My Heart Is a Chainsaw Stephen Graham Jones, 2021-08-31 Winner of the Bram Stoker Award for Best Novel In her quickly gentrifying rural lake town Jade sees recent events only her encyclopedic knowledge of horror films could have prepared her for in this latest chilling novel that “will give you nightmares. The good kind, of course” (BuzzFeed) from the Jordan Peele of horror literature, Stephen Graham Jones. “Some girls just don’t know how to die...” Shirley Jackson meets Friday the 13th in *My Heart Is a Chainsaw*, written by the New York Times bestselling author of *The Only Good Indians* Stephen Graham Jones, called “a literary master” by National Book Award winner Tananarive Due and “one of our most talented living writers” by Tommy Orange. Alma Katsu calls *My Heart Is a Chainsaw* “a homage to slasher films that also manages to defy and transcend genre.” On the surface is a story of murder in small-town America. But beneath is its beating heart: a biting critique of American colonialism, Indigenous displacement, and gentrification, and a heartbreaking portrait of a broken young girl who uses horror movies to cope with the horror of her own life. Jade Daniels is an angry, half-Indian outcast with an abusive father, an absent mother, and an entire town that wants nothing to do with her. She lives in her own world, a world in which protection comes from an unusual source: horror movies...especially the ones where a masked killer seeks revenge on a world that wronged them. And Jade narrates the quirky history of Proofrock as if it is one of those movies. But when blood actually starts to spill into the waters of Indian Lake, she pulls us into her dizzying, encyclopedic mind of blood and masked murderers, and predicts exactly how the plot will unfold. Yet, even as Jade drags us into her dark fever dream, a surprising and intimate portrait emerges...a portrait of the scared and traumatized little girl beneath the Jason Voorhees mask: angry, yes, but also a girl who easily cries, fiercely loves, and desperately wants a home. A girl whose feelings are too big for her body. *My Heart Is a Chainsaw* is her story, her homage to horror and revenge and triumph.

Pretty Boy D Nikki Thorne, Rachel Jonas, 2021-07 Dane Golden-Best friend. Temptation in football cleats. Roommate? I'm screwed. His followers don't call him Pretty Boy D for nothing. The guy is, literally, God's gift to women. I should know. I've watched chicks throw themselves at him since puberty. Sharing his loft should be simple. Easy. But shortly after I settle in, we realize being just friends was so much easier when we weren't sleeping under the same roof. Seven years of thinking we had this down to a science goes out the window the night Dane sees my Never Have I Ever list. Now, he's on a mission to help me cross off the top four items. Some of which aren't quite as innocent as he'd expect. What he's proposing will break the rules we agreed to when I first came to stay here. He wants me to give in, to let my guard down and face my feelings for once. At least, that's what that wicked look in his eyes and the mounting heat between us suggests. This isn't how I imagined being roommates would go. But a girl can only stare temptation in its green eyes for so long and not weaken. My best friend wants to have his way with me and, right or wrong... I think I might let him. *** *Pretty Boy D* is a full-length standalone novel. This book can absolutely be read on its own, but when you're done, it's recommended that you check out more from the Golden triplets and Joss in the complete enemies-to-lovers trilogy, *KINGS OF CYPRESS PREP*. Do you enjoy the frustratingly hot push and pull of a good friends-to-lovers or roommates-to-lovers romance? Then you'll love getting to know Dane and Joss. Due to adult themes and sexual situations, this one's only for the 18+ crowd. Expect an HEA and no trigger warnings needed. One-click and get lost in this story today! Smooches, RJ & NT

Mapping the Interior Stephen Graham Jones, 2017-06-20 Brilliant. —The New York Times Mapping the Interior is a horrifying, inward-looking novella from Stephen Graham Jones that Paul Tremblay calls emotionally raw, disturbing, creepy, and brilliant. Blackfeet author Stephen Graham Jones brings readers a spine-tingling Native American horror novella. Walking through his own house at night, a fifteen-year-old thinks he sees another person stepping through a doorway. Instead of the people who could be there, his mother or his brother, the figure reminds him of his long-gone father, who died mysteriously before his family left the reservation. When he follows it he discovers his house is bigger and deeper than he knew. The house is the kind of wrong place where you can lose yourself and find things you'd rather not have. Over the course of a few nights, the boy tries to map out his house in an effort that puts his little brother in the worst danger, and puts him in the position to save them . . . at terrible cost. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Good Omens Neil Gaiman, Terry Pratchett, 2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! “Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It’s a wow. It would make one hell of a movie. Or a heavenly one. Take your pick.” —Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Even years later, he's buried in his grief, throwing himself into managing Big Eddie's convenience store in the small-town of Roseland, Oregon. With ever more frequent dreams of his father's death and waking visions of feathers on the river's surface, Benji finds his definition of reality bending. He thinks himself haunted; by ghosts or memories, he can no longer tell. Not until a man falls from the sky, leaving the burning imprint of wings on the ground, does Benji begin to understand that the world is more mysterious than he ever imagined--and more dangerous. As uncontrollable forces descend on Roseland, they reveal long-hidden truths about friends, family, and the stranger Calliel--a man Benji can no longer live without.

for pleasure. Still, when the META corporation does the unthinkable and brings back updated versions of robots past—Loren knows she must see Silver. And just like Jane, it is love at first sight. But Silver is now Verlis. If he was perfection before, he is now like a god. Yet he is more human than his creators think—or fear. Dark Ecology Timothy Morton,2016-04-12 Timothy Morton argues that ecological awareness in the present Anthropocene era takes the form of a strange loop or Möbius strip, twisted to have only one side. Deckard travels this oedipal path in Blade Runner (1982) when he learns that he might be the enemy he has been ordered to pursue. Ecological awareness takes this shape because ecological phenomena have a loop form that is also fundamental to the structure of how things are. The logistics of agricultural society resulted in global warming and hardwired dangerous ideas about life-forms into the human mind. Dark ecology puts us in an uncanny position of radical self-knowledge, illuminating our place in the biosphere and our belonging to a species in a sense that is far less obvious than we like to think. Morton explores the logical foundations of the ecological crisis, which is suffused with the melancholy and negativity of coexistence yet evolving, as we explore its loop form, into something playful, anarchic, and comedic. His work is a skilled fusion of humanities and scientific scholarship, incorporating the theories and findings of philosophy, anthropology, literature, ecology, biology, and physics. Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

Forever Golden Rachel Jonas,Nikki Thorne,2021-04-17 West Golden-Fierce protector. The one.The cocky jock I once wanted to kill with my bare

hands is now the only one I trust with my heart. In a city full of corruption and dark secrets, knowing who's on your side gets harder to determine every day. Especially now that Vin's on the warpath, passing out threats he fully intends to see through to the end. His power here in Cypress Pointe seems limitless, and I don't have time to see if that's true. I'm prepared to make sacrifices to keep my family safe. Even if what's sacrificed is my own happiness. As our circle of loyal friends becomes clear, we cling to it, because it's all any of us has. And if there's one thing Vin didn't count on, it's that blood isn't always thicker than water. He might just find out firsthand why it's never wise to cross the king's queen.

Awake & Alive to Truth John L. Cooper, 2020-11-27 Have you sensed it? Chaos. Violence. Confusion. Anxiety. How do we know what's true when there are so many differing voices telling us what to do? After traveling the world for 23 years in a rock band, John L. Cooper has noticed one consistent issue: people are desperately confused. *Awake & Alive to Truth* tackles the reigning philosophies of our day of post-modernism, relativism, and the popular view of the goodness of man and combats these viewpoints by standing on the absolute truth of the Word of God. *Awake & Alive to Truth* answers some of the most asked questions in modern culture. Go on a journey through some John Cooper's personal stories, the doctrine of original sin, the authority of Scripture, the danger of trusting your emotions, and end with the greatest news possible: God wants to rescue you from the chaos and the darkness and bring you into His glorious light.

Men, Women, and Chain Saws Carol J. Clover, 2015-05-26 Examining the popularity of low-budget cinema, particularly slasher, occult, and rape-revenge films, the author argues that, while such films have been traditionally understood as offering only sadistic pleasure to their mostly male audiences, in actuality they align spectators not with the male tormentor but with the females being tormented--particularly the slasher movie's final girls--Who endure fear and degradation before rising to save themselves.--Adapted from publisher description.

Cosmic Spirit Alexandra Dennis, 2011-02-04 This book may seem upon the surface and through its pages, light and fluffy. Filled with rainbows, flowers and sunshine. Some may think it unrealistic, superfluous and indulgent... a fantasy land - within this serious world of form. A society stamped urgent... where the clock is boss; and the practiced smiles of many have numbed them sufficiently - of delight, fun and child-like escape into imagination. But this, my gentle word stems from a deeper need. To communicate a message to the many who struggle. For those who have lived with their private pain, grappled with fear, and every method fails... For those for whom happiness seems an elusive prize, or a distant memory. For others, who have built a shield so strong it will not yield... hiding behind their fortress walls, second-guessing themselves... For those who cannot come out to play - because they're too busy crying... For those who are angry or seek to intimidate... to mask their own fear. Try this: It is do-able... it is possible. Wipe the slate clean, forgive all... and step forward into the future. Delete the old files, for today is a fresh new start. Monsters don't exist! Fear is just a self-imposed barrier... blocking our path. Forget your baggage, travel light... find your inner compass and re-chart your course. Choose positive language and thought. Obstacles will melt away, as you sail smoothly towards your bliss. Remember your happiest dream? What was it that made you smile? Now is the time. Open your heart to embrace life. You are in charge now... YOU are running the programme. Widen your scope of vision - to see the bigger picture. Zoom out, refocus... and see more than you ever expected. Trust. Magic will unfold in your life. Smile and re-connect yourself to the Network.
