Encouraged by her 'Watson' - her 92-year-old mother - Isabel snaps out of it by hooking up with a P.I. and finding a new case. But it's not at all clear-cut. The official ruling is Chet Waters, an ornery so-and-so, was passed out when his house caught fire. His daughter, who inherited his junkyard, believes he was murdered. Topping the list of suspects are dangerous drug-dealing brothers, a rival junkyard owner, and an ex-husband. Could Waters' death simply be a case of redneck's revenge? Isabel is about to find out. *The Redneck Manifesto* Jim Goad,1998-05-05 In *The Redneck Manifesto*, Goad elucidates redneck politics, religion, and values in his own unique way. A furious, profane, smart, and hilariously smart-aleck defense of working-class white culture.--Fort Lauderdale Sun-Sentinel.

**E-Mail Enticement** Mary Anne Graham,2009-10-26 On the final day of the hearing to end the marriage born of Alix's gin soaked rebellion and his soon-to-be ex wife's abundant love of his bank balance, the dollar belle called her much-younger half-sister Rachel as her final witness. Had Sue's sharks been paying attention, they'd have seen their targeted deep pocket's tender concern. In seeking to avoid the family tradition of falling in love at first sight, Greek Billionaire Alixander Angelis stepped right into fate's twisted path. When his ex's bed hopping wins his freedom, Alix plans to dabble in romance with Rachel while he waits for her to mature. But she's a Carolina girl who's older than her years. She gives him an ultimatum - he must court her publicly and claim her fully or she'll walk away. He can't lose Rachel and perhaps she's right - Mother Nature doesn't have a watch or a calendar. When he gives in to her demand Alix is arrested for enticing Rachel by email. To defend himself at trial he must display his helpless adoration to a national TV audience and a Myrtle Beach jury. All of them have watches and calendars. Rachel's testimony is his best defense. She could clear him but she disappeared -- after leaving a letter filled with lies. Had he risked it all for love or had he fallen for an elaborate con?

Sin No More John Dombrink,Daniel Hillyard,2007-11-01 Diasporic Africa presents the most recent research on the history and experiences of people of African descent outside of the African continent. By incorporating Europe and North Africa as well as North America, Latin America, and the Caribbean, this reader shifts the discourse on the African diaspora away from its focus solely on the Americas, underscoring the fact that much of the movement of people of African descent took place in Old World contexts. This broader view allows for a more comprehensive approach to the study of the African diaspora. The volume provides an overview of African diaspora studies and features as a major concern a rigorous interrogation of identity. Other primary themes include contributions to western civilization, from religion, music, and sports to agricultural production and medicine, as well as the way in which our understanding of the African diaspora fits into larger studies of transnational phenomena.

**Crab Monsters, Teenage Cavemen, and Candy Stripe Nurses** Chris Nashawaty, 2016-12-16 "Delightful . . . an engrossing oral history . . . As an enthusiastic ode to colorful, seat-of-your-pants filmmaking, this one's hard to beat." —Booklist (starred review) "Fantastic—a treasure." —Stephen King Crab Monsters, Teenage Cavemen, and Candy Stripe Nurses is an outrageously rollicking account of the life and career of Roger Corman—one of the most prolific and successful independent producers, directors, and writers of all time, and self-proclaimed king of the B movie. As told by Corman himself and graduates of "The Corman Film School," including Peter Bogdanovich, James Cameron, Francis Ford Coppola, Robert De Niro, and Martin Scorsese, this comprehensive oral history takes readers behind the scenes of more than six decades of American cinema, as now-legendary directors and actors candidly unspool recollections of working with Corman, continually one-upping one another with tales of the years before their big breaks. Crab Monsters is supplemented with dozens of full-color reproductions of classic Corman movie posters; behind-the-scenes photographs and ephemera (many taken from Corman's personal archive); and critical essays on Corman's most daring films—including The Intruder, Little Shop of Horrors, and The Big Doll House—that make the case for Corman as an artist like no other. "This new coffee table book, brimming with outrageous stills from many of Corman's hundreds of films, looks at the wild career of the starmaker who was largely responsible for so much of the Hollywood we know today." —New York Post "Vividly illustrated." —People "It includes in-depth aesthetic appreciations of ten of Corman's movies, which, taken together, make a compelling case for Corman as an artist." —Hollywood.com "Outrageously entertaining." —Parade "Endlessly fascinating." —PopMatters

**The Puritan Culture of America's Military** Ronald Lorenzo,2016-02-24 This book explores Puritanism and its continuing influence on U.S. and military law in the Global War on Terror, exploring connections between Puritanism and notions of responsibility in relation to military crimes, superstitious practices within the military, and urges for revenge. Engaging with the work of figures such as Durkheim, Fauconnet and Weber, it draws on primary data gathered through participation and observation at the U.S. Army courts-martial following events at Abu Ghraib, Operation Iron Triangle, the Baghdad canal killings and a war crimes case in Afghanistan, to show how Puritan cultural habits color and shape both American military actions and the ways in which these actions are perceived by the American public. A theoretically sophisticated examination of the cultural tendencies that shape military conduct and justice in the context of a contemporary global conflict, *The Puritan Culture of America's Military* will appeal to scholars across the social sciences with interests in social theory and sociology, cultural studies, politics and international relations and military studies.

**Rape-Revenge Films** Alexandra Heller-Nicholas,2021-03-30 Often considered the lowest depth to which cinema can plummet, the rape-revenge film is broadly dismissed as fundamentally exploitative and sensational, catering only to a demented, regressive demographic. This second edition, ten years after the first, continues the assessment of these films and the discourse they provoke. Included is a new chapter about women-directed rape-

revenge films, a phenomenon that--revitalized since #MeToo exploded in late 2017--is a filmmaking tradition with a history that transcends a contemporary context. Featuring both famous and unknown movies, controversial and widely celebrated filmmakers, as well as rape-revenge cinema from around the world, this revised edition demonstrates that diverse and often contradictory treatments of sexual violence exist simultaneously.
