysteries that exist in the town of Sneila. Much mystery lives in the town of Sneila. The number of people in this town never changes. When one person dies, another is born. People who die are not buried. The number 8 appears throughout the town. Sometimes you have to add two digits to find the 8. The infinity symbol appears throughout the novel. Magic turtles surface and communicate with the two main characters, Samantha and Victoria. Flickering lights, hidden doors, basement, baskets, spaceships, magic turtles, mysterious bubbles, candles, and fairies create a magical kingdom. Wrinkles and gray hair are witnesses to times past. The surprise ending is sure to give you goose bumps! Other books from the author include the following: Sleepy Tears Laughing Tears Sleepy Tears Miss You Tears Gods Love is Real (poetry book) Friends and

Angels (poetry book) The Secret Meeting of the Sworceracs

Sweet Thunder Ivan Doig, 2013-08-20 A beloved character brings the power of the press to 1920s Butte, Montana, in this latest from the best storyteller of the West In the winter of 1920, a quirky bequest draws Morrie Morgan back to Butte, Montana, from a year-long honeymoon with his bride, Grace. But the mansion bestowed by a former boss upon the itinerant charmer, who debuted in Doig's bestselling *The Whistling Season*, promises to be less windfall than money pit. And the town itself, with its polyglot army of miners struggling to extricate themselves from the stranglehold of the ruthless Anaconda Copper Mining Company, seems—like the couple's fast-diminishing finances—on the verge of implosion. These twin dilemmas catapult Morrie into his new career as editorialist for the *Thunder*, the fledgling union newspaper that dares to play David to Anaconda's Goliath. Amid the clatter of typewriters, the rumble of the printing presses, and a cast of unforgettable characters, Morrie puts his gift for word-slitting to work. As he pursues victory for the miners, he discovers that he is enmeshed in a deeply personal battle as well—the struggle to win lasting love for himself. Brilliantly capturing an America roaring into a new age, *Sweet Thunder* is another great tale from a classic American novelist.

The Wishing World Todd Fahnstock, 2016-10-25 Whimsical and imaginative, with just the right mix of humor, heart, and adventure. *The Wishing World* is everything you could wish for in a story--and so much more!--Shannon Messenger, author of *Keeper of the Lost Cities* In *The Wishing World*, dreams are real. You can transform into your own hero, find wild and whimsical friends, and wield power as great as your imagination. But Lorelei doesn't know about any of that. All she knows is that a monster took her family. It happened during a camping trip one year ago. Hiding inside the tent, she saw shadows, tentacles and a strange creature. By the time she got up the courage to crawl outside, the monster--and Lorelei's mom, dad, and brother--were gone. Lorelei

is determined to find her family. When she accidentally breaks into the Wishing World, she discovers a way. It's a land more wonderful than she could have imagined, a land of talking griffons, water princesses, and cities made of sand, where Lorelei is a Doolivanti--a wish-maker--who can write her dreams into existence. There's only one problem: the monster is a Doolivanti, too. What he wishes also comes true, and he's determined to shove Lorelei out, keep her family, and make the whole Wishing World his. To save them, Lorelei must find the courage to face him, or her next wish may be her last. Award-winning author Todd Fahnestock makes his middle grade debut in this charming and whimsical adventure! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The True Meaning of Smekday Adam Rex, 2015-02-04 The hilarious, genre-bending novel from bestselling author Adam Rex that inspired the blockbuster feature film *Home* -- fully illustrated with photos, drawings, newspaper clippings, and comics sequences. When twelve-year-old Gratuity (Tip) Tucci is assigned to write five pages on *The True Meaning of Smekday* for the National Time Capsule contest, she's not sure where to begin; when her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge bizarre spaceships descended on Earth and the aliens -- called Boov -- abducted her mother? Or when the Boov declared Earth a colony, renamed it Smekland (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity's story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo; a futile journey south to find Gratuity's mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion.

Alberta ranch foreman Clay Archer, who has recently inherited the mill, is just as determined to keep it open. Stranded With Ella Shelley Munro, 2019-03-20 A ghost propels them together. Danger will try to rip them apart... Ella Liddington-Walsh is turning quietly—make that noisily—insane, and it is all soldier Dillon Williams's fault because the ghost harassing Ella belongs to HIM. Sleep-deprived and desperate, she drives to his country property to confront the man. One way or another, she will pass on her problem and finally sleep through the entire night. Not that her task will be easy since Dillon strikes her as a no-nonsense military man. A believer in ghosts—not so much. Widower Dillon judges Ella's pink hair, her weird stories of haunting and decides she's crazy. He sends her packing, but a landslide brings the sassy lady returning like a boomerang. Unable to deny her shelter during the stormy night, he discovers an unwilling fascination and attraction for the curvy Ella, along with common ground and whoa! Steamy hijinks in his big bed. After his wife's murder, Dillon isn't looking for romance, but a chance discovery brings the past and the present on a collision. Dillon realizes he likes Ella more than he should, and if he doesn't stay alert, he'll lose her in the same way he lost his wife. Contains a determined, vintage-wearing heroine and a grumpy soldier who wears guilt like a second skin. On paper, they shouldn't work but there's no accounting for the power of attraction and a landslide blocking the road.

Black Coal and White Lies Geri Monaghan, 2012-03-06 For Anna, the youngest of five daughters, life is chaotic, strange, and a little bit wonderful—even though she doesn't realize it. Growing up in a small coalmining town in the 1950s is not an easy way to live, but with the support of her sisters, her friends, and her family, she's making the best of it. She's a young, shy, pretty high school sophomore with her whole life ahead of her. But now that the last of her older sisters has moved out, Anna's loneliness is growing. When she meets Ben, everything seems to be looking up. But in order to date him, Anna must lie to her parents about many things, including his age. Ben is six years older than Anna, and he also lives with his parents. Even though she is strictly forbidden from dating older men, Anna's heart can't be swayed from falling in love. Anna finds that with each little white lie she must tell her parents, the easier that deception becomes. In her senior year, Anna is offered a job with the CIA in Washington, DC. She makes plans to move after one final summer with Ben, but he then surprises her with an engagement ring—and a proposal of a different sort. If she were pregnant, he reasons, no one would be able to stop them from being together. She loves Ben and wants to believe that he has her best interests at heart—but at what price is her happiness to be purchased?
