Culturally Responsive Substance Use Treatment Gabrielle Jones,2024-03-11 This book invites readers into the transformative world of culturally responsive substance use treatment and illuminates the importance of integrating cultural understanding and sensitivity into every aspect of substance use treatment, offering a comprehensive guide for organizations, practitioners, and students alike. Drawing from her extensive experience in the industry, Dr. Jones masterfully articulates why cultural responsiveness is critical when providing substance use treatment. She skillfully delves into the intricate ways in which culture influences an individual's relationship with substance use, emphasizing the need for tailored and inclusive interventions. Through compelling case studies, practical tools, and thought-provoking insights, Dr. Jones empowers readers to navigate the complexities of culture, paving the way for more effective and impactful treatment strategies utilizing her developed framework. This book is an indispensable resource for anyone seeking to transform the landscape of substance use treatment and promote equitable, inclusive care.

Democratizing Application Development with AppSheet Koichi Tsuji,Suvrutt Gurjar,Takuya Miyai,2023-01-06 A hands-on guide to building sophisticated business applications and automation using AppSheet to deliver business results quickly without writing lines of code Key FeaturesLearn how the AppSheet Editor works to configure, test, and deploy a business app without writing lines of codeGet hands-on experience with AppSheet by building a real-world application throughout the bookExplore useful tips and tricks to develop custom functionalities in the app to meet

unique business needs

Book Description Many citizen developers regularly use spreadsheets in their business and day-to-day jobs. With AppSheet, you can take your spreadsheets to the next level by enhancing their ease of use. The platform allows you to run your business efficiently and manage it in the field outside of an office or indoor environment. This book enables you to create your own simple or medium to complex hybrid apps for business or personal use. As a beginner to AppSheet, this book will show you how the AppSheet Editor works and how it is used to configure, test, and deploy an app and share it with others as users or co-authors. You'll learn about widely used features such as how to use data sources, create app views and actions, construct expressions with AppSheet functions, and make your app secure through security and UX options. Next, you'll create email/attachment templates and develop reports/documents based on templates, store in the cloud, and send files through emails. You'll also understand how to integrate third-party services and monitor various usage statistics of your app. As you progress, you'll explore various features with the help of sample apps that you create using the book. By the end of this book, you'll have learned how to make the most of AppSheet to build powerful and efficient applications. What you will learn

Discover how the AppSheet app is presented for app users

Explore the different views you can use and how to format your data with colors and icons

Understand AppSheet functions such as yes/no, text, math, list, date and time and build expressions with those functions

Explore different actions such as data change, app navigation, external communication, and CSV import/export

Add/delete and define editing permissions and learn to broadcast notifications and inform users of changes

Build a bot through the AppSheet Automation feature to automate various business workflows

Who this book is for This book is for beginner and intermediate-level citizen application developers in small or medium size businesses and business users who want to develop their own apps. Basic knowledge of Google Sheets or Excel and an understanding of different spreadsheet formulas are required. Knowledge of SQL and basic software development will be beneficial but not necessary.

The Recovery Book Al J. Mooney, Catherine Dold, Howard Eisenberg, 2014-09-09 “A classic. Read it. Use it. It can help guide you step by step into the bright light of the world of recovery.” –from the Foreword by Harry Haroutunian, M.D., Physician Director, Betty Ford Center “The Recovery Book is the Bible of recovery. Everything you need to know you will find in here.” –Neil Scott, host, Recovery Coast to Coast radio Hope, support, and a clear road map for people with drug or alcohol addiction. Announcing a completely revised and updated second edition of The Recovery Book, the Bible of addiction recovery. The Recovery Book provides a direct and easy-to-follow road map to every step in the recovery process, from the momentous decision to quit to the emotional, physical, and spiritual issues that arise along the way. Its comprehensive and effective advice speaks to people with addiction, their loved ones, and addiction professionals who need a proven, trusted resource and a supportive voice. The new edition of The Recovery Book features the revolutionary Recovery Zone System, which divides a life in recovery into three chronological zones and provides guidance on exactly what to do in each zone. First is the Red Zone, where the reader is encouraged to stop everything, activate their recovery and save their life. Next is the Yellow Zone, where the reader can begin to rebuild a life that was torn apart by addiction. Finally, the reader reaches the Green Zone, where he can enjoy a life a recovery and help others. Readers also learn how to use the Recovery Zone ReCheck, a simple, yet very effective relapse prevention tool. The Recovery Zone System works hand-in-hand with the 12-step philosophy and all other recovery methods. In addition, The Recovery Book covers new knowledge about addiction mechanisms and neuroplasticity, explaining how alcohol and drugs alter the brain. The authors outline a simple daily practice, called TAMERS, that helps people to use those same processes to “remold their brains” around recovery, eventually making sobriety a routine way of life. Written by Al J. Mooney, M.D., a recovery activist who speaks internationally on recovery, and health journalists Catherine Dold and Howard Eisenberg, The Recovery Book covers all the latest in addiction science and recovery methods. In 26 chapters and over 600 pages, The Recovery Book tackles issues such as: Committing to Recovery: Identifying and accepting the problem; deciding to get sober. Treatment Options: Extensive information on all current options, and how to choose a program. AA and other 12-Step Fellowships: How to get involved in a mutual-support group and what it can do for you. Addiction Science and Neuroplasticity: How alcohol and drugs alter pathways in the brain, and how to use the same processes to remold the brain around recovery. Relapse Prevention: The Recovery Zone ReCheck, a simple new technique to anticipate and avoid relapses. Rebuilding Your Life: How to handle relationships, socializing, work, education, and finances. Physical and Mental Health: Tips for getting healthy; how to handle common ailments. Pain Control: How to deal with pain in recovery; how to avoid a relapse if you need pain control for surgery or emergency care. Family and Friends: How you can help a loved one with addiction, and how you can help yourself. Raising Substance-Free Kids: How to “addiction-proof” your child. The Epidemic of Prescription Drugs: Now a bigger problem than illegal drugs. Dr. Al J. Mooney has been helping alcoholics and addicts get their lives back for more than thirty years, using both his professional and personal experiences at his family’s treatment center, Willingway, and most recently through his work as medical director for The Healing Place of Wake County (NC), a

homeless shelter. The Recovery Book will help millions gain control of their mind, their body, their life, and their happiness. www.TheRecoveryBook.com
