Jesus > Religion Jefferson Bethke,2013-10-14 Abandon dead, dry, religious rule-keeping and embrace the promise of being truly known and deeply loved. Jefferson Bethke burst into the cultural conversation with a passionate, provocative poem titled Why I Hate Religion, But Love Jesus. The 4-minute video became an overnight sensation, with 7 million YouTube views in its first 48 hours (and 23+ million in a year). Bethke's message clearly struck a chord with believers and nonbelievers alike, triggering an avalanche of responses running the gamut from encouraged to enraged. In his New York Times bestseller Jesus > Religion, Bethke unpacks similar contrasts that he drew in the poem--highlighting the difference between teeth gritting and grace, law and love, performance and peace, despair, and hope. With refreshing candor, he delves into the motivation behind his message, beginning with the unvarnished tale of his own plunge from the pinnacle of a works-based, fake-smile existence that sapped his strength and led him down a path of destructive behavior. Along the way, Bethke gives you the tools you need to: Humbly and prayerfully open your mind Understand Jesus for all that he is View the church from a brand-new perspective Bethke is quick to acknowledge that he's not a pastor or theologian, but simply an ordinary, twenty-something who cried out for a life greater than the one for which he had settled. On this journey, Bethke discovered the real Jesus, who beckoned him with love beyond the props of false religion. Praise for Jesus > Religion: Jeff's book will make you stop and listen to a voice in your heart that may have been drowned out by the noise of religion. Listen to that voice, then follow it--right to the feet of Jesus. --Bob Goff, author of New York Times bestsellers Love Does and Everybody, Always The book you hold in your hands is Donald Miller's Blue Like Jazz meets C. S. Lewis's Mere Christianity meets Augustine's Confessions. This book is going to awaken an entire generation to Jesus and His grace. --Derwin L. Gray, lead pastor of Transformation Church, author of Limitless Life: Breaking Free from the Labels That Hold You Back

Holy Envy Barbara Brown Taylor,2019-03-30 The renowned Christian preacher and New York Times bestselling author of An Altar in the World recounts her moving discoveries of finding the sacred in unexpected places while teaching world religions to undergraduates in Baptist-saturated rural Georgia, revealing how God delights in confounding our expectations. Christians are taught that God is everywhere--a tenet that is central to Barbara Brown Taylor's life and faith. In Holy Envy, she continues her spiritual journey, contemplating the myriad ways she encountered God while exploring other faiths with her students in the classroom, and on field trips to diverse places of worship. Both she and her students ponder how the knowledge and insights they have gained raise important questions about belief, and explore how different practices relate to their own faith. Inspired by this intellectual and spiritual quest, Barbara turns once again to the Bible for guidance, to see what secrets lay buried there. Throughout Holy Envy, Barbara weaves together stories from her classroom with reflections on how her own spiritual journey has been challenged and renewed by connecting with people of other traditions--and by meeting God in them. At the heart of her odyssey is her trust that it is God who pushes her beyond her comfortable boundaries and calls us to disown our privatised versions of the divine--a change that ultimately deepens her relationship with both the world and with God, and ours.

Crazy Love Francis Chan,2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. World's Greatest Faith Quotes James Alexander,2011-12-01 Faith: - A complete trust or confidence in someone or something - A strong belief in the doctrines of a religion, based on spiritual conviction rather than proof - A belief that is not based on proof - A belief in anything as a code of ethics or standards of merit - An allegiance to duty of a person - Being sure of what you hope for and certain of what you do not see... However you wish to define 'faith', it is a very personal thing; the force of life, as Tolstoy said. Faith offers with it the comforts of optimism and hope, goodness and light. It's still believing the best in everyone even when you've seen the worst in some. This collection of faith quotes is designed to uplift and inspire you.

The Founders on Religion James H. Hutson,2009-11-10 What did the founders of America think about religion? Until now, there has been no reliable and impartial compendium of the founders' own remarks on religious matters that clearly answers the question. This book fills that gap. A lively collection of quotations on everything from the relationship between church and state to the status of women, it is the most comprehensive and trustworthy resource available on this timely topic. The book calls to the witness stand all the usual suspects--George Washington, Thomas Jefferson, James Madison, Benjamin Franklin, and John Adams--as well as many lesser known but highly influential luminaries, among them Continental Congress President Elias Boudinot, Declaration of Independence signer Charles Carroll, and John Dickinson, the Pennsylvania Farmer. It also gives voice to two founding mothers, Abigail Adams and Martha Washington. The founders quoted here ranged from the piously evangelical to the steadfastly unorthodox. Some were such avid students of theology that they were treated as equals by the leading ministers of their day. Others vacillated in their conviction. James Madison's religious beliefs appeared to weaken as he grew older. Thomas Jefferson, on the other hand, seemed to warm to religion late in life. This compilation lays out the founders' positions on more than seventy topics, including the afterlife, the death of loved ones, divorce, the raising of children, the reliability of biblical texts, and the nature of Islam and Judaism. Partisans of various stripes have long invoked quotations from the founding fathers to lend credence to their own views on religion and politics. This book, by contrast, is the first of its genre to be grounded in the careful examination of original documents by a professional historian. Conveniently arranged alphabetically by topic, it provides multiple viewpoints and accurate quotations. Readers of all religious persuasions--or of none--will find this book engrossing.

On every page the reader will discover a wealth of thoughtful, wise, and sometimes impassioned statements by all manner of men and women on a subject that has moved the consciences of generations from the distant past to the present. A special feature of this compilation is the inclusion of quotes from major judicial decisions, from 1872 to the present, that bear on religious liberty. Above all, these quotations show that an enormously wide spectrum of men and women of diverse religious, social, and political views have championed the principle of religious freedom. Walking with God Through Pain and Suffering Timothy Keller,2015-08-04 The question of why God would allow pain and suffering in the world has vexed believers and nonbelievers forever.
