Cooking for Elves, Dwarves and Dragons Thea James, Isabel Minunni, 2021-08-10 *Cooking for Elves, Dwarves and Dragons* presents an extraordinary - and completely magical - collection of recipes inspired by the most popular and respected fantasy literature, films and TV series of all time. There are 125 mouth-watering recipes in all, including fantastic dishes suggested by J.R.R. Tolkien's *The Lord of the Rings*, Andrzej Sapkowski's *The Witcher*, George R.R. Martin's *A Song of Fire and Ice*, N.K. Jemisin's *Broken Earth Trilogy*, Robert Jordan's *The Wheel of Time*, and many others. Some dishes are well-known - ones that passionate fans have long wished they could taste (Elven Lembas bread, anyone?). Others capture the mood and emotions of a particularly memorable scene, such as the meal that was eaten prior to *Game of Thrones'* fan favorite *Battle of the Bastards*. Accompanying each recipe is an introductory essay that shines a bit of light on the tales, heroes, villains or histories that inspired it. Readers will also find sidebars and features that provide even more intriguing insights, trivia and fantasy-related fun. Nearly 50 illustrations appear throughout, rendered by noted artist Tim Foley, whose eye-catching scratchboard style captures the look and feel of classic Medieval woodcut printing techniques. The book itself is an artifact of sorts, with faded, time-worn pages and a leatherette cover, lending the overall package the feel of an ancient grimoire - perhaps discovered in a long-forgotten

crypt or wizard's castle. Either way, it's a cookbook treasure sure to please hungry readers of any realm.

The Wizard's Cookbook Steve Bellaria, 2024-02-24 Would you like to taste some Bertie Bott's Every Flavour Beans or some amazing Fizzing Whizzbees? Are you ready to enter the magical wizarding world and imagine sitting in the Great Hall with Harry, Ron and Hermione? Admit it... you are a huge fan of the amazing Harry Potter series and you have dreamed at least once about sitting at the Leaky Cauldron drinking a butterbeer, or being in the Hogwarts Express unwrapping a chocolate frog while it tries to escape... I might be thinking that it is impossible, and it is equally unlikely to make Peppermint toads, Jelly belly, or some cockroach clusters. But you are wrong I grew up with Harry Potter and I have spent many years imitating all the dishes from the wizarding world. Do not worry, I have tested all the recipes before writing this amazing cookbook, and guess what? I am still alive! So you do not have to worry: you will not get food poisoning... but you might have to eat an earwax flavoured bertie bott's every flavour bean (of course you do not have to eat it). Jokes aside, it's time to introduce The Wizards Cookbook, which contains 100 tested magic recipes for every occasion, divided into sweet and savory dishes. Oh, I forgot, before you ask me... no, you cannot use the magic wand, it is against the Decree for the Reasonable Restriction of Underage Sorcery, and I guess you do not want to be tried and expelled from Hogwarts, or worse... to end up in Azkaban. After this brief premise, here is what you will find in this creative cookbook: 100 tested recipes of the main dishes inspired by Harry Potter series, even Bouillabaisse and Sugar Quills. A brief history before each recipe to connect the dish to a specific scene of the movie. Step by step instructions to make all the recipes and surprise your muggle friends and family. The secret recipe of the butterbeer milk that no other cookbook

contains. Are you ready to begin a new magic adventure?
