Thespian Theology John A. TenBrook,John A Tenbrook, B.A., M.B.A.,2002-06 If you want audiences to laugh while being stimulated to see the scriptural message in a new light, you'll love the enjoyable and enlightening sketches in the latest installment of John TenBrook's popular Thespian Theology series. It's an inspiring collection based on Cycle B lectionary readings for the Advent, Christmas, and Epiphany seasons. Originally developed for presentation by a high school-age youth group, the simple, easy-to-perform scenes are an excellent tool for sharing the Gospel with unchurched people and getting them excited about Jesus Christ. Each skit is introduced by Thespian Theological Thoughts that briefly make an explicit connection between the drama and the scripture passage. Use these versatile pieces in place of the Sunday sermon or for youth programs and other fellowship settings -- their offbeat humor is just what you need to inject a healthy dose of fun into the serious business of speaking and hearing the word of God. Some of the amusing titles include: - Evangelist Everett Everlovin (Advent 3) - A Pizza With Everything (Epiphany 1) - Barbecue Bob And The Fresh Wineskins (Epiphany 8) A graduate of Harvard University (B.A. and M.B.A.), John A. TenBrook has been addicted to the theatre ever since he appeared in Harvard's famous Hasty Pudding Show as an undergraduate. He has worked in marketing and public relations for the Westvaco and Friendly Ice Cream corporations, and has also served as community relations director for two social service agencies in the Springfield, Massachusetts, area. He is currently the Communications Coordinator for the Episcopal Diocese of Western Massachusetts.

The Artist, the Farmer, the Hunter, and the Good Guy Diane Buzzell,2023-07-17 2 What's it about? It's about life, growing up on a farm in a small town, and lessons learned. About fun and foolishness, hard--really hard--work and accomplishments, family and friends, love and heartbreak. About hometown and Hollywood! About overcomers and encouragers, the mundane and the adventures, memories shared and retold over and over, a slice of American history you won't find in history books. It's about life and death. It's about God's love, his protection, provision, and his plan for our lives. It's about the Buzzells.

Dragon Marks Eight Gary Clifton,2019-02-26 In the mid 1980s, Kobok, a hard drinking, cynical, veteran ATF Agent, is caught between an inept supervisor and a system that demands results to avoid transfer to Butte, Montana, or a duty station where mail comes monthly by tramp steamer. Under the gun to produce a major case, he's summoned to an arson homicide in an affluent Dallas neighborhood where the only survivor is the ex-stripper wife of the victim, the owner of a brassiere factory. The ghastly crime scene discloses two pre-teen sons also dead in the debris. Kobok discovers a child's journal depicting what appears to be a game involving mythical characters and a twelve-sided dice. Thinking it might shed light on lives of a dysfunctional family, he tucks the journal away, but it soon drifts out of mind. With a rookie agent partner, weeks out of the academy, and Bull Hooper, a hard-nosed, kick-ass Dallas Homicide Detective, he wends his way along the seamy underside of Dallas, through strip clubs, an outlaw biker gang war, a variety of back alley characters, and sudden, deadly violence. In the end, he realizes with sobering clarity that what seems to be, often isn't, and the journal scribbling of a child exposed to horrors beyond his comprehension, could be more insightful than any reasoning mind could possibly understand.

Made in Miami Charles Willeford,2008-01-01 Art student Ralph Tone is working in Miami as a bellboy. He meets Hollywood hopeful Maria Duigan and falls head over heels for the ambitious beauty. As Ralph fuels his obsession by booze, pills, and lack of sleep, they both quickly become entangled with sleazy pornographer Donald McKay. Charles Willeford's MADE IN MIAMI was originally released to the unsuspecting masses in 1958 under the title LUST IS A WOMAN by a publisher incapable of spelling the author's name correctly on the cover. Written in white heat by the unlikely father of Miami crime fiction (Atlantic Monthly) to match the requirements of the market, the book remains a textbook example of lurid 1950s pulp fiction. It was also a springboard to the author's later masterpieces MIAMI BLUES and SIDESWIPE.

The Rise and Fall of the Christian Coalition Joel D. Vaughan,2009-06-15 Christian Coalition experienced a meteoric rise in American politics in the 1990s only to see its profile and impact vanish into embarrassing irrelevancy at the end of the decade, leaving many to ask, Whatever happened to the Christian Coalition? Joel Vaughan offers a behind-the-scenes look at the Christian Coalition, once the pre-eminent, conservative grassroots political organization in America. Working closely with founder Pat Robertson, President Don Hodel, and wunderkind Executive Director Ralph Reed, the author reveals in a captivating manner the factors that caused the rapid growth of this astonishingly successful organization, and the internal strife that led to its tragic and rapid decline. Containing useful insights for leaders about organizational dynamics and grassroots movements of any kind, The Rise and Fall of the Christian Coalition shows how people of faith can become more effective at making their voice heard in local, state, and national elections, as well as many obstacles and ambitions to avoid. Gilbert and Sullivan wrote a song about a young man who went to work for the British Admiralty and polished up the handles so carefully that he became ruler of Queen Victoria's Navy. Joel Vaughan rose from volunteer to Deputy Field Director and, ultimately, to the dual positions of Assistant to the President and Director of Administration. He brings an insider's intimate knowledge of the explosive growth and the ultimate crisis in leadership of Christian Coalition. Full of behind-the-scenes anecdotes and revelations, this book is a must read for every person interested in American politics who wants a better idea of the pro-family movement and its foremost organization, as well as those interested in the Do's and Don'ts of running a nonprofit organization.
