Religious Hair Display and Its Meanings William C. Innes, Jr,2021-04-30 This book explores the fascinating world of religious hair observances within six religious traditions that account for 77% of the world’s adherents: Judaism, Christianity, Islam, Hinduism, Buddhism, and Sikhism. Symbolic use of hair has been, and remains, prevalent in all six and carries significant amounts of religious and social meaning. Hair is a unique body substance. It can be shaped and colored, removed from us without pain but still retain an individual’s essence, signal our age, sex, and sexual maturity, and much, much more. The book’s approach is to situate each practice within its tradition. That requires a study of its foundational leaders and their teachings, sacred texts (where they mention hair), its rites and rituals, ideas of religious power and subsequent historical development. Contemporary practitioners are interviewed for their motivations. Even more insight can be gleaned by searching beyond an overt religious purpose. Social scientists from anthropology, sociology, psychology, and related fields bring their research to deliver added perceptions. The author reveals how hair practices are created from ancient psychological and cultural impulses, become modified by time, culture and religious intent, and are adopted by adherents for reasons ranging from personal religious expression to group identity. This book is written for the interested observer of our increasingly diverse society and for the student of comparative religion and sociology. It will change forever how you see hair.

His prose and his pronouncements are everything Palmer’s practically never were: restrained, nuanced, intelligently considered. Nadis has a great story, and he relates it exquisitely.” —Jerome Clark, Fortean Times “Fred Nadis’s insightful biography demonstrates that Palmer is significant as well as intriguing.” —The Washington Post “One of science fiction’s greatest gadflies gets his due in this lively and entertaining biography.” —Publishers Weekly “Lucidly written and unfailingly lively, The Man from Mars is a biography worthy of its subject.” —Fate magazine
