Muhammad, the World-Changer Mohamad Jebara, 2021-11-16 An accessible biography of Muhammad, Islam's founding prophet, tracing his development from orphan to political leader and providing insights into his personal life and tastes. —New York Times Book Review A joyous read, presenting the Prophet Muhammad both as human and humane. Insightful, thoughtful and thought provoking! —Azar Nafisi, New York Times bestselling author of *Reading Lolita in Tehran* "A beautifully written, immaculately researched meditation on the impact of the Prophet Muhammad on the modern world. I loved this book!" —Reza Aslan, author of *No God but God* and *Zealot: The Life and Times of Jesus of Nazareth* A six-year-old cries in his mother's arms as she draws her last breaths to urge him: "Muhammad, be a world-changer!" The boy, suddenly orphaned in a tribal society that fears any change, must overcome enormous obstacles to unleash his own potential and inspire others to do the same. Fusing details long known to Muslim scholars but inaccessible to popular audiences, Mohamad Jebara brings to life the gripping personal story of Islam's founding prophet. From his dramatic birth to nearly being abducted into slavery to escaping assassination, Muhammad emerges as an unrelenting man on a mission. Surrounding the protagonist are dynamic women who nurture Muhammad; Jewish and Christian mentors who inspire him; and the enslaved individuals he helps liberate who propel his movement. Jebara places Muhammad's life in a broader historical context, vividly evoking the Meccan society he was born into and arguing that his innovative vision helped shape our modern world.

*The Life of Mohammad* Aloys Sprenger, 1851

**The History of al-Ṭabarī Vol. 6** Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī, 1988-01-01 The sixth volume of the translation of al-Ṭabarī's History deals with the ancestors of Muḥammad, with his own early life, and then with his prophetic mission up to the time of his Hijrah or emigration to Medina. The topics covered mean that this volume is of great importance both for the career of Muhammad himself and for the early history of Islam. Al-Ṭabarī was familiar with, and made use of, the main early source of these matters, the *Sirah* or life of Muḥammad by Ibn Ishāq, a work which is still extant. Although his own treatment is briefer than that of Ibn Ishāq, it complements the latter in important ways by making use of other sources. Where Ibn Ishāq gave only the version of an event which he preferred, al-Ṭabarī includes any variants which he considered of value. Thus he mentions the dispute about the first male to become a muslim--'Ali or Abū Bakr or Zayd--and has also several variant accounts of the call to hostility toward Muhammad from many of the leading Meccans and their attempts to put pressure on his family to stop his preaching. The negotiations with the men of Medina which eventually led to the Hijrah are fully described, and there is then an account of how Muḥammad escaped an assassination attempt and arrived safely in Medina. A concluding section discusses some chronological questions. This volume does not merely give a straightforward account of the earlier career of Muḥammad and the beginnings of Islam, but also contains valuable source-material not easily accessible otherwise, or not accessible at all.

**Muhammad** Omar Mahmoud, 2008 The advent of the holy prophet Muhammad (PBH) was foretold in so many pages of all the previous scriptures. He was finally unveiled by the Almighty God, with a message to all the world (the holy Quran). The holy Quran (as prophesied in the previous scriptures) is the actual word of the Almighty God - Allah. It was revealed for the benefit of all mankind: Blessed is He who sent down the criterion to His servant, that it may be an admonition to all creatures. (Q.25:1). It is complete and comprehensive and in conformity with the prophecy in the previous scriptures. The Almighty Allah says: .Nothing have we omitted from the Book. (Q.6:38) The message given to the holy prophet Muhammad (PBH) by the Almighty Allah for mankind thus contains a

complete code which provides for all areas of life, whether spiritual, intellectual, political, social or economic. It is a code which has no boundaries of time, place or nation. Before Islam, religion was on the authority of its own leaders, and was thus the avowed enemy of reason resulting in making theology to be based on intricate subtleties and credulous admiration of miracles. The holy Quran came and took religion by a new road untrodden by the previous scriptures in fulfillment of Jesus' prophecy. It spoke to the rational mind and alerted the intelligence. It sets out the order in the Universe, the principles and certitudes within it, and required a lively scrutiny of them that the mind might thus be sure of the validity of its claim and message. Even in relation to the narratives of the past, it proceeded on the conviction that the created order follows invariable laws, as the holy Quran says: Such was the way of God in days gone by and you will find (that) it does not change (Q.48:23). And again, God does not change people's case until they change their own disposition (Q.13:11). Even in matters of morality, the holy Quran relies on evidence: Requite evil with good and your worst enemy will become your dearest friend (Q.41:34). Thus for the first time in a revealed scripture, reason finds its brotherly place; and toleration made a corner stone of religion as the holy Quran says: There is no compulsion in religion.(Q2:256) But warned that tyranny and injustice are the two enemies of social solidarity and inter- social amity.

*Mahomet and Islam* Sir William Muir,1895

SAHÂBA 'The Blessed' Ahmad Fârûqî,2013-11-27 At the beginning of the book (The Blessed) superiority of Ashâb of our prophet, Muhammad ´alayhissalâm, is explained along with how unjust and ignorant are those who defame Ashâb-ı-kirâm. Besides, the meaning of ijtihâd is explained. In the part of cautioning, an answer is given to the book (Hüsniyye) written by an enemy of Islam. In another part, biographies of great savants of Islam - hadrat Imâm-ı Rabbâni and hadrat Sayyed Abdülhakîm-ı Arvâsi - are explained. In the part Two Apples of the Eye of Muslims superiority of hadrat Abû Bakr and hadrat Omar is explained; in the part The First Fitna in Islam events between Ashâb-ı-kirâm are explained beautifully from the pen of hadrat Imâm-ı Rabbâni Ahmad Fârûkî Sarhandi who explains that to love all of Ashâb-ı-kirâm is a fundamental condition of being Ahl-i-sunnat.

*Muhammad LP* Deepak Chopra,2010-09-21 In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that

sparked a worldwide transformation.

*The Miraculous Journey* Mohammed Iqbal Abdullah, 2007

**Jesus and Muhammad** F. E. Peters, 2010-11-11 Jesus and Muhammad are two of the best known and revered figures in history, each with a billion or more global followers. Now, in this intriguing volume, F.E. Peters offers a clear and compelling analysis of the parallel lives of Jesus and Muhammad, the first such in-depth comparison in print. Like a detective, Peters compiles dossiers of what we do and do not know about the lives and portraits of these towering figures, drawing on the views of modern historians and the evidence of the Gospels and the Quran. With erudition and wit, the author nimbly leads the reader through drama and dogma to reveal surprising similarities between the two leaders and their messages. Each had a public career as a semi-successful preacher. Both encountered opposition that threatened their lives and those of their followers. Each left a body of teaching purported to be their very words, with an urgent imperative that all must become believers in the face of the approaching apocalypse. Both are symbols of hope on the one hand and of God's terrible judgment on the other. They are bringers of peace--and the sword. There is, however, a fundamental difference. Muslims revere Muhammad ibn Abdullah of Mecca as a mortal prophet. Although known as a prophet in his day, the Galilean Jew Jesus was and is believed by his followers to have been the promised Messiah, indeed the son of God. The Quran records revelations received by Muhammad as the messenger of God, whereas the revelations of the Gospels focus on Jesus and the events of his life and death. A lasting contribution to interfaith understanding, *Jesus and Muhammad* offers lucid, intelligent answers to questions that underlie some of the world's most intractable conflicts.

**Muhammad** Karen Armstrong, 2013-08-13 *The Man Who Inspired the World's Fastest-Growing Religion* Muhammad presents a fascinating portrait of the founder of a religion that continues to change the course of world history. Muhammad's story is more relevant than ever because it offers crucial insight into the true origins of an increasingly radicalized Islam. Countering those who dismiss Islam as fanatical and violent, Armstrong offers a clear, accessible, and balanced portrait of the central figure of one of the world's great religions.

**Mohammed and Mohammedanism Critically Considered** Sigismund Wilhelm Koelle, 1889 The author lived in western Africa as a Christian missionary and intends this study as a tool of conversion. The study is divided into three books. The first book describes the historical context in which Mohammed lived and the important accomplishments of his life. In Book II, Koelle argues that Muslim authors plagiarized the story of Christ when writing about Mohammed. The book details the parallel storylines and symbolism. Chapter II of Book II contains filtered descriptions of Mohammed's physical aspects and personal habits as described by Muslim writers (his dress, his physical qualities, his miracles, his habits as to sneezing and yawning, etc). Book III is a Christianity-based assessment of the real nature of the position occupied by Mohammedanism ...

**Abu Bakr** Reşit Haylamaz,2011 This book is about Abu Bakr, the first Caliph to rule the world of Islam after the Prophet Muhammad. More important than his achievements as a state leader was his close companionship with Prophet Muhammad, a relationship that earned him the name al Siddiq. He was the only Companion who was privileged to ride alongside the Prophet Muhammad in his great migration to Madina, a turning point in the history of Islam. This book analyzes his exemplary life, his relationship with the Prophet, and his unique role in the birth period of Islam.
