Just Love Sri Swami Vishwananda, 2012-05-08 JUST LOVE contains everything, the entire universe. It describes a Love that has been addressed before - after all, there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West - yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply. JUST LOVE is expressed by someone who not only knows about the all-pervading, all-sustaining Divine force that forms the creation of the Universe, but who is completely one with it. JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda. It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way. Sri Swami Vishwanada's message is simple: Just Love. Yes, just love. Love is all there is. Love is all you have to do; the rest will take care of itself.

Burn for You Hannah Blowers, 2022-10-04 He got me out of my clothes the night we met. I was soaking wet and extremely dirty. And he swept me off my feet and gave me a ride I'll never forget. Unfortunately, not that kind of wet or dirty, and not that kind of ride. He literally swept me off my feet when I was walking on the side of the road in the pouring rain, he blinded me with his headlights and I landed in a ditch. At first I thought Asher Evans might be a serial killer with his dangerously blue eyes, a My Little Pony blanket and his insistence on getting me into his vehicle, but it turns out he's a firefighter and a single dad with three daughters. He's always wanted to save people, and I've always wanted to be saved. It's a match made in heaven—a platonic match. He's my boss who's fifteen years older than me, and I'm the nanny of his children. Romantically speaking, he's off limits.

For the first time in my life, I have a home. A family. And I can't let anything or anyone destroy that. Definitely not some smoldering hot dad with a chiseled jaw, a panty-melting smile and three adorable daughters who almost instantly clawed their way into my heart. Because falling for him could burn everything I've built with the Evans family to the ground.

Anorexia Katie Metcalfe,2006-12-01 Katie Metcalfe takes readers through the daily struggle with this potentially lethal obsession. It is a harrowing account of her triumphs and tragedies on the long road to recovery after being hospitalized at 15. We learn of Katie's constant battle with 'the voice' when her pride at improving her health is overshadowed by the fear of over eating. It is a story of a young girl at war with herself and anyone who fights to keep her alive. However, Katie Metcalfe's book is more than a personal journey - it is the story of the impact of her illness on her family. With remarkable candour Katie's parents and siblings tell of the shocking impact on close relatives - when anorexia creates a stranger in the family. Katie's honesty combined with her talent for writing, gives a real sense of the horror of anorexia and its power to dominate lives. It is a true account of a family's hard won victory over a disease that kills.

Love Lost Margo Masri, 2011-05-25 “. . . I think it’s time to move on,” he reported coldly. “If you want, I could drive you home now. We don’t need to be in each other’s company any longer than necessary.” “But you said you liked me.” I needed clarification. It didn’t make sense. “I did like you. Before. It passed. I was still unsure on what I had done. He drove me home, and I walked myself to my door. He didn’t even wait until I got inside. . . So we’ve come back to the beginning. My life was over. . . Suffice to say, the rest of August I spent in my room, depressed. Was that what a broken heart felt like? Did I really fall in love with him? I don’t think so, but I was definitely in very deep like. Anna Marks was trying to start over her senior year at Rocksfeld Prep School until she discovered that the new good-looking transfer student may be her recent ex. Could she really ignore him and move on? Or will he make her realize not everything is what it seems?

A Model Summer Paulina Porizkova, 2007-04-10 An incisive, beautifully written first novel by a former supermodel that explores the glamorous and gritty world she inhabited. Only a handful of women in the world have experienced what Paulina Porizkova has--being whisked away to model in Paris while still a teenager, reaching the pinnacle of the profession before her schoolmates had even graduated--and fewer still have the insight to capture it on paper. In her first novel, Paulina tells the story of Jirina. A tall, scrawny fifteen-year-old girl from Sweden, she's much more accustomed to taunts and disdain than admiration and affection, whether from her classmates or her own family. That all changes when her only friend, Hatty, asks to practice her makeup and photography skills on Jirina. Almost before she knows it Jirina is on a plane to Paris, where she will spend the summer in a milieu entirely alien to her. Living at the home of her modeling agency's owner and

constantly subjected to blunt physical assessments, catty and often cruel fellow models, and womanizing photographers--and, miraculously enough, while sometimes feeling truly beautiful--Jirina embarks on a journey beyond her wildest imaginings. Between photo shoots in Italy and Morocco and parties with models and musicians, Jirina manages to make a few friends, fall in love, and, eventually, feel the very adult pain of betrayal and heartbreak. Told with the grace, simplicity, and accuracy that can only come from real-life experience, *A Model Summer* is both the debut of a notably talented novelist and an unusually well-informed look behind the scenes at a world many people fantasize about, but few really know.

The Glamorous Life of Emily's Failure David J. Lythberg, 2009-07-22 Race. God. Two forces that have oppressed David's life from the beginning. As he grows, they follow him, bearing down upon his neck like a yoke. But someone else follows him as well. There is an appointed time for them to meet. Race. God. Growing up biracial is hard for David, being the son of an overbearing black mother and a passive white father. They've pulled him from an all-black world into an all-white one. But someone is there also. There is an appointed time for them to meet. Race. God. David eventually learns to throw the shackles of both away, to lash out against anything racial, or religious. He changes. Grows angrier. hates more. Still, that someone is there, watching. Waiting. Emily. But Emily couldn't wait any longer. Her love for David couldn't be contained until that appointed time. She takes matters into her own hands, and makes her presence known. In an attempt to win his love, she dons his clothes and engages in his interests. But sadly, her plan backfires, and

everything turns disasterous---and she is left, damaged and alone. Race. God. Emily. Years pass. Time shifts. When they do meet, it is a meeting like no other. The rapture they feel for one another surpasses the drudgedness of their station. For David, life couldn't be imagined without her; and at such a time as this, she is taken away from him. Is it a scrifice, or some unfortunate circumstance? She leaves someone in her stead, to continue with him where she left off. Someone who cares just as much as she had. Someone who loved him from the beginning, just as she had. God. It is only then that David realizes who Emily really was, and how much he'd failed to understand.

Project 333 Courtney Carver,2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In Project 333, minimalist expert and author of Soulful Simplicity Courtney Carver takes a new approach to living simply--starting with your wardrobe. Project 333 promises that not only can you

survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

The Seven Sleepers Francis Beeding, 2021-11-11T12:25:00Z This is a smashing good crime novel with a modern tone and a plot that only Hitchcock could have done justice to. Screenplays were written for it but somehow it was never brought to the scene. It should have been made into a film. Involving The League of Nations and Geneva in the early '20s, secret societies, villains and heroes, even a hint of sex slavery, this fast-paced thriller will keep you turning the pages and rooting for the good guys.
