All In Startup Diana Kander, 2014-06-30 If Owen Chase can't find a way to turn his company around in the next nine days, he'll be forced to shut it down and lay off all of his employees. He has incurred substantial debt and his marriage is on shaky ground. Through pure happenstance, Owen finds himself pondering this problem while advancing steadily as a contestant at the World Series of Poker. His Las Vegas path quickly introduces him to Samantha, a beautiful and mysterious mentor with a revolutionary approach to entrepreneurship. Sam is a fountain of knowledge that may save his company, but her sexual advances might prove too much for Owen's struggling marriage. *All In Startup* is more than just a novel about eschewing temptation and fighting to save a company. It is a lifeline for entrepreneurs who are thinking about launching a new idea or for those who have already started but can't seem to generate the traction they were expecting. Entrepreneurs who achieve success in the new economy do so using a new scientific method of innovation. *All In Startup* demonstrates why four counterintuitive principles separate successful entrepreneurs from the wanna-preneurs who bounce from idea to idea, unable to generate real revenue. You will likely get only one opportunity in your life to go all in on an idea: to quit your job, talk your spouse into letting you drain the savings account, and follow your dream. *All In Startup* will prepare you for that all in moment and make sure that you push your chips into the middle only when the odds are in your favor. This book holds the keys to significantly de-risking your idea so that your success appears almost lucky. Join Owen and Sam for this one-of-a-kind journey that will set you on the right path for when it's your turn to put everything on the line.

Lucie Yi Is Not a Romantic Lauren Ho, 2022-06-21 An ambitious career woman signs up for a co-parenting website only to find a match she never expected, in this unflinchingly funny and honest novel from the author of *Last Tang Standing*. Management consultant Lucie Yi is done waiting for Mr. Right. After a harrowing breakup foiled her plans for children—and drove her to a meltdown in a Tribeca baby store—she's ready to take matters into her own hands. She signs up for an elective co-parenting website to find a suitable partner with whom to procreate—as platonic as family planning can be. Collin Read checks all of Lucie's boxes; he shares a similar cultural background, he's honest, and most important, he's ready to become a father. When they match, it doesn't take long for Lucie to take a leap of faith for her future. So what if her conservative family might not approve? When Lucie becomes pregnant, the pair return to Singapore and, sure enough, her parents refuse to look on the bright side. Even more complicated, Lucie's ex-fiancé reappears, sparking unresolved feelings and compounding work pressures and the baffling ways her body is changing. Suddenly her straightforward arrangement is falling apart before her very eyes, and Lucie will have to decide how to juggle the demands of the people she loves while pursuing the life she really wants.

Framing Piracy Shujen Wang, 2003 *Framing Piracy* examines film distribution--legal and illegal--in the largest, mostly untapped market in the world: Greater China. Tracing networks of optical disc (VCD, DVD) and online piracy, this book tackles issues of politics, globalization, and technology. It features a wealth of original research, new distribution data, and interviews with film distributors, government officials, and film pirates. With changes afoot in China upon its entering the World Trade Organization, this timely book shows that such transformations have far-reaching implications for policy, theory, and practice.

So Good They Can't Ignore You Cal Newport, 2012-09-18 In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that follow your passion is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living

is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to be so good they can't ignore you, Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

Unfortunately for her, while they look for a new home, Claire's family is staying in the guesthouse of the one and only Massie Block -- Queen Bee of Octavian Country Day School. Kristen Gregory - She's smart, hardworking, and will insult you to tears faster than you can say my haircut isn't ugly!

Fair Play Eve Rodsky, 2019-10-01 A REESE'S BOOK CLUB PICK A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with.--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the shefault parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. Winning this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

I, Claudius Robert Graves, 2014-03-06 "One of the really remarkable books of our day"--the story of the Roman emperor on which the award-winning BBC TV series was based (The New York Times). Once a rather bookish young man with a limp and a stammer, a man who spent most of his time trying to stay away from the danger and risk of the line of ascension, Claudius seemed an unlikely candidate for emperor. Yet, on the death of Caligula, Claudius finds himself next in line for the throne, and must stay alive as well as keep control. Drawing on the histories of Plutarch, Suetonius, and Tacitus, noted historian and classicist Robert Graves tells the story of the much-maligned Emperor Claudius with both skill and compassion. Weaving important themes throughout about the nature of freedom and safety possible in a monarchy, Graves's Claudius is both more effective and more tragic than history typically remembers him. A bestselling novel and one of Graves' most successful, I, Claudius has been adapted to television, film, theatre, and audio. "[A] legendary tale of Claudius . . . [A] gem of modern literature." --Publishers Weekly (starred review)

Silver Screen Fiend Patton Oswalt, 2015-10-13 Between 1995 and 1999, Patton Oswalt lived with an unshakable addiction. It wasn't drugs, alcohol or sex: it was film. After moving to L.A., Oswalt became a huge film buff (or as he calls it, a sprocket fiend), absorbing classics, cult hits, and new releases at the New Beverly Cinema. Silver screen celluloid became Patton's life schoolbook, informing his notion of acting, writing, comedy, and relationships. Set in the nascent days of L.A.'s alternative comedy scene, Oswalt's memoir chronicles his journey from fledgling stand-up comedian to self-assured sitcom actor, with the colorful New Beverly collective and a cast of now-notable young comedians supporting him all along the way--

The Negro Motorist Green Book Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

In the tradition of Long Bright River and The Mars Room, a gripping and atmospheric work of literary suspense that deconstructs the story of a serial killer on death row, told primarily through the eyes of the women in his life—from the bestselling author of Girl in Snow. Ansel Packer is scheduled to die in twelve hours. He knows what he’s done, and now awaits execution, the same chilling fate he forced on those girls, years ago. But Ansel doesn’t want to die; he wants to be celebrated, understood. Through a kaleidoscope of women—a mother, a sister, a homicide detective—we learn the story of Ansel’s life. We meet his mother, Lavender, a seventeen-year-old girl pushed to desperation; Hazel, twin sister to Ansel’s wife, inseparable since birth, forced to watch helplessly as her sister’s relationship threatens to devour them all; and finally, Saffy, the detective hot on his trail, who has devoted herself to bringing bad men to justice but struggles to see her own life clearly. As the clock ticks down, these three women sift through the choices that culminate in tragedy, exploring the rippling fissures that such destruction inevitably leaves in its wake. Blending breathtaking suspense with astonishing empathy, Notes on an Execution presents a chilling portrait of womanhood as it simultaneously unravels the familiar narrative of the American serial killer, interrogating our system of justice and our cultural obsession with crime stories, asking readers to consider the false promise of looking for meaning in the psyches of violent men. Poetic and mesmerizing . . . Powerful, important, intensely human, and filled with a unique examination of tragedy, one where the reader is left with a curious emotion: hope. —USA TODAY “A profound and staggering experience of empathy that challenges us to confront what it means to be human in our darkest moments. . . . I relished every page of this brilliant and gripping masterpiece.—ASHLEY AUDRAIN, New York Times bestselling author of The Push
