The Complete Family Guide to Addiction Thomas F. Harrison, Hilary S. Connery, 2019-05-03 If you are struggling to help a loved one recover from addiction--and to cope with the devastating impact on the whole family--you are not alone. But until now, there has been no single book that gives the millions of families like yours the comprehensive, unbiased information you need. This expertly written guide addresses the painful questions that spouses, parents, and grown children face every day. Why do addicts make such bad choices? How can you find (and afford) treatment that works--and convince your loved one to try it? Can relapse be prevented? When does being supportive cross the line to enabling? Providing science-based answers and resources, the authors cover crucial emotional, financial, and legal issues that simply aren't discussed in other books. The more your family knows about the myths and realities of addiction, the better equipped you will be to overcome it.

A Perfect Life: So How Did I Get Here? Eric Richards, 2006-12 I wrote this book for me, the way it happened, and so maybe it's also for you. I learned that rehab is not just about helping people. The help is there, if you need it--but you have to be able to pay for it. If you can't, and you really need help, then you are in a world of trouble. If you can pay, then maybe there will always be a reason to get you in. In my case, I had to go--or end my career. I was lucky because I could pay, so I can continue the work I have chosen and love. I met some good people and fine counselors, and learned some useful things. But it wasn't all benevolent--much was dogmatic, and sometimes malicious. At times, the rehab providers wielded their clout in a nasty way. I resisted, then submitted, and then complied, learning what I could along the way. And I wrote it down. This is the story.

Here, Walter Wolf guides readers through the process from crisis to placement to recovery.

At Home Recovery Handbook Keith Angelin, 2015-08-21 TRIUMPH OVER ALCOHOL AND DRUG ADDICTION IN 28-DAYS... Without Spending a Single Night Away From Home! Enjoy the Same Tools and Education As Expensive Rehabs, For Half the Cost of a Single Therapy Session! Introducing AT HOME RECOVERY HANDBOOK: Recover From Alcohol and Drug Addiction in 28-days At Home! Here is the perfect tool for: recovering alcoholics and addicts of all ages, anyone without the time or finances for a topnotch treatment center, sponsors, healthcare professionals, clinics, families in crisis, and everyone who is sick and tired of being sick and tired. Regardless of your finances, free time or faith in your ability to change, you can now benefit from inpatient treatment while at home, work or anywhere. AT HOME RECOVERY HANDBOOK is a self-guided, twenty-eight day program that brings the treatment center experience to wherever it is most convenient for you. As with all topnotch programs, AT HOME RECOVERY HANDBOOK addresses the mental, spiritual, emotional and physical aspects of addiction, by offering the same caliber tools and education found at expensive brick and mortar rehab programs. So few people actually receive the treatment they need for chemical dependency. Why is that? For one thing, it costs thousands of dollars, and not everyone is fortunate enough to be covered by health insurance. Second, not everyone has the time. Oftentimes there are commitments to job and family that cannot be put aside, no matter what. Finally, some people are intimidated, unmotivated, or they disagree with having to go somewhere - even on an outpatient basis. AT HOME RECOVERY HANDBOOK is a strengths-based, spiritually-centered, Twelve Step-oriented prescription in workbook format. Topics are grouped into four modules, designed to transition you through the recovery process. Module I helps you to understand the reality of your situation, and teaches the concepts of substance use disorder and addictive thinking. Module II introduces Twelve Step, spiritual and other support. Module III focuses on replacing addictive behaviors with healthy behaviors. Module IV covers relapse prevention. AT HOME RECOVERY HANDBOOK has a style all its own. It is not just treatment, but a source of motivation, validation and renewal. That is because positive reinforcement is the most powerful force for change. Tragedy can, and will, lead to triumph. There is more. AT HOME RECOVERY HANDBOOK includes valuable bonus chapters addressing the issues of nutrition and employment. Plus, there is important information for loved ones who are suffering, teaching them how to recognize and deal with addiction, and how to become healthy themselves. You can trust the AT HOME RECOVERY HANDBOOK program, because it has been used with great success by fellow addicts and alcoholics at expensive rehabs. The only difference between them and you, is they have the time and financial wherewithal to put life on hold. You do not. There is nobody more qualified to teach you about addiction and

recovery. KEITH ANGELIN, MBA, CADC-II, ICADC, CNDAI is a highly credentialed therapist, interventionist and provider for the San Diego Superior Court System. In addition, he spent over twenty-years working with professional athletes and celebrities, and writing for magazines like GQ, Maxim and National Enquirer. Along the way, he learned the secret to turning technical topics into common sense. That was before a decade-long addiction left him bankrupt, homeless, divorced and dead more than once. His recovery was a miracle, fueling a passion to help others. Follow this program, and you will be a miracle, too.
