

Religious Cults

Sebastian Brünink

Unsafe Sects Roger E. Olson,2023-08-29 For some decades American (and other) culture has been obsessed with cults. But what does cult mean? How should a religious group be identified as a cult? Who joins cults and why? These and other questions are answered in this book. It provides a basic introduction to cults, unsafe sects, especially from an orthodox Christian perspective. Here readers will also find accounts of the author's personal experiences of cults.

Modern Religious Cults and Society Louis Richard Binder,1970

Encyclopedic Handbook of Cults in America J. Gordon Melton,2014-05-22 First Published in 1993. Routledge is an imprint of Taylor & Francis, an informa company.

Modern Religious Cults and Movements Gaius Glenn Atkins,1923

The Rhetoric of Religious Cults A. Mooney,2005-08-02 The Rhetoric of Religious Cults takes as its departure point the notion that 'cults' have a distinctive language and way of recruiting members. First outlining a rhetorical framework, which encompasses contemporary discourse analysis, the persuasive texts of three movements - Scientology, Jehovah's Witnesses and Children of God - are analysed in detail and their discourse compared with other kinds of recruitment literature. Cults' distinctive negative profile in society is not matched by a linguistic typology. Indeed, this negative profile seems to rest on the semantics and application of the term 'cult' itself.

Mystics and Messiahs Philip Jenkins,2000-04-06 In *Mystics and Messiahs*--the first full account of cults and anti-cult scares in American history--Philip Jenkins shows that, contrary to popular belief, cults were by no means an invention of the 1960s. In fact, most of the frightening images and stereotypes surrounding fringe religious movements are traceable to the mid-nineteenth century when Mormons, Freemasons, and even Catholics were denounced for supposed ritualistic violence, fraud, and sexual depravity. But America has also been the home of an often hysterical anti-cult backlash. Jenkins offers an insightful new analysis of why cults arouse such fear and hatred both in the secular world and in mainstream churches, many of which were themselves originally regarded as cults. He argues that an accurate historical perspective is urgently needed if we are to avoid the kind of catastrophic confrontation that occurred in Waco or the ruinous prosecution of imagined Satanic cults that swept the country in the 1980s. Without ignoring genuine instances of aberrant behavior, *Mystics and Messiahs* goes beyond the vast edifice of myth, distortion, and hype to reveal the true characteristics of religious fringe movements and why they inspire such fierce antagonism.

Religious Cults in America Robert Emmet Long,1994 Discusses the different religious cults in the U.S., and focuses on the 1993 incident involving the Branch Davidians in Waco, Texas

Cults and New Religions Douglas E. Cowan,David G. Bromley,2015-04-27 This unparalleled introduction to cults and new religiousmovements has been completely up-dated and expanded to reflect thelatest developments; each chapter reviews the origins, leaders,beliefs, rituals and practices of a NRM, highlighting the specificcontroversies surrounding each group. A fully updated, revised and expanded edition of anunparalleled introduction to cults and new religious movements Profiles a number of the most visible, significant, andcontroversial new religious movements, presenting eachgroup's history, doctrines, rituals, leadership, andorganization Offers a discussion of the major controversies in which newreligious movements have been involved, using each profiled groupto illustrate the nature of one of those controversies Covers debates including what constitutes an authenticreligion, the validity of claims of brainwashing techniques, theimplications of experimentation with unconventional sexualpractices, and the deeply rooted cultural fears that cultsengender New sections include methods of studying new religions in eachchapter as well as presentations on 'groups towatch'

The Challenge of the Cults and New Religions Ron Rhodes,2009-08-30 Cults and New Religions Aren't Hard to FindThey're in your neighborhood . . . your workplace . . . your school . . . maybe even your family.Cults are flourishing across America. Chances are, you've encountered one, perhaps even know someone who is involved in a cult. Can you discuss knowledgably the critical differences between Christianity and the teachings of Mormonism, Jehovah's Witnesses, Scientology, the New Age movement, Hindu-based cults, and other prominent groups and religious movements? In this essential resource, preeminent cult authority Ron Rhodes explains what cults are, why they are cause for concern, and why in the 21st century, as never before, their numbers and memberships are exploding nationally and worldwide. Drawing on his extensive experience as a cult researcher, Rhodes offers to-the-point, cutting-edge information on twelve major cults and new religions:MormonismJehovah's WitnessesMind SciencesNew Age MovementChurch of ScientologyHindu-based CultsUnification ChurchBaha'i FaithUnitarian UniversalismOneness PentecostalismMasonic LodgeSatanismLearning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter. The Challenge of the Cults and New Religion includes Color photosScripture IndexSubject IndexGlossaryBibliographyAnd your resources don't end at the last page. You can supplement your knowledge whenever you choose by visiting the author's Web site at www.ronrhodes.org for free, thorough, up-to-the-minute information on each cult discussed in the book.If you're concerned for the temporal and eternal welfare of others, The Challenge of the Cults is a must. It will help you confront the deception of false Christs and lying doctrines with the clear, well-grounded truth of biblical Christianity.

Larson's New Book of Cults Bob Larson,1989 Encyclopedic in form, popular in style, Larson's New Book of Cults analyzes dozens of cults and movements from historical, sociological, and biblical perspectives. It will tell you what you want to know about the cults' origins, their appeal, and their strategies. Most important, it details how each cult deviates from Christian truth.

Prison Or Paradise? Arnold James Rudin,Marcia R. Rudin,1980

The Encyclopedia of Cults, Sects, and New Religions James R. Lewis,2002 Provides brief introductions to more than one thousand religious movements that fall outside the American mainstream, with lengthier treatment of those that are controversial or have received media attention.

Modern Religious Cults and Movements Gaius Glenn Atkins,2014-08-11 A perennial classic, *Modern Religious Cults and Movements* has continued to receive plaudits even after further exploration has continued to add to the literature on the subject. Atkins begins with the forms and history of what he considered the inevitable Catholic and Protestant traditions. The more recent developments in Christianity led to a belief in faith healing in general that grew into Christian Science. Clearly this is the modern religion that concerned him most as Atkins gives an approach to Mary Baker Eddy and her tradition, examining Christian Science as a philosophy and as a theology, and also as a system of healing and a religion. The universal and loosely defined new thought and new age led to a renewed interest in the East and consequently Theosophy and related cults. Atkins addresses the Spiritualism that was a well attested phenomenon in the decades after the turn of the twentieth century, and concludes with a discussion of minor and peripheral cults. This portrayal of non-traditional religions in its own day is a period piece that will be of interest to students of American religion and historians of religion in general. Table of Contents Introduction I. THE FORMS AND BACKGROUNDS OF INHERITED CHRISTIANITY II. NEW FORCES AND OLD FAITHS III. FAITH HEALING IN GENERAL IV. THE APPROACH TO CHRISTIAN SCIENCE AND MARY BAKER EDDY V. CHRISTIAN SCIENCE AS A PHILOSOPHY VI. CHRISTIAN SCIENCE AS A THEOLOGY VII. CHRISTIAN SCIENCE AS A SYSTEM OF HEALING AND A RELIGION VIII. NEW THOUGHT X. THE RETURN OF THE EAST UPON THE WEST X. SPIRITUALISM XI. MINOR CULTS: THE MEANING OF THE CULTS FOR THE CHURCH

Leaders and Followers Group for the Advancement of Psychiatry. Committee on Psychiatry and Religion,1992 Psychiatrists are in a unique position to understand the personalities, needs, and motivations of cult leaders and followers. This report assumes that

unique vantage point in its review of the cult phenomenon. What are the psychiatric attributes of cult leaders and followers? Why do individuals join cults? Can cults play a constructive role in an individual's life? And how can psychiatrists help family and friends deal with cult members? Supported by numerous references, this report presents statistics and colorful descriptions of American cults and their effect on those who embrace them.

Cults, Religion, and Violence David G. Bromley,J. Gordon Melton,2002-05-13 Explores recent high profile cases of new religious movements involved in violence.

Christianity, Cults & Religions Rose Publishing,1999-07-01 Includes information regarding - Christianity - Judaism -Islam - Buddhism - Hinduism - Mormonism - Unification Church - Jehovah's Witnesses - Christian Science - Scientology - Unity School of Christianity -New Age - Spiritualism - Hare Krishna - Armstrongism (latest updates) - Nichiren Shoshu Buddhism Baha'i World Faith - Transcendental Meditation (TM)

Why Waco? James D. Tabor,Eugene V. Gallagher,2023-11-10 The 1993 government assault on the Branch Davidian compound near Waco, Texas, resulted in the deaths of four federal agents and eighty Branch Davidians, including seventeen children. Whether these tragic deaths could have been avoided is still debatable, but what seems clear is that the events in Texas have broad implications for religious freedom in America. James Tabor and Eugene Gallagher's bold examination of the Waco story offers the first balanced account of the siege. They try to understand what really happened in Waco: What brought the Branch Davidians to Mount Carmel? Why did the government attack? How did the media affect events? The authors address the accusations of illegal weapons possession, strange sexual practices, and child abuse that were made against David Koresh and his followers. Without attempting to excuse such actions, they point out that the public has not heard the complete story and that many media reports were distorted. The authors have carefully studied the Davidian movement, analyzing the theology and biblical interpretation that were so central to the group's functioning. They also consider how two decades of intense activity against so-called cults have influenced public perceptions of unorthodox religions. In exploring our fear of unconventional religious groups and how such fear curtails our ability to tolerate religious differences, *Why Waco?* is an unsettling wake-up call. Using the events at Mount Carmel as a cautionary tale, the authors challenge all Americans, including government officials and media representatives, to closely examine our national commitment to religious freedom.

Unmasking the Cults Alan W. Gomes,2009-12-15 In this introduction to the Zondervan Guide to Cults and Religious Movements, Dr. Gomes defines the characteristics of a cult of Christianity and why such a group subverts the search for spiritual truth. He explains the emotional and spiritual appeal of cults, who is susceptible, and the techniques cult leaders use to attract members. This book, in dealing with a wide range of issues relating to cults and religious movements in general, complements the other books in the series, all of which focus on specific religious groups. -- Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Except for this book, each book in the series has five sections: - A concise introduction to the group - An overview of the group's theology -- in its own words - Tips for witnessing effectively to members of the group - A bibliography with sources for further study - A comparison chart that shows the essential differences between biblical Christianity and the group -- The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood.

Modern Religious Cults and Movements ,1924
The New Books of Revelations Charles Wright Ferguson,1928

Eventually, you will no question discover a extra experience and capability by spending more cash. still when? complete you tolerate that you require to acquire those all needs past having significantly cash?
