*Messiaen's Contemplations of Covenant and Incarnation* Siglind Bruhn,2007 The celebrated composer Olivier Messiaen (1908-1992) characterized himself as a rhythmician, ornithologist, and theologian.All interpreters concur that his life and work are grounded in a profound faith. This book examines the translation of his faith into his musical language. It centers on a hermetic analysis of two spiritually motivated instrumental compositions, Visions de l'amen for two pianos (1943) and Vingt Regards sur l'enfant-Jésus/i> for piano solo (1944). Part I introduces the main aspects of the composer's religious environment (the catholic literary revival, his father Pierre and his mentor Charles Tournemire) as well as the components of his idiosyncratic musico-symbolic vocabulary. Parts II and III examine the twenty-seven movements comprised in the Visions and the Regards, whose thematic material, structure, and musical as well as spiritual function within the whole cycle are interpreted in light of the literary source and imagery that inspired Messiaen. This book is part of Siglind Bruhn's Messiaen Trilogy.

Until a terrifying hooded figure causes Marissa's car to swerve off a snow-slick road, nearly killing her. Once again, no one wants to believe Marissa's story—not her sensible sister Catherine, and certainly not her ex-fiancé Eric, who happens to be the town's deputy chief of police. But other strange happenings are afoot...and a terrifying sequence emerges in which old friends of Gretchen's start turning up dead. As Marissa desperately races to uncover Aurora Falls's secret history, someone is two steps ahead, concealed in every taunting clue—and waiting to silence one inconvenient witness forever...

**The Genes of Wrath** Greg Mandanis,2008-12-10 A long time in the futurein the Milky Wayfar, far too close for comfort. . . Dr. Lam-I-Am-Alpha-Omega-Man-Zoff, the last living man from V.E.N.U.S., embarks on an expedition with a group of multicultural Lam Brain shock-jock faculty members and hip-hop students back to Mother Earth Gaia in search of the missing DNA of the twelve tribes of Israel. Lam meets molecular eugenicist Dr. Europa Mann, the rainbow-skinned clone of the goddess Europa of Greek mythology, and her cloned half bull-man Minotaur lover-god Zeus, who lead Lam and Lam Brain U faculty and students to Noahs ark and the fascinating world of the reemerged lost continent of Atlantis. Will Dr. Lam be able to create Venus into the new Mother Earth, by resurrecting the twelve tribes of Israel and all the extinct species that once flourished on planet Earth prior to the great flood? Could they then restore the matriarchy and biodiversity of the lost continent of Atlantis for galactic peace for all earthlings throughout the Milky Way? Will Lam Brains new world be able to free the masses of earthlings from enslavement from the genes of wrath of the red planet? Will the elitist galactic oppressors (EGOs) from all of hisdestroy finally be resurrected and brought to justice to pay reparations as reasonable compensation to the Venusians for all the pain and suffering for almost four thousand years of enslavement and genocide of their ancestors? Dr. Lam asks everyone just one question, I know were all victims of one sort or another, but cant we all just get along? But, the Universe said: No! **Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts, canons, and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools. Consequently, here is proof, beyond disproof, that all three so-called “Faiths of Abraham” are purposeful deceptions. Accordingly, related esoterica, mystery schools, and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders. Throughout this book, I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders. As comprehensive validation of this, they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts. The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia. When these decoded details are compared to the history, words, and deeds of these religions and their leaders, they finally prove the truth about many long-hidden things. These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives; that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth. Arrogant religious leaders, while hypocritically lecturing others about morality, have long overlooked that the ancient sages and prophets were painfully aware of their then-current and future misdeeds and deceptions, and patiently and expertly prepared for them !!!
