*Market Time Conspiracy* James Duermeyer ,2020-08-10 BESTSELLING AUTHOR OF FLINT BLUFF He came from a humble background, a farm kid with the ethics and core values that are so prevalent in the Midwest. Following high school, Buddy Miller joined the Navy during the Vietnam War, and while serving on a ship in Southeast Asia, an incident occurs that will affect him for the next decade. With courage, he faces and manages the disability of PTSD and confronts the ghosts of his past. Returning to civilian life, Buddy becomes hugely successful, but continues to deal with the symptoms of his disability. With the loyalty of good friends and the help of a beautiful woman, he faces his life's most difficult challenge. In *Market Time Conspiracy*, James Duermeyer tells a rare story—a glimpse into the life of a man facing his worst nightmare. It is a wonderful, heart-felt story that gives the reader a look into the disability of PTSD. But the story is much more than that. It is a story woven from a young boy's growth into manhood, war, friendship, humor, perseverance, entrepreneurship, genius, and most importantly, love.

**Safari 101 Hunting Africa: the Ultimate Adventure** David L. Brown,2012-04-01 Mbogo, the Black Death, which manifests itself in the African Cape buffalo, now stood less than 12 feet away from me. The cow and calf were too close for me to have time to be scared. I would only have time to react on instinct if they came closer. That is the type of excitement that every hunter dreams of and it is still possible in Africa today. It is also one that I was fortunate enough to experience without any permanent ill effects. Eighty percent or more of American hunters think that Africa is too expensive or off-limits and that they will never have a chance to experience their own, up-close-and-personal adventure in the African bushveld. Safari 101 proves just the opposite. Safari 101 is written for the hunter that has always considered Africa out of reach, someone who has a spark of desire just waiting to be fanned into a flame. American hunters spend thousands of dollars every year hunting at home. Almost none of them know that, for the price of a guided elk hunt in the western United States, they can take an African Safari. The myths of being too expensive and too difficult are firmly entrenched in many hunters minds. Safari 101 has forty-six hints dispersed throughout 11 chapters and proves these myths false. Personal experiences are used to illustrate the value of each hint and to make each one easy to remember. Safari 101 takes the author's experiences, and what he learned from professional hunters and outfitters, and puts the information in a logical progression that is entertaining as well as informative. Safari 101 will help fan the spark into a flame.

*Deeper* James Moore,2009-05-05 Golden Cove today appears to be a charming New England seacoast town. But there are dark stories from decades past—when the town had a different name. Captain Joe Bierden's heard them all—tall tales to entertain the tourists, he thinks. He doesn't hesitate to hire his boat out to a research team eager to begin a month-long diving expedition. So no one is more surprised than Captain Joe with the—thing—that the team finds in an offshore underwater cave. Their first mistake is in bringing it ashore. Their second is believing it can't survive on land. Their third is thinking that it's the only one of its kind...

*Game-Changing Strategies* Constantinos C. Markides,2013-01-03 *Game-Changing Strategies* explains the reasons behind this puzzle and presents practical ideas on how established firms could not only discover new radical business models but also grow them next to their existing business models. The challenge for established firms is not the discovery of a new business model—the real challenge is how to make two business models coexist. This book offers advice on how established firms can implement structures and processes that make the new business model less conflicting and more palatable to the existing business.

**Extraordinary Circumstances** Cynthia Cooper,2010-06-03 The longer WorldCom Chief Audit Executive Cynthia Cooper stares at the entries in front of her, the more sinister they seem. But the CFO is badgering her to delay her team's audit of the company's books and directing others to block Cooper's efforts. Still, something in the pit of her stomach tells her to keep digging. Cooper takes readers behind the scenes on a riveting, real-time journey as she and her team work at night and behind closed doors to expose the largest fraud in corporate history. Whom can they trust? Could she lose her job? Should she fear for her physical safety? In *Extraordinary Circumstances*, she recounts for the first time her journey from her close family upbringing in a small Mississippi town, to working

motherhood and corporate success, to the pressures of becoming a whistleblower, to being named one of Time's 2002 Persons of the Year. She also provides a rare insider's glimpse into the spectacular rise and fall of WorldCom, a telecom titan, the darling of Wall Street, and a Cinderella story for Mississippi. With remarkable candor, Cooper discusses her struggle to overcome these challenges, and how she has found healing through sharing the lessons learned with the next generation. This book reminds us all that ethical decision-making is not forged at the crossroads of major events but starts in childhood, decision by decision and brick by brick. At a time when corporate dishonesty is dominating public attention, *Extraordinary Circumstances* makes it clear that the tone set at the top is critical to fostering an ethical environment in the work-place. Provocative, moving, and intensely personal, *Extraordinary Circumstances* is a wake-up call to corporate leaders and an intimate glimpse at a scandal that shook the business world.

**Zoot Suit & Other Plays** Luis Valdez,1992-04-30 This critically acclaimed play by Luis Valdez cracks open the depiction of Chicanos on stage, challenging viewers to revisit a troubled moment in our nation's history. From the moment the myth-infused character El Pachuco burst onto the stage, cutting his way through the drop curtain with a switchblade, Luis Valdez spurred a revolution in Chicano theater. Focusing on the events surrounding the Sleepy Lagoon Murder Trial of 1942 and the ensuing Zoot Suit Riots that turned Los Angeles into a bloody war zone, this is a gritty and vivid depiction of the horrifying violence and racism suffered by young Mexican Americans on the home front during World War II. Valdez's cadre of young urban characters struggle with the stereotypes and generalizations of America's dominant culture, the questions of assimilation and patriotism, and a desire to rebel against the mainstream pressures that threaten to wipe them out. Experimenting with brash forms of narration, pop culture of the war era, and complex characterizations, this quintessential exploration of the Mexican-American experience in the United States during the 1940's was the first, and only, Chicano play to open on Broadway. This collection contains three of playwright and screenwriter Luis Valdez's most important and recognized plays: *Zoot Suit*, *Bandido!* and *I Don't Have to Show You No Stinking Badges*. The anthology also includes an introduction by noted theater critic Dr. Jorge Huerta of the University of California-San Diego. Luis Valdez, the most recognized and celebrated Hispanic playwright of our times, is the director of the famous farm-worker theater, El Teatro Campesino.
