Summer of Joy (The Heart of Hollyhill Book #3) Ann H. Gabhart,2008-02-15 The summer of 1964 certainly was eventful, but it's nothing compared to what's coming to the Brooke family and to Hollyhill, Kentucky. David finally gets up the nerve to pop the question to Leigh and wedding plans are in the making. But the past is coming to call on many in Hollyhill, threatening to destroy the relationships that everyone thought were so strong. Two people--one David thought was gone for good and the other no one's ever heard of--are making their way to the small town and promise trouble. This complex and well-written story is the perfect conclusion to the Hollyhill story. With true-to-life family drama, refreshing humor, and lovable characters, Summer of Joy will delight readers.

The Poet X Elizabeth Acevedo,2018-03-06 Winner of the National Book Award for Young People's Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami's determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school's slam poetry club, she doesn't know how she could ever attend without her mami finding out. But she still can't stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. "Crackles with energy and snaps with authenticity and voice." —Justina Ireland, author of *Dread Nation* "An incredibly potent debut." —Jason Reynolds, author of the National Book Award Finalist *Ghost* "Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero." —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. Plus don't miss Elizabeth Acevedo's *With the Fire on High* and *Clap When You Land*!

School is torture, making friends is impossible, since he doesn't speak English, and he's stuck looking after his (extremely irritating) little brother, Yanghao. To distract himself from the loneliness, Jingwen daydreams about making all the cakes on the menu of the bakery his father had planned to open before he unexpectedly passed away. The only problem is his mother's rule: no using the oven while she's at work. As Jingwen and Yanghao bake more elaborate cakes, they'll have to cook up more elaborate excuses to keep their baking a secret - and continue the dream their father started.

This is the (slightly NSFW) book for you! ----- 'My first time getting it in the butt was kind of weird. I think it's going to be weird for everyone's first time, though.' Meet Jack Rothman. He's seventeen and loves partying, makeup and boys - sometimes all at the same time. His sex life makes him the hot topic for the high school gossip machine. But who cares? Like Jack always says, 'it could be worse'. He doesn't actually expect that to come true. But after Jack starts writing an online sex advice column, the mysterious love letters he's been getting take a turn for the creepy. Jack's secret admirer knows everything: where he's hanging out, who he's sleeping with, who his mum is dating. They claim they love Jack, but not his unashamedly queer lifestyle. They need him to curb his sexuality, or they'll force him. As the pressure mounts, Jack must unmask his stalker before their obsession becomes genuinely dangerous...

After Vyken, mutated and soulless vampires killed my parents, I know they will come for me next. As an Aura, I can manipulate the Light within me, the same ancient Light Vyken feed on. It's supposed to be a sacred power, one used only for good and to help others. But if I want to survive, I'll have to defy the Auran Council and learn to use my rare ability as a weapon. Now I'm caught in something even bigger than I can understand, with a power I can't wield, and no one I can trust, except, just maybe, a mysterious stranger who's captured my heart, making him the biggest danger of all.
