*Hard As a Rock Crosswords: Really Hard!* Stanley Newman,2021-11-16 These super-tough crosswords are rock-solid entertainment for puzzle fans! Everyone looks forward to Saturday, but for some of us, it's not just because it's the weekend--it's when the newspapers publish their hardest crosswords. Hard as a Rock Crosswords: Really Hard! features the hardest of the hard, with some of the twistiest, most fiendishly misleading clues you'll ever have the pleasure of tearing your hair out over. This 96-page puzzle book features 72 themeless 15x15 crosswords from some of the top puzzle makers in the country, with wide-open diagrams that will make you wonder How did they even make this? Expert solvers will love the challenge, and those who want to become expert solvers will enjoy the opportunity to hone their skills. And if the puzzles ever make you feel at a loss for words, the answers are always in the back.

**The Monster Book of Really Hard Sudoku (Volume 1)** parradock puzzles,2019-07-16 Relax and enjoy solving these 450 Hard and Very Difficult puzzles to stay sharp and have fun! This large-print 8.5 x 11 book won't fit in your pocket, but you can slip it in your briefcase, carry-on or beach bag and relax with a puzzle in your spare moments. You can also just tear out a page and take it with you.One big puzzles on each page give you plenty of space to note candidates and sturdy paper holds up well to erasing.Extra wide center margins make it easier to solve the puzzles when you fold the book back.Large print on white paper is very easy to read (even in dim light).Each puzzle has one solution - provided at the back of the book. Go ahead and peek if you get stuck or want to verify your answer.Advance from Hard to Very Difficult puzzles as you improve and gain experience.Get more than one book and arrange a friendly challenge!If you were misled by other books with trivial Sudoku puzzles labeled difficult or medium puzzles called hard, we feel your frustration. What is easy for one person can be a serious challenge for another and categories are not precise. Because there is no official Sudoku grading standard, you have no way to compare puzzles from different authors. For example, a medium puzzle in one book can be called hard in a newspaper or in a book by a different author. We determine difficulty by the logic techniques needed to solve the puzzle. Look inside the book to see the logic techniques used for Hard Sudoku.

**An Elegant Puzzle** Will Larson,2019-05-20 A human-centric guide to solving complex problems in engineering management, from sizing teams to handling technical debt. There's a saying that people don't leave companies, they leave managers. Management is a key part of any organization, yet the discipline is often self-taught and unstructured. Getting to the good solutions for complex management challenges can make the difference between fulfillment and frustration for teams—and, ultimately, between the success and failure of companies. Will Larson's An Elegant Puzzle focuses on the particular challenges of engineering management—from sizing teams to handling technical debt to performing succession planning—and provides a path to the good solutions. Drawing from his experience at Digg, Uber, and Stripe, Larson has developed a thoughtful approach to engineering management for leaders of all levels at companies of all sizes. An Elegant Puzzle balances structured principles and human-centric thinking to help any leader create more effective and rewarding organizations for engineers to thrive in.
