The Untouchable John Banville, 2009-02-19 One of the most dazzling and adventurous writers now working in English takes on the enigma of the Cambridge spies in a novel of exquisite menace, biting social comedy, and vertiginous moral complexity. The narrator is the elderly Victor Maskell, formerly of British intelligence, for many years art expert to the Queen. Now he has been unmasked as a Russian agent and subjected to a disgrace that is almost a kind of death. But at whose instigation? As Maskell retraces his

tortuous path from his recruitment at Cambridge to the airless upper regions of the establishment, we discover a figure of manifold doubleness: Irishman and Englishman; husband, father, and lover of men; betrayer and dupe. Beautifully written, filled with convincing fictional portraits of Maskell's co-conspirators, and vibrant with the mysteries of loyalty and identity, *The Untouchable* places John Banville in the select company of both Conrad and Le Carre. Winner of the Lannan Literary Award for Fiction Contemporary fiction gets no better than this... Banville's books teem with life and humor. - Patrick McGrath, *The New York Times Book Review* Victor Maskell is one of the great characters in recent fiction... *The Untouchable* is the best work of art in any medium on [its] subject. -*Washington Post Book World* As remarkable a literary voice as any to come out of Ireland; Joyce and Beckett notwithstanding. -*San Francisco Chronicle*

The Arts Go to School David Booth, Masayuki Hachiya, 2004 Discover the power the arts bring to every aspect of learning. Incorporating the arts in your classroom opens up new possibilities, expands the mind, creates a thirst for knowledge, and helps students become more open to the world around them, offering another way of thinking about, being in, and constructing our world. Too often classroom teachers face the challenge of teaching the arts without the background or support they need. *The Arts Go to School* explores every aspect of implementing and integrating the arts into both the curriculum and everyday life. It contains a wealth of classroom activities that help kids give form to their thoughts and feelings. This easy-to-use resource features chapters on each of the major art forms and shows teachers how to help students meet related curriculum outcomes: music--from composing songs and the elements of music to novel approaches to singing songs; visual arts-- from exploring pattern, shape, color, and texture to special events that feature mobiles, collages, and paper structures; drama-- from playing, moving, and imagining to communicating, improvising, and performing; dance-- from physical ways of conceptualizing to dance as a problem-solving exercise; media-- from being intelligent media users and using interactive media to taking a media field trip. *The Arts Go to School* offers a glimpse into dozens of exemplary classrooms where you can see, hear, and feel the arts bring learning to life. Checklists throughout the book provide handy reminders to key outcomes and guide teachers in thoughtful encouragement and assessment.
