Control Freak Jared Lee Hanson,2002-09-13 The universe is filled with incredible power. Over the last century alone, combustion, electricity, and lift have completely altered the course of humanity. These and other forces have taken us to the moon and beyond. At the same time, they have laid waste to entire cities and abruptly ended millions of lives. One force among these has the ability to control them all. Ironically, it is the most powerful, yet the least understood. As with fire, this awesome power can only be controlled when you understand the basics of how it works. Like electricity, it can do things that you thought were impossible. And similar to lift, it can send you flying through the clouds to heights you never imagined. Once you learn the basics, you won't need to freak out any more over control. Anything you want will be within reach without the use of force, deception, bribery or any other form of manipulation. If you're not already living your dreams, it's because something is short-circuiting your ability to harness this great power. Come with me and we'll find out what it is. Let your journey of discovery begin NOW!

The Home Stretch George K. Ilsley,2020-06-02 George K. Ilsley explores his complex relationship

with his aging father in this candid memoir full of sharp emotion and disarming humor. George's father is ninety-one years old, a widower, and fiercely independent; an avid gardener, he's sweet and more than a little eccentric. But he's also a hoarder who makes embarrassing comments and invitations to women, and he has made no plans whatsoever for what is inevitably coming over the horizon. Decades after George has moved four time zones away, he begins to make regular trips home to help care for his cranky and uncooperative father, and to sift through the hoarded fragments of his father's life. In doing so, George is forced to confront some uncomfortable family secrets and ugly personal truths, only to discover that the inexorable power of life's journey pulls everyone along in its wake. *The Home Stretch* is a beguiling, moving book about aging parents who do not "go gently," and their adult children who must reckon with their own past before helping to guide them on their way.

An Eight Year Goodbye Maryanne V. Scott, 2021-01-27 Samuel Valenti was an unpretentious, humble man who required very little in life to make him happy. He grew up during the Great Depression, working on the family farm in New Jersey, growing tomatoes to sell to Campbell Soup Company. Seeing the Hindenburg fly over his farm, receiving visits to the farm from his cousin, Anne Bancroft, and serving his country in World War II were a few of the highlights of his young adult life that he spoke of often. However, marrying the love of his life and having his daughter and son were the basis of what sustained him every day as he lived the American dream of working hard and prospering. Life had always been wonderful for Sam until later in his life when he started to lose his precious memories and abilities to Alzheimer's disease. His slow cognitive decline lasted for eight long years with his children by his side, helping him to navigate through the stages of the disease. *An Eight-Year Goodbye* is the story of Sam's journey through this debilitating illness with some helpful suggestions from the author on how to handle some of the heartbreaking challenges that Alzheimer's presents. It is also a story of love and compassion as Sam's children watch their father go from the vital, independent, vibrant man that they grew up with to the feeble, confused man who was no longer able to communicate with his family. This story will touch the heart of anyone whose loved one has experienced or is experiencing the long, slow deterioration that Alzheimer's disease brings.

The Empty Chalice Joyce Surman, 2008-10 Drinking to the very dregs the chalice given it, here is the remarkable and inspirational story of a soul that has found, unexpectedly, a heavenly sweetness in its bitterness. After reading this book, the reader is left to ponder the question: Can I, too, 'drink the

chalice offered me' and find in it, not bitterness, but the sweetness of God's Will? This account of a soul's ascent from the shadows of Gethsemane to the light of Tabor is, therefore, a shining beacon for our age pointing the way that we should go if we are to find that for which every human heart yearns: true peace and perfect joy. If you are a person in search of true peace and perfect joy, especially if the fragile ship of your soul is being tossed amidst the tempestuous seas of sorrow and suffering, you will find here an anchor to which to moor your soul in the radical reversal of the transforming union as described in this book.

Mercury Fur Philip Ridley, 2018-12-06 In a society ravaged by warring gangs and a hallucinogenic-drug epidemic, Elliot and Darren, under the sway of the ruthless Spinx, throw parties for rich clients in abandoned apartment buildings—parties that help guests act out their darkest, most sinister fantasies. As the teenage brothers prepare for the latest festivities, some unexpected guests threaten the balance of the world they have created in the midst of this dystopian nightmare. MERCURY FUR is a terrifying, yet tender, look at just how far people will go to protect those they love the most.

Compassion, Michigan Raymond Luczak, 2021 Encompassing some 130 years in Ironwood's history, *Compassion, Michigan* illuminates characters struggling to adapt to their circumstances starting in the present day, with its subsequent stories rolling back in time to when Ironwood was first founded. What does it mean to live in a small town--so laden with its glory day reminiscences--against the stark economic realities of today? Doesn't history matter anymore? Could we still have compassion for others who don't share our views? A Deaf woman, born into a large, hearing family, looks back on her turbulent relationship with her younger, hearing sister. A gas station clerk reflects on Stella Draper, the woman who ran an ice cream parlor only to kill herself on her 33rd birthday. A devout mother has a crisis of faith when her son admits that their priest molested him. A bank teller, married to a soldier convicted of treason during the Korean War, gradually falls for a cafeteria worker. A young transgender man, with a knack for tailoring menswear, escapes his wealthy Detroit background for a chance to live truly as himself in Ironwood. When a handsome single man is attracted to her, a popular schoolteacher enters into a marriage of convenience only to wonder if she's made the right decision. RAYMOND LUCZAK, a Yooper native, is the author and editor of 24 books, including *Flannelwood*. He lives in Minneapolis, Minnesota. These are stories of extremely real women, mostly disappointed by life, living meagerly in a depleted town in the Upper Peninsula of Michigan. Sound depressing? Not at all. Luczak has tracked their hopes, their repressed desires, and their ambitions with the elegance and precision of one of those silhouette artists who used to snip out perfect likenesses in black paper; people 'comforted by the familiarity of loneliness,' as he writes. -- EDMUND WHITE, author of *A Saint in Texas* "Filled with grief and hope, bitterness and tenderness, Raymond's collection of short stories exudes compassion for its characters and their environs. With a confident eye to detail, and knowledge of the pulse of the place, he brings the reader into the quiet lives the people in the stories appear to be living only to reveal internal tensions around sexuality, belonging, and family. A pleasurable, nuanced portrayal of life in a small town by a talented writer with an understanding of the humanity we all share." -- CHRIS STARK, author of *Nickels: A Tale of Dissociation* "Raymond Luczak's *Compassion, Michigan* is a modern-day version of *Winesburg, Ohio* that proves William Faulkner's statement that 'The past is never dead. It is not even over.' These stories describe a small town over the course of the twentieth century, experiencing change, being haunted by its past. Its residents live their lives of quiet desperation as queer, confused, disempowered or outcast members of their community. They seek love, sex, purpose, and the freedom to be themselves. In short, they are human, and they have much to teach us." -- TYLER R. TICHELAR, Ph.D. and award-winning author of *Narrow Lives* Learn more at www.raymondluczak.com From Modern History Press www.ModernHistoryPress.com

Ridley Plays: 2 Philip Ridley, 2013-06-13 This second volume of Ridley's stage plays confirms him as one of the most imaginative, daring and unique voices currently working in theatre. All four plays collected here resonant with Ridley's trademark themes - East London, storytelling, moments of shocking violence, memories of the past, fantastical monologues, and that strange mix of the barbaric

and the beautiful he has made all his own. Vincent River: '... a grieving mother and a traumatized teenager meet as adversaries, rough each other up and eventually bond over a barbaric act of cruelty...Ridley asks questions, lots of them, about how people respond to the loss of innocence in their lives, how they hold onto their sanity in the face of savagery and how they fight to keep the bonds of humanity intact in a mad, mad world.' Variety Mercury Fur: '...depicts a scary, post-apocalyptic London where, in their struggle to survive, a group of youths are reduced to organising parties that cater for the most perverted tastes.' Independent Leaves of Glass: 'There is a different kind of murder going on here: the murder of truth that goes on in all families to a lesser or greater degree. As with nations, a family's history is written by the victors.' Guardian Piranha Heights: 'The extravagance of Ridley's dark vision suggests a dangerously confused society in which individuals seize on random gobbets of semi-digested information and use them to construct their own personal narrative.'
