*The Uses of Enchantment* Heidi Julavits,2008-01-08 One Autumn day in 1985, sixteen-year-old Mary Veal vanishes from her Massachusetts prep school. A few weeks later she reappears unharmed and with little memory of what happened to her--or at least little that she is willing to share. Was Mary abducted, or did she fake her disappearance? This question haunts Mary's family, her psychologist, even Mary herself. Weaving together three narratives, *The Uses of Enchantment* conjures a spell in which the hallucinatory power of a young woman's sexuality, and her desire to wield it, has devastating consequences for all involved.

**Neil LaBute: Plays 1** Neil LaBute,2014-07-31 Filthy Talk for Troubled Time is one of LaBute's earliest plays. A downbeat night at a topless bar exposes the gulf between the twitchy clientele and the waitresses who serve but despise them. The Mercy Seat examines a couple who, on the day after a world-changing atrocity, toy with exploiting it to start a new life. Some Girl(s) follows a young writer's panicked retreat from his imminent wedding as he seeks out old girlfriends and opens new wounds, while in This Is How It Goes the breakdown of a seemingly successful marriage is complicated by submerged bigotry. The collection also includes two short plays about relationships in crisis - A Second of Pleasure and Helter Skelter - which are in equal part tender and chilling. Together these plays form a complex and compelling portrait of the sexes - sometimes warring, sometimes loving, but never fully at peace.

A Sourcebook for Genealogical Research Foster Stockwell,2004-05-07 Genealogists can sometimes require obscure resources when in search of information about ancestors. Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking. Many of the best resources are maintained regionally or even locally, and aren't widely known. This reference work serves as a guide to both beginning and experienced genealogy researchers. The sourcebook is easily accessible and usable, featuring approximately 270 entries on all aspects of genealogical research and family history compilation. The entries are listed alphabetically and cross-referenced so any researcher can quickly find the information he or she is seeking. Each state and each of the provinces of Canada has its own entry; other countries are listed under appropriate headings. The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births, deaths, marriages, or other life events in order to complete a family tree.

Cosmopolitan Magazine calls Addison's books, ...easy, frothy fun! Confession. I'm no psychic. But I can sort of see the future—albeit not accurately. I'd do anything for my best friend's little sister. Until she asks for something I can't give. One night. No rules. Georgina Kingsley is off-limits. It's better this way, really. Her brother is my best friend and business partner, the closest thing I have to family. Plus, she's engaged to another man, one better for her than I could ever be. But when Georgie is ditched on her wedding day, she needs someone to get her out of town. There's bad blood between us but I'd do anything for her. Except give her hot, rebound sex to get back at her cheating ex. Tough choice. Loyalty to my best friend who has been more like a brother?
