Red Light, Green Light Anastasia Suen,2005-10-01 Roll into one little boy's make-believe traffic world, filled with flashing lights, zooming cars, whirring helicopters, and racing fire engines. He's turned records into rotaries, shoe boxes and books into highway ramps, crayons into lane markers, and dandelions into trees. It's a world where imagination rules and creativity abounds. With its bouncy rhyming text and bright illustrations, this book is perfect for every preschooler who loves planes, trains, and automobiles. It's a bold introduction to how vehicles stop . . . and go!

Red Light, Green Light, Eat Right Joanna Dolgoff,2009-12-22 Childhood obesity has reached epidemic proportions: More than 18 million American children are considered obese and are at risk for health problems. In fact, today's generation of kids may be the first to experience shorter life spans than their parents. Leading pediatrician Dr. Joanna Dolgoff's Red Light, Green Light, Eat Right teaches kids how to make healthy choices based on the principles of the traffic light: green light foods are nutritious, yellow light foods are eaten in moderation, and red light foods are occasional treats. The program, which has a proven 96 percent success rate, can be tailored to suit any child's age, gender, and weight goals. Snacks and meals are designed to ensure that kids get the nutrients they need to not only lose or maintain weight, but to grow strong, healthy bodies. Complete with sample menus, recipes, and an index of more than 1,000 color-coded foods, Red Light, Green Light, Eat Right provides a practical solution for one of the biggest health crises facing America's children.

Red Light, Green Lion Candace Ryan,2019-05-07 A green lion. A red light. And one very unusual day. As a green lion waits for a green traffic light, some surprises appear, such as lightning, a lilac, library books and lima beans. Or rather, “li-ghtning,” “li-lac,” “li-brary books,” and “li-ma beans” because each spread ends with “Red light, green li-,” and the reader must turn the page to see the whole word — and what’s happened. Through it all, the lion calmly and helpfully deals with whatever shows up, and philosophically muses about the way life can be. “Some days are not like most days,” the lion explains. But as all children know: those days are usually the most fun!

Redlight, Greenlight, Limelight Quendrith Johnson,2017-01-14 A humorous fame expose from Hollywood to Cannes and back... a cross between Pauline Kael's 'I Lost it At the Movies' and 'Bridget Jones Diary' with a real Bridget, by an insider celebrity journalist who can still eat lunch in this town. -- AnonymousREDLIGHT, GREENLIGHT, LIMELIGHT is the real-life professional adventures of a celebrity journalist on the red carpet in Los Angeles covering everything in Hollywood from the EMMY's, Oscar after-parties, to Snoop Dogg's 187 murder trial. Written for the high-brow, low-brow, and unbrow, the book reveals moments with luminaries from HRH Prince Charles on his opinion of Colonials, Jon Hamm predicting his EMMY Best Actor loss, Danny DeVito slightly tipsy, Tom Hanks stumping for SAG, and Jackass's Steve-O fresh from his 5150 at Cedars Sinai. In-depth star interviews include Bradley Cooper, Robert De Niro, Kirk Douglas, Lynn Redgrave, Brittany Murphy, Corey Haim, Adam Lambert, Sharon Osbourne, Max Von Sydow, Bill Engvall, Spalding Gray. These insider moments are paired with behind the scenes confessionals; there's a glimpse into Jennifer Lawrence before and after her Oscar win for Silver Linings Playbook, a note from her, and a true story about who taught her to parallel park on the CBS lot.Gems in REDLIGHT, GREENLIGHT, LIMELIGHT include Gore Vidal's unanswered letter to President Obama, Kirk Douglas' history making night at 96 with De Niro, and the lost wisdom of Spalding Gray, as well as Kathy Griffin's take on breaking up, and Paul Williams talking about writing We've Only Just Begun.REDLIGHT, GREENLIGHT, LIMELIGHT is a guilty pleasure with enough substance - such as Supercalifragilisticexpialidocious explained by the man who wrote it for Walt Disney and what gets left out of the Los Angeles Times in an edit session - that is doesn't feel like pop-sugar gossip but a breezy entertaining treat for all ages.

Greenlights Matthew McConaughey,2023-07-06 From the Academy Award®-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck.

My Money My Way Kumiko Love,2022-02-01 Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don’t have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she’d feel better after a trip to the mall. On the day she needed to pay for a McDonald’s ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society’s expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn’t serve her values or goals, her financial plan wrote itself. Now, she’s not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she’s taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about

your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love’s paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

Mastering Diabetes Cyrus Khambatta, PhD,Robby Barbaro, MPH,2022-10-18 The instant New York Times bestseller. A groundbreaking method to master all types of diabetes by reversing insulin resistance. Current medical wisdom advises that anyone suffering from diabetes or prediabetes should eat a low-carbohydrate, high-fat diet. But in this revolutionary book, Cyrus Khambatta, PhD, and Robby Barbaro, MPH, rely on a century of research to show that advice is misguided. While it may improve short-term blood glucose control, such a diet also increases the long-term risk for chronic diseases like cancer, high blood pressure, high cholesterol, chronic kidney disease, and fatty liver disease. The revolutionary solution is to eat a low-fat plant-based whole-food diet, the most powerful way to reverse insulin resistance in all types of diabetes: type 1, type 1.5, type 2, prediabetes, and gestational diabetes. As the creators of the extraordinary and effective Mastering Diabetes Method, Khambatta and Barbaro lay out a step-by-step plan proven to reverse insulin resistance-the root cause of blood glucose variability- while improving overall health and maximizing life expectancy. Armed with more than 800 scientific references and drawing on more than 36 years of personal experience living with type 1 diabetes themselves, the authors show how to eat large quantities of carbohydrate-rich whole foods like bananas, potatoes, and quinoa while decreasing blood glucose, oral medication, and insulin requirements. They also provide life-changing advice on intermittent fasting and daily exercise and offer tips on eating in tricky situations, such as restaurant meals and family dinners. Perhaps best of all: On the Mastering Diabetes Method, you will never go hungry. With more than 30 delicious, filling, and nutrient-dense recipes and backed by cutting-edge nutritional science, Mastering Diabetes will help you maximize your insulin sensitivity, attain your ideal body weight, improve your digestive health, gain energy, live an active life, and feel the best you've felt in years.

Forest Has A Song Amy Ludwig VanDerwater,2013-03-26 A spider is a “never-tangling dangling spinner / knitting angles, trapping dinner.” A tree frog proposes, “Marry me. Please marry me... / Pick me now. / Make me your choice. / I’m one great frog / with one strong voice.” VanDerwater lets the denizens of the forest speak for themselves in twenty-six lighthearted, easy-to-read poems. As she observes, “Silence in Forest / never lasts long. / Melody / is everywhere / mixing in / with piney air. / Forest has a song.” The graceful, appealing watercolor illustrations perfectly suit these charming poems that invite young readers into the woodland world at every season.
