Share Your Rainbow Various,2020-08-11 When the storm subsides and the sun comes out, don't forget to look for the rainbow! Inspired by kids across the country displaying rainbows in their windows, acclaimed illustrators come together to imagine everything these rainbows represent: caring for one another, and our hopes for the future. In this collection of eighteen scenes, readers will lick an ice cream cone, swim in the ocean, cuddle close with cousins, and celebrate a birthday with a party full of friends and family. Each spread has a hidden rainbow for kids to find! An introduction by R. J. Palacio, New York Times bestselling author of *Wonder*, reminds us that rainbows have always been symbols of hope, and that as fleeting as a rainbow may seem, we can always look for the next one--in the sky, on the sidewalk, and in a window. 100% of net proceeds from the sale of this book will go to World Central Kitchen, using the power of food to help our communities weather this storm.
