The Trial of Lizzie Borden Cara Robertson,2020-03-10 In Cara Robertson’s “enthraling new book,” The Trial of Lizzie Borden, “the reader is to serve as judge and jury” (The New York Times). Based on twenty years of research and recently unearthed evidence, this true crime and legal history is the “definitive account to date of one of America’s most notorious and enduring murder mysteries” (Publishers Weekly, starred review). When Andrew and Abby Borden were brutally hacked to death in Fall River, Massachusetts, in August 1892, the arrest of the couple’s younger daughter Lizzie turned the case into international news and her murder trial into a spectacle unparalleled in American history. Reporters flocked to the scene. Well-known columnists took up conspicuous seats in the courtroom. The defendant was relentlessly scrutinized for signs of guilt or innocence. Everyone—rich and poor, suffragists and social conservatives, legal scholars and laypeople—had an opinion about Lizzie Borden’s guilt or innocence. Was she a cold-blooded murderess or an unjustly persecuted lady? Did she or didn’t she? An essential piece of American mythology, the popular fascination with the Borden murders has endured for more than one hundred years. Told and retold in every conceivable genre, the murders have secured a place in the American pantheon of mythic horror. In contrast, “Cara Robertson presents the story with the thoroughness one expects from an attorney...Fans of crime novels will love it” (Kirkus Reviews). Based on transcripts of the Borden legal proceedings, contemporary newspaper accounts, unpublished local accounts, and recently unearthed letters from Lizzie herself, The Trial of Lizzie Borden is “a fast-paced, page-turning read” (Booklist, starred review) that offers a window into America in the Gilded Age. This “remarkable” (Bustle) book “should be at the top of your reading list” (PopSugar).

The Husband Poisoner Tanya Bretherton,2021-02-23 **Shortlisted for the 2021 Ned Kelly Award for True Crime** Shocking real-life stories of murderous women who used rat poison to rid themselves of husbands and other inconvenient family members. For readers of compelling history and true crime, from critically acclaimed, award-winning author Tanya Bretherton. After World War II, Sydney experienced a crime wave that was chillingly calculated. Discontent mixed with despair, greed with callous disregard. Women who had lost their wartime freedoms headed back into the kitchen with sinister intent and the household poison thallium, normally used to kill rats, was repurposed to kill husbands and other inconvenient family members. Yvonne Fletcher disposed of two husbands. Caroline Grills cheerfully poisoned her stepmother, a family friend, her brother and his wife. Unlike arsenic or cyanide, thallium is colourless, odourless and tasteless; victims were misdiagnosed as insane malingerers or ill due to other reasons. And once one death was attributed to natural causes, it was all too easy for an aggrieved woman to kill again. This is the story of a series of murders that struck at the very heart of domestic life. It's the tale of women who looked for deadly solutions to what they saw as impossible situations. The Husband Poisoner documents the reasons behind the choices these women made - and their terrible outcomes.

The Poison Squad Deborah Blum,2019-09-24 A New York Times Notable Book The inspiration for PBS's AMERICAN EXPERIENCE film The Poison Squad. From Pulitzer Prize winner and New York Times-bestselling author Deborah Blum, the dramatic true story of how food was made safe in the United States and the heroes, led by the inimitable Dr. Harvey Washington Wiley, who fought for change By the end of nineteenth century, food was dangerous. Lethal, even. Milk might contain formaldehyde, most often used to embalm corpses. Decaying meat was preserved with both salicylic acid, a pharmaceutical chemical, and borax, a compound first identified as a cleaning product. This was not by accident; food manufacturers had rushed to embrace the rise of industrial chemistry, and were knowingly selling harmful products. Unchecked by government regulation, basic safety, or even labelling requirements, they put profit before the health of their customers. By some estimates, in New York City alone, thousands of children were killed by embalmed milk every year. Citizens--activists, journalists, scientists, and women's groups--began agitating for change. But even as protective measures were enacted in Europe, American corporations blocked even modest regulations. Then, in 1883, Dr. Harvey Washington Wiley, a chemistry professor from Purdue University, was named chief chemist of the agriculture department, and the agency began methodically investigating food and drink fraud, even conducting shocking human tests on groups of young men who came to be known as, The Poison Squad. Over the next thirty years, a titanic struggle took place, with the courageous and fascinating Dr. Wiley campaigning indefatigably for food safety and consumer protection. Together with a gallant cast, including the muckraking reporter Upton Sinclair, whose fiction revealed the horrific truth about the Chicago stockyards; Fannie Farmer, then the most famous cookbook author in the country; and Henry J. Heinz, one of the few food producers who actively advocated for pure food, Dr. Wiley changed history. When the landmark 1906 Food and Drug Act was finally passed, it was known across the land, as Dr. Wiley's Law. Blum brings to life this timeless and hugely satisfying David and Goliath tale with righteous verve and style, driving home the moral imperative of confronting corporate greed and government corruption with a bracing clarity, which speaks resoundingly to the enormous social and political challenges we face today.

Veterinary Secrets Andrew T. Jones,Andrew T Jones DVM,2014-05-23 This manual draws from Dr Jones' 17 years' experience in veterinary medicine to provide a comprehensive, step-by-step guide to home pet care and disease remedies. Dr. Jones opens by explaining how he came to question conventional veterinary treatments then began to share his concerns publicly and openly educate pet owners, empowering them to provide their pets with quality, holistic care at home. Eventually, his efforts led to his expulsion from the British Columbia Veterinary College, resulting in a ban from practicing animal medicine.

2022 Minor League Baseball Analyst Rob Gordon,Jeremy Deloney,Brent Hershey,2022-03-15 The best resource for projecting future performance of minor league athletes—essential for fantasy league baseball players The first book of its kind to fully integrate sabermetrics and scouting, the 2022 Minor League Baseball Analyst provides a distinctive brand of analysis for more than 1,000 minor league baseball players. Features include scouting reports for all players, batter skills ratings, pitch repertoires, performance trends, major league equivalents, and expected major league debuts. A complete sabermetric glossary is also included. This one-of-a-kind reference is ideally suited for baseball analysts and those who play in fantasy leagues with farm systems.

Crossing Bar Lines James Gordon Williams,2021-03-01 In Crossing Bar Lines: The Politics and Practices of Black Musical Space James Gordon Williams reframes the nature and purpose of jazz improvisation to illuminate the cultural work being done by five creative musicians between 2005 and 2019. The political thought of five African American improvisers—trumpeters Terence Blanchard and Ambrose Akinmusire, drummers Billy Higgins and Terri Lyne Carrington, and pianist Andrew Hill—is documented through insightful, multilayered case studies that make explicit how these musicians articulate their positionality in broader society. Informed by Black feminist thought, these case studies unite around the theory of Black musical space that comes from the lived experiences of African Americans as they improvise through daily life. The central argument builds upon the idea of space-making and the geographic imagination in Black Geographies theory. Williams considers how these musicians interface with contemporary social movements like Black Lives Matter, build alternative institutional models that challenge gender imbalance in improvisation culture, and practice improvisation as joyful affirmation of Black value and mobility. Both Terence Blanchard and Ambrose Akinmusire innovate musical strategies to address systemic violence. Billy Higgins’s performance is discussed through the framework of breath to understand his politics of inclusive space. Terri Lyne Carrington confronts patriarchy in jazz culture through her Social Science music project. The work of Andrew Hill is examined through the context of his street theory, revealing his political stance on performance and pedagogy. All readers will be

elevated by this innovative and timely book that speaks to issues that continue to shape the lives of African Americans today.

The Peanut Butter Promise Steve Rose,2021-01-26 “Read this book and read it slowly to take it all in. You will not be disappointed in The Peanut Butter Promise. If you have been living in the land of almost—almost making the changes you need to make—almost living a life of meaning and purpose, it is time you went from ‘almost’ to ‘all in.’ The Peanut Butter Promise will show you how, and encourage you as well as inspire you to do it.” —Stephen Arterburn, New York Times Bestselling Author and Host of the Nationally Syndicated program New Life Live! Of the 7.7 billion people inhabiting the earth, there’s only ever been, and will only ever be, one exactly like you! You’re an original, not a copy. You can never be replicated or replaced. You’re essential! What if you were told there was a book that had the potential to turn your life upside down for good? Through The Peanut Butter Promise, you’ll learn that: • We’re each born with every talent, ability, gift, and the necessary desire to fulfill a meaningful and unique God-given purpose. • Just as peanut butter was destined to find jelly and make a great sandwich, Peanut Butter Promise Partners come into our life to help us achieve our DreamGoals, and fulfill our purpose. • The dreams and desires of our heart—those that are in agreement with our purpose—are meant to come true at the right time. The time for action is now! You have nothing to lose, but everything to gain by opening this hope and encouragement-filled book!

Bloody Jack Louis A. Meyer,2002 While disguised as a boy, Jacky Faber experiences adventure and romance on the high seas--

The Disappearing Spoon Sam Kean,2010-07-12 From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters?* The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them. THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

Unwrapping the Greatest Gift Ann Voskamp,2014 Offers guidance for taking part in the Advent tradition of the Jesse Tree, with scriptural passages, devotions, and activities intended to apply their themes.

The Leadership Secrets of Nick Saban John Talty,2022-08-09 For almost every year of the last decade, any college team coveting a national championship has had to reckon with going against the Crimson Tide. With coach Nick Saban at the helm, Alabama has won six of the last 12 national titles. The 2020 championship team showcased Saban’s evolution as a leader and further solidified what many long suspected was true: Nick Saban is college football’s greatest coach ever. Leaders of any kind, including coaches and beyond, stand to gain great wisdom and inspiration by learning from his success. In The Leadership Secrets of Nick Saban, senior sports editor and SEC Insider for Alabama Media Group, John Talty, highlights the keys to Saban’s winning strategy and offers readers a blueprint for paving their own paths to success using the esteemed coach’s leadership lessons. Through original interviews and never-before-heard anecdotes, Talty charts Saban’s journey to college football’s mountaintop and reveals some of the magic behind what keeps him atop it. You’ll get an inside look at what it’s like to work or play for Coach Saban, including the mottos and motivation strategies he uses to inspire his organization. Competing universities commit tens of millions of dollars to hiring coaches who might unlock a little of Saban’s magic for their teams. With this book, you’ll learn the key traits and habits that propel Alabama football without having to foot the hefty bill others have. Whether you want to build a winning culture on the football field or as a leader in a range of professional arenas, this book is a comprehensive guide to refusing complacency amid success and how to find the right people committed to building a legacy with you.

Policing the Womb Michele Goodwin,2020-03-12 In Policing the Womb, Michele Goodwin explores how states abuse laws and infringe on rights to police women and their pregnancies. This book looks at the impact of these often arbitrary laws which can result in the punishment, incarceration, and humiliation of women, particularly poor women and women of color. Frequently based on unscientific claims of endangering a fetus, these laws allow extraordinary powers to state authorities over reproductive freedom and pregnancies. In this book, Michele Goodwin discusses real examples of women whose pregnancies have been controlled by the law and what has led to the United States being the deadliest country in the developed world for a woman to be pregnant.

Tumtum and Nutmeg Emily Bearn,2010-09 The Nutmouses enjoy a quiet life. As long as there is food on the table and a warm fire to take a nap in front of, Tumtum and Nutmeg couldn't be happier. But somehow they get involved in all sorts of adventures with their boisterous friend, General Marchmouse.

This Is Me Mrs Hinch,2020-10-01 Pre-order this extraordinarily candid memoir and discover the real Sophie Hinchliffe, the woman behind the Mrs Hinch phenomenon. *** FEATURING A BONUS PAPERBACK CHAPTER ABOUT THE BIRTH OF LENNIE *** THE SUNDAY TIMES NO. 1 BESTSELLER 2020 'Gut-wrenchingly honest' The Mail on Sunday 'I love that woman so much, she is just so great' Rylan Clark-Neal, BBC Radio 2 _____ I sometimes can't believe just how much has happened in the last couple of life-changing years. It's been a total whirlwind of a journey, and I'm so grateful to all my followers for their amazing love and support along the way. From my very first toy kitchen which was my pride and joy right through to the my very first Instagram posts stories of my cleaning routine, I'm going to take you back to the start of how it all began. But there is so much more to my story than just cleaning tips; there have been the highest of highs, but also heart-breaking devastating lows. So let's do this! Put your Hinch Lists to one side, get comfy and join me on the sofa with a cuppa. Welcome to my world. This is me: Soph - the wife, the mother and the person behind Mrs Hinch. _____ 'The sensation' Sun 'We're mad about Mrs Hinch' Vogue 'My new cleaning goddess' Daily Telegraph 'Doing for household chores what Marie Kondo did for tidying' Daily Mirror 'Mrs Hinch offers a reassuring structure for the day, a vision of domestic order' Guardian

The Humane Gardener Nancy Lawson,2017-04-18 In this eloquent plea for compassion and respect for all species, journalist and gardener Nancy Lawson describes why and how to welcome wildlife to our backyards. Through engaging anecdotes and inspired advice, profiles of home gardeners throughout the country, and interviews with scientists and horticulturalists, Lawson applies the broader lessons of ecology to our own outdoor spaces. Detailed chapters address planting for wildlife by choosing native species; providing habitats that shelter baby animals, as well as birds, bees, and butterflies; creating safe zones in the garden; cohabiting with creatures often regarded as pests; letting nature be your garden designer; and encouraging natural processes and evolution in the garden. The Humane Gardener fills a unique niche in describing simple principles for both attracting wildlife and peacefully resolving conflicts with all the creatures that share our world.

Rupture Ragnar Jónasson,2016-12-24 1955. Two young couples move to the uninhabited, isolated fjord of Hedinsfjörður. Their stay ends abruptly when one of the women meets her death in mysterious circumstances. The case is never solved. Fifty years later an old photograph comes to light, and it becomes clear that the couples may not have been alone on the fjord after all... In nearby Siglufjörður, young policeman Ari Thór tries to piece together what really happened that fateful night, in a town where no one wants to know, where secrets are a way of life. He’s assisted by Ísrún, a news reporter in Reykjavik, who is investigating an increasingly chilling case of her own. Things take a sinister turn when a child goes missing in broad daylight. With a stalker on the

loose, and the town of Siglufjörður in quarantine, the past might just come back to haunt them. Haunting, frightening and complex, Rupture is a dark and atmospheric thriller from one of Iceland’s foremost crime writers. ‘Traditional and beautifully finessed... morally more equivocal than most traditional whodunnits, and it offers alluring glimpses of darker, and infinitely more threatening horizons’ Independent • ‘Jonasson’s books have breathed new life into Nordic noir’ Sunday Express • ‘Bitingly contemporary in setting and tone’ Express • ‘A modern take on an Agatha Christie-style mystery, as twisty as any slalom...’ Ian Rankin • ‘A classic crime story seen through a uniquely Icelandic lens ... first rate and highly recommended’ Lee Child • ‘Chilling, poetic beauty... a must read!’ Peter James • ‘British aficionados of Nordic Noir are familiar with two excellent Icelandic writers, Arnaldur Indridason and Yrsa Sigurdardottir. Here’s a third: Ragnar Jónasson ... the darkness and cold are palpable’ Marcel Berlins, The Times For fans of Trapped, Yrsa Sigurdardottir, Agatha Christie and Ann Cleeves

The Ceely Rose Murders at Malabar Farm Mark Sebastian Jordan,2018-02-05 This chilling true crime history reveals the story of a young woman in nineteenth century rural Ohio who poisoned her family for love. It was a cold and rainy day in Ohio’s Pleasant Valley in the spring of 1896, one that began like any other for the Rose family. What they didn’t know was that young Ceely Rose was brooding. She’d been told to forget her obsession with handsome Guy Berry. She’d been told about the danger of Rough-on-Rats poison. She’d heard about murdering those who stand in the way of love. By the time Ceely was done, her family would be dead and others threatened. Later, the place where these crimes took place became Malabar Farm, the estate of Pulitzer Prize-winning author and conservationist Louis Bromfield. In The Ceely Rose Murders at Malabar Farm, Ohio author and historian Mark Sebastian Jordan examines the story of the Poisoner of Pleasant Valley, and how it has resonated throughout the years.

Black Silent Majority Michael Javen Fortner,2015-09-07 Aggressive policing and draconian sentencing have disproportionately imprisoned millions of African Americans for drug-related offenses. Michael Javen Fortner shows that in the 1970s these punitive policies toward addicts and pushers enjoyed the support of many working-class and middle-class blacks, angry about the chaos in their own neighborhoods.

The Poltergeist Prince of London James Clark,Shirley Hitchings,2013-10-01 It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here - by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history - but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all - Shirley herself.

Cu-RE Your Fatigue: The Root Cause and How To Fix It On Your Own Morley Robbins,2021-11-01 The leading cause of death on Planet Earth is Metabolic Syndrome. Some 40% of all Earthlings now suffer from this condition which covers the gamut of Heart Disease, Cancer, Neurodegeneration, Liver disease, and PCOS. What is worth knowing is that ALL of these and related conditions start with Fatigue, known in scientific circles as energy deficiency. 40% of the Earth's population has a formal clinical diagnosis that their mitochondria cannot make adequate levels of energy. [Cu]re Fatigue is a book devoted to educating the masses and their doctors exactly how and why this is happening. Our mitochondria make energy by a series of enzymes to work synergistically to create ATP, the cellular currency of energy. These mitochondrial enzyme reactions rely on minerals that are easily lost to stress. This book explains these concepts, how these challenges can be overcome and introduces the reader to a simple, proven Root Cause Protocol that is designed to generate more energy and end fatigue. This book is designed for those seeking the truth in human metabolism and those wanting to take back control of their health. It is one part textbook and one part user's guide based on a decade of research and client experience.

Ratpoison Podcast Youtube: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Ratpoison Podcast Youtube : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ratpoison Podcast Youtube : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
