Resistant Students Mary Skvorak,2013 Resistant Learners: Reach Me Before You Teach Me focuses on those students whose behavior limits their learning and challenges their teachers while perhaps interrupting the learning cycle of their peers. Each chapter explains the theoretical and research background for each topic. Most importantly, each chapter satisfies the intentional design of the book--to offer situational examples and dialog that clearly shows how building trusting relationships can happen and how making positive personal connections with students might actually look. Practicing teachers, pre-service teachers, teacher educators, professional development staff and school administrators who represent the field of education as caring professionals will benefit from this book.

Here's how to Reach Me Judith A. Pauley,Dianne F. Bradley,Joseph F. Pauley,2002 Three experienced educators present this text which is based on the Process Communication Model (PCM), a communication tool which identifies six different personality types. The authors explain the six personality types; how to pinpoint a student's personality structure, motivational needs, strengths and challenges; and how to use an understanding of each student's personality type to find the most effective ways to reach individual students and to create a positive classroom environment. The text also discusses how to identify one's own personality type, and ways to provide one's personality needs in both professional and personal settings. I Only Know Who I Am When I Am Somebody Else Danny Aiello,2014-10-14 Beloved stage and screen actor Danny Aiello's big-hearted memoir reveals a man of passion, integrity, and guts—and lays bare one of the most unlikely success stories ever told. Danny Aiello admits that he backed into his acting career by mistake. That's easy to see when you begin at the beginning: raised by his loving and fiercely resilient mother in the tenements of Manhattan and the South Bronx, and forever haunted by the death of his infant brother, Danny struggled early on to define who he was and who he could be. It wasn't until he took to the stage in the wee hours to belt out standards that Danny Aiello found his voice and his purpose: he was born to act. Performing in converted churches and touring companies led to supporting roles in such films as The Godfather: Part II and Moonstruck, and an Oscar nomination for his role as the embattled Salvatore in Spike Lee's Do the Right Thing. For a guy who had never set foot in an acting class, this was supreme validation for being an outsider who followed his heart. In a raw and real chronicle of his gritty urban past, Danny Aiello looks back with appreciation, amusement, and frank disbelief at his unconventional road to success. He offers candid observations on working with luminary directors Francis Ford Coppola, Woody Allen, and Robert Altman, among others, and a vast roster of actors, including Robert De Niro, Paul Newman, Madonna, Cher, and Lauren Bacall. He opens up about friends he loved, friends he lost, and the professional relationships that weren't meant to be. Above all, Danny Aiello imparts a life lesson straight out of his own experience to anyone who's ever felt like an outsider: It's never too late to become who you want to be, to find happiness and fulfillment, and to embrace the winding road to get there.

Reach Me with SMILES Barbara A. F. Brehon,2014-03-28 Reach Me with Smiles is a useful resource that will enhance teacher effectiveness, merging six approaches that can be used in any teaching context. How do you teach a lesson that will assist with growth? Teachers and leaders stimulate, motivate, involve, love, encourage, and strengthen students. The concept is recommended for teacher development to improve existing skills for independent or group study: • Examine how to equip persons who make disciples of others, a core value of Christian ministry • Keep lessons fresh as you remain equipped and updated with what God has called you to do • Consider unique characteristics of God’s creation—your students • Discover how to be intentional about teaching others how to demonstrate their faith • Distinguish between “disciple” and “disciple maker” as a part of increasing effectiveness • Examine processes to assist Christians with equipping the body of believers • Explore how to escort church members toward becoming more mature Christians • Equip servants to build strong foundations for transformational ministry in the church and community • Uncover practical strategies for the local church or in service to the community The user-friendly layout considers teacher preparation as a process, offers suggestions to help teachers self-evaluate regularly, and provides a ready reference for specific skills with confidence. The investment of teaching, training, and equipping saints enriches and empowers Christian education. Reach Me with SMILES is a handy source for developing and nurturing spiritual growth, changing lives, and winning souls for the kingdom. Teachers, leaders, or anyone exploring teaching will be edified and empowered to sail away, reaching others for Christ.

The Yearling Marjorie Kinnan Rawlings,2011-06-28 An American classic—and Pulitzer Prize–winning story—that shows the ultimate bond between child and pet. No novel better epitomizes the love between a child and a pet than The Yearling. Young Jody adopts an orphaned fawn he calls Flag and makes it a part of his family and his best friend. But life in the Florida backwoods is harsh, and so, as his family fights off wolves, bears, and even alligators, and faces failure in their tenuous subsistence farming, Jody must finally part with his dear animal friend. There has been a film and even a musical based on this moving story, a fine work of great American literature.

Gullstruck Island Frances Hardinge,2018-10-09 From the award-winning author, “a breathtaking journey of revenge and redemption that pits a stubborn, devoted girl against an unknown evil” (Kirkus Reviews, starred review). On Gullstruck Island, legend has it that the mountain ranges and volcanoes are in charge. Anger them, and you’ll pay the price. Keep them happy, and you’ll enjoy their protection. These stories of the land’s command come in handy for quiet, near-invisible Hathin when she must run for her life. Hathin’s sister, Arilou, is believed to be a Lost. The Lost are held nearly sacred by those on Gullstruck, for they can send their senses away from their bodies. If Lost, Arilou can read a message across the island. If Lost, Arilou can hear whispers in the corners of private rooms. If Lost, Arilou can smell bread baking in the governor’s mansion. All from her beachside hut. But the question remains: Is Arilou really a Lost? When all the Lost drop dead, except Arilou, she and Hathin are swept into a grand conspiracy that leads them to the most sinister depths—and heights—of the island. “Filled with sentient volcanoes, gem-studded teeth, villains, heroes, revenge, love, and the world’s most frightening dentist, this is a book to rival The Princess Bride in scope, adventure, and excitement. It’s Hardinge’s magnum opus. One that I dearly hope both kids and adults enjoy in equal measure.” —A Fuse #8 Production, School Library Journal “Delightfully inventive . . . Ripe, rollicking, and endlessly creative.” —The Guardian “A luminous example of gifted storytelling at its best.” —Publishers Weekly (starred review)

I'm Trying to Reach You Barbara Browning,2012-07-17 * The Believer Book Award Finalist * One of the Best Books of 2012 —BuzzFeed “I was in Zagreb the day that Michael Jackson died. When I heard the news, the first thing I thought was, That’s it. That’s the first line of my novel. ‘I was in Zagreb the day that Michael Jackson died.’” First Michael Jackson, then Pina Bausch. Next is Merce Cunningham. Gray Adams, a former dancer with the Royal Swiss Ballet at work on his dissertation at NYU, has a theory spurred by countless hours of YouTube-based procrastination: Someone is killing these famous dancers! (And he may bear an uncanny resemblance to Jimmy Stewart, circa Vertigo.) I’m Trying to Reach You is a moving and candid contemporary look at how we process grief, as well as how we love and communicate with one another. A provocative novel... that blurs the boundaries between life and performance, dance, art, and viral video. The novel is also framed in the world of performance art and is itself its own kind of performance... and feels rightly reflective of a moment when dance is pushing the boundaries of what constitutes a performance space. —Slate
