Making a Monstrous Halloween Chris Kullstroem,2009-05-27 Halloween is one of the most popular holidays, known for its fun and creativity for all ages. This work offers instructions and tips for Halloween-related activities and events for a variety of settings, from school to work to home to the local graveyard. The Tudor Throne Brandy Purdy,2011-01-28 In the wake of King Henry VIII's death, England's throne is left in a precarious state-as is the peculiar relationship between his two daughters. Mary, the elder, once treasured, had been declared a bastard in favor of her flame-haired half-sister, Elizabeth, born of the doomed Anne Boleyn. Yet the bond between the sisters was palpable from the start. Now reinstated, Mary eventually assumes her place as queen. But as Mary's religious zeal evolves into a reign of terror, young Elizabeth gains the people's favor. Gripped by a tormenting paranoia, Mary is soon convinced that her beloved Elizabeth is in fact her worst enemy. And the virginal Elizabeth, whose true love is her country, must defy her tyrannical sister to make way for a new era. . . A brilliant portrait of the rule of Bloody Mary and her intricate relationship with Elizabeth I, the adored Virgin Queen, here is a riveting tale of one family's sordid and extraordinary chapter in the pages of history. Praise for Brandy Purdy and *The Boleyn Wife* Recommended for readers who can't get enough of the Tudors and have devoured all of Philippa Gregory's books. --Library Journal

Tired of Winning Jonathan Karl,2023-11-14 THE INSTANT NEW YORK TIMES BESTSELLER The most important thing that has been written to date about what is in front of the American people in the next presidential election. —Nicolle Wallace An extraordinary view into the politics of our times, *Tired of Winning* explores how Donald Trump remade the Republican Party in his own image—and the wreckage he's left in his wake. Packed with new reporting, *Tired of Winning: Donald Trump and the End of the Grand Old Party* tracks Trump's improbable journey from disgraced and defeated former president to the dominant force, yet again, in the Republican Party. From his exile in Mar-a-Lago, Donald Trump has become more extreme, vengeful, and divorced from reality than he was on January 6, 2021. His meddling damaged the GOP's electoral prospects for third consecutive election in 2022. His legal troubles are mounting. Yet he re-emerged as the frontrunner for the 2024 Republican presidential nomination. Jonathan Karl has known Donald Trump since his days as a New York Post reporter in the 1990s, and he covered every day of Trump's administration as ABC News's chief White House correspondent. No one is in a better position to detail the former president's quest for retribution and provide a glimpse at what the GOP would be signing up for if it once again chooses him as its standard bearer. In 1964, Ronald Reagan told Americans it was "a time for choosing." Sixty years later, Republicans have their own choice to make: Are they tired of winning?

He That Overcomes H. A. "Buster" Dobbs, 2011-11-21 The book of Revelation records an immense struggle between good and evil, truth and error, God and Satan. Throughout Revelation and this study there is the great concept of spiritual warfare, with its demands for courage and faithfulness, and with its promise of great reward to those who overcome. The gist of the book is revelation, persecution, victory.

'Til Grim's Light Michelle Gross, 2016-12-15 Melanie met the monster she feared most and survived-- but at a cost. A life was lost. And one became two. Now that Killian was no longer Grim Reaper, he was back to being an incubus demon. And if waiting for demons to attack weren't enough on a girl, being around him while his pheromones were slipping--planting dirty thoughts inside her head--was enough to make anyone question their sanity. But her dirty mind and trying to stay alive weren't the only thing she had to worry about. The Vessel had awakened inside her. She needed to figure out what it was and why there was suddenly a voice inside her head. Soon, Melanie was questioning everything, wondering... all the while spiraling down a path toward Grim and Killian, discovering her own feelings. Then came the question: What if they were wrong about the Vessel? For mature readers 18+ for sexual content and situations that might offend some.

Death At All Times Robert Benefiel, 2021-04-11 *Death At All Times* is one of several books that culls together older material from the author Robert Benefiel. Written primarily in his later 20's, he contends that the pieces included are neither better, nor worse, than any of his more current works. With a tendency to paint the mundane, seedy, and trivial parts of life as more meaningful, as well as create fantastical mythology, the works span through all the main human topics, and emotions, found in any artist or writers work. Whether it be about getting your car fixed, or watching people run desperately after a bus, usury, scientists inventing the first poetry writing computer, or even the simple act of forgiving a parent, the poems continue in the same humorous, revealing, and realistic expression the author has always committed himself to.

On a Pale Horse Piers Anthony, 2012-02-14 In this first novel of the Incarnations of Immortality, Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death. This is a novel that will long linger in the reader's mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept his unwelcome task, despite the rules that seemed woefully unfair. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution!
